**The University Community**

Law students from the University of Tennessee, Knoxville benefit from being a part of Tennessee's most comprehensive university. UT Knoxville provides social and cultural opportunities for approximately 25,000 students - 19,000 undergraduate and 6,000 graduate and professional students.

UT Knoxville's new \$27 million main library is one of the most advanced in the nation and complements the holdings of the law library. Together, the law and main libraries provide excellent support for research and educational enrichment.

The Knoxville area, with a population of more than 500,000, supports fine restaurants and nationally known cultural and entertainment events. Yet the recreational activities and scenic beauty of the Great Smoky Mountains National Park and six Tennessee Valley Authority lakes are within an hour's drive. Knoxville consistently ranks among the nation's top ten metropolitan areas in surveys of quality of life.

### **Southeastern Public Interest Job Fair**

Employer Registration Deadline—August 18  
Students from law schools in the following states are invited to participate: Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. In addition to scheduled interviews, an informal arena style format for information sharing will be added.

### **Mid-South Law Placement Consortium**

March 3, 1990—Nashville  
Employer Registration Deadline—January 29, 1990  
Participating Schools—Tennessee, Alabama, Cumberland, Kentucky, Louisville, Memphis State, Mercer, and Mississippi.

### **ON-CAMPUS INTERVIEWING**

Fall Semester 1989—September 14 through November 20

Spring Semester 1990—January 29 through April 26

Reservations are accepted by phone or mail year-round. Dates are accepted on a first-come, first-served basis and will be confirmed in writing. Reservations for preferred fall on-campus dates should be made by early spring. Resumes are forwarded to employers a week to 10 days prior to the on-campus date for prescreening.

### **RECRUITING BY NON-VISITING EMPLOYERS**

Many students accept positions with employers unable to interview on campus. Career Services personnel will collect and forward resumes in one package by a certain date, after placing recruiting materials on file for student review. Or, if the employer prefers, applicants will be instructed to submit resumes and other requested items directly. Employers may contact students directly, or through Career Services, concerning arrangements for interviews at their location.

### **LATERAL HIRING**

A monthly Alumni Employment Opportunities Newsletter is published for recent graduates and experienced alumni

interested in making a lateral move. Job listings, which are included free of charge, may be submitted by phone or letter and should include a brief description of the position and the proper application procedure. Listings may be "blind" or open and will be published in two editions unless the employer instructs otherwise. Listings received by the last day of the month will be included in the edition mailed the next week.

### **STUDENT TEMPORARY ASSIGNMENT TEAM (STAT)**

A roster of students available to complete temporary clerking assignments is maintained. Referrals to legal employers, made on the basis of availability and familiarity with the subject, usually are made within 24 hours of a telephone request.

### **\*Career Services Policies**

The Career Services staff does not screen or recommend certain students for interviews. All listings are posted for review by the entire student body and all resumes submitted by interested students will be forwarded to the employer who selects the interviewees for his/her schedule.

The University of Tennessee College of Law is committed to a policy of equal employment opportunity for all individuals entitled to use the placement services which it provides. Therefore Career Services programs are not open to any employer who discriminates against any person because of race, color, religion, sex, age, national origin, handicap or veteran status.

Career Services subscribes to the National Association for Law Placement Principles and Standards for Law Placement and Recruitment Activities. Copies are available upon request.

### **Grading System**

All academic work in the College is graded on a 4.0 scale by a faculty very demanding in its evaluation of student work. Students are informed of their class rank at the end of each semester, but such information is available from Career Services only if the individual has a signed release on file. Otherwise class ranks, and all grade transcripts, must be requested from the individual student by the employer.

Prospective employers are cautioned not over emphasize grades and class rankings. As little as a tenth of a point difference in grade point averages, which are calculated in hundredths, could cause a large percentile difference in class rank not comparable to a difference in performance or ability.

*Minimum grade required to attain (based on graduating class of 1988)*

Top 10%—3.11  
Top 25%—2.86  
Top 33%—2.81  
Top 50%—2.69

A grade of 0.9 or below is a failure. To remain in good standing, a student must maintain at least a 2.0 average. The Dean's List requires a 3.0 GPA or better.
