THE UNIVERSITY of TENNESSEE
MARCH, JUNE, AUGUST GRADUATES

The University of Tennessee College of Law is proud of its graduates and of the record over the years these graduates have made as lawyers and as citizens.

The 1972 class is an unusually fine group and we expect its members to make contributions to the Bar and to the community. I hope you will take time to evaluate the "thumb nail sketches" of these men and women and assist us in placing these new graduates in desirable positions.

The College of Law welcomes personal interviews in our facilities, and we will be pleased to make all of the necessary arrangements for you. Should any additional information be desired concerning our 1972 graduates, please call me at:

615-974-4348

or write me at:

OFFICE OF THE DEAN

It is a real pleasure for me to introduce the 1972 classes of our graduates. The faculty and I have a lot invested in these young men and women and are commensurately keenly interested in their futures. We believe that collectively and individually they bring an impressive array of talents, knowledge, and personal attributes to their intended profession.

We wish them well and invite you to inquire further and to consider whether one or more of these young people could be of service to your organization or law firm.
