Once again, the faculty and staff of the College of Law are proud to present Lawyers of the Future from the University of Tennessee College of Law. Upon graduation, these students will have received a legal education equal in quality to any that can be obtained in this country. They are well qualified for the practice of law and for careers in business, government, industry, education and public interest as well.

Please contact Joann Gillespie, Director of Career Services, for more information about any of these students or about our placement process. Should you have questions about other matters concerning the College, I would be pleased to speak with you. We welcome the opportunity to serve you.

*Reported annually by the National Association for Law Placement.

The University Community

Law students from the University of Tennessee, Knoxville benefit from being a part of Tennessee's most comprehensive university. UT Knoxville provides social and cultural opportunities for approximately 25,000 students - 19,000 undergraduate and 6,000 graduate and professional students.

UT Knoxville's new \$27 million main library is one of the most advanced in the nation and complements the holdings of the law library. Together, the law and main libraries provide excellent support for research and educational enrichment.

The Knoxville area, with a population of more than 500,000, supports fine restaurants and nationally known cultural and entertainment events. Yet the recreational activities and scenic beauty of the Great Smoky Mountains National Park and six Tennessee Valley Authority lake are within an hour's drive. Knoxville consistently ranks among the nation's top ten metropolitan areas in surveys of quality of life.

CAREER SERVICES

Employers may initiate any service by phone or letter. Temporary, summer and year-round clerks, as well as experienced attorneys, may be located through the services described below.

ON-CAMPUS INTERVIEWING

Reservations are taken at any time for fall and spring on-campus interviewing dates. (See Career Services calendar on inside front cover.) Reservations for preferred fall on-campus dates should be made by early spring. Resumes submitted are mailed for employer pre-screening approximately 10 days before the on-campus visit.

RESUME FORWARDING

Student resumes are collected and mailed to an employer by the date requested. Employers may contact students directly or through Career Services concerning arrangements for interviews at their location.

JOB BOARD LISTINGS

Position descriptions inviting direct contact by students and alumni are posted in the Career Services reception area.

ALUMNI NEWSLETTER

Employer position listings must be submitted to Career Services by the last week of the month for publication in the Alumni Employment Opportunities Newsletter, which is distributed the first week of the month by handout and mail to recent graduates and subscribing alumni.

STUDENT TEMPORARY ASSIGNMENT TEAM (STAT)

A roster of students available to complete temporary clerking assignments is maintained. Referrals to legal employers, made on the basis of availability and familiarity with the subject, usually are made within 24 hours of a telephone request.

*Career Services Policies

The Career Services staff does not screen or recommend certain students for interviews. All listings are posted for review by the entire student body and all resumes submitted by interested students will be forwarded to the employer who selects the interviewees for his/her schedule.

The University of Tennessee College of Law is committed to a policy of equal employment opportunity for all individuals

entitled to use the placement services which it provides. Therefore Career Services programs are not open to any employer who discriminates against any person because of race, color, religion, sex, age, national origin, handicap or veteran status.

Career Services subscribes to the National Association for Law Placement Principles and Standards for Law Placement and Recruitment Activities. Copies are available upon request.

Grading System

All academic work in the College is graded on a 4.0 scale by a faculty very demanding in its evaluation of student work. Students are informed of their class rank at the end of each semester, but such information is available from Career Services only if the individual has a signed release on file. Otherwise class ranks, and all grade transcripts, must be requested from the individual student by the employer.

Prospective employers are cautioned not overemphasize grades and class rankings. As little as a tenth of a point difference in grade point averages, which are calculated in hundredths, could cause a large percentile difference in class rank not comparable to a difference in performance or ability.

Minimum grade required to attain (based on graduating class of 1987)

Top 10%—3.06

Top 25%—2.90

Top 33%—2.84

Top 50%—2.67

A grade of 0.9 or below is a failure. To remain in good standing, a student must maintain at least a 2.0 average. The Dean's List requires a 3.0 GPA or better.
