Employment:

The employment rate for Tennessee law graduates has consistently approximated or surpassed the employment rate for law schools nationwide for the last decade. **

According to information collected annually for the National Association for Law Placement (NALP), 92 percent of UT's class of 1993 who were seeking work had found employment within nine months after graduation, compared to 87 percent of law graduates nationwide.

Approximately 86 percent of UT's class of 1993 were employed in full-time legal positions. Eight percent accepted part-time legal employment,

and three percent each found non-legal full- and part-time employment. National statistics for the class of 1993 indicate that 84 percent of law graduates were employed in full-time legal positions, six percent in part-time legal, eight percent in full-time non-legal, and two percent in part-time non-legal positions.

Seventy-two percent of UT's class of 1993 entered private practice, compared to 57 percent nationwide. Federal, state and local government agencies were the second largest employer of the class of 1993, hiring 17 percent of UT's graduates and 25 percent nationwide.

Nine percent of UT's graduates and 11 percent nationwide accepted employment in business and industry. Careers in public interest and academic organizations accounted for one percent each of UT's class of 1993, and two and one percent, respectively, of law graduates nationwide. (Four percent of graduates nationwide were employed in unknown categories.)

Eighty-six percent of UT's employed graduates remained in Tennessee in 1993, compared to a 77 percent average for UT classes of 1989-92. Of that 86 percent, 36 percent chose Knoxville, 18 percent Nashville, seven percent Chattanooga, three percent Memphis, and 22 percent chose other Tennessee cities.

Employment statistics obtained from post-graduate surveys for the classes of 1985 through 1991 and for the classes of 1992 and 1993 follow:

Areas of Practice	'85-'91	'92	'93
Private Practice	66%	64%	72%
Judicial Clerkship	9%	12%	5%
Government	12%	11%	11%
Business/Industry	6%	10%	9%
Public Interest	2%	1%	1%
Academic	2%	1%	1%
Military	3%	1%	1%

Geographic Regions	'85-'91	'92	'93
Knoxville	24%	25%	36%
Nashville	13%	16%	18%
Chattanooga	12%	9%	7%
Memphis	6%	6%	3%
Other Tennessee Towns	21%	23%	22%
Out-of-State	24%	21%	14%

**The National Association for Law Placement (NALP) has conducted its annual Employment Report and Salary Survey for more than 15 years. All national statistics were obtained from NALP's "Initial Class of 1993 ERSS Findings," March, 1994, and are based on survey responses from August and December 1992 and May 1993 graduates.

CAREER SERVICES*

Employers are invited to initiate any service by phone, FAX, or letter.

ON-CAMPUS INTERVIEWING

Fall Semester 1994 - September 16 through November 22

Spring Semester 1995 - February 6 through April 28

Reservations are accepted year-round by phone, FAX, or letter. On-campus dates, which are assigned on a first-come, first-served basis, are confirmed in writing. Reservations for preferred fall on-campus dates should be made by early Spring. Resumes are forwarded to employers a week to 10 days prior to the on-campus date for prescreening.

RECRUITING FROM EMPLOYER LOCATION

Employers unable to visit campus may request Career Services personnel to collect and forward resumes by a certain date. Or, if the employer prefers, applicants will be instructed to submit resumes and other requested items directly. Employers may wish to contact students individually, or have the Career Services staff convey messages, regarding arrangements for interviews at their location.

*Career Services interview rooms are available to employers for interviewing College of Law students and graduates throughout the year.

LATERAL HIRING

Job Briefs, the alumni employment opportunities newsletter, reaches recent graduates and experienced alumni interested in making lateral moves. There is no charge for employer listings, which are accepted by phone, FAX, or mail and should provide a brief description of the position and the preferred application procedure. Listings are either "open," identifying the employer and providing information for applicant direct contact, or "blind," with the employer unidentified and applicants instructed to respond to a position number through Career Services. Each job vacancy is published in two newsletter editions unless the employer instructs otherwise. Listings received by the last day of the month are included in the edition mailed the next week.

STUDENT TEMPORARY ASSIGNMENT TEAM (STAT)

Career Services maintains a roster of students interested in receiving temporary clerking assignments. Referral of a student to a requesting legal employer, made on the basis of availability and familiarity with the subject, usually is made within 24 hours of a telephone request. Assignments range from a few hours to several weeks.

GRADING SYSTEM

All academic work in the College is graded on a 4.0 scale by a faculty very demanding in its evaluation of student work. Students may request and receive their class rank from the Student Records Office several weeks after each semester ends, but this information is not available to the Career Services staff unless the student has a signed release on file. Employers who seek this information are encouraged to request class rank figures or a transcript directly from individual candidates.

Grades and class rankings should not be overemphasized. A little as a tenth of a point difference in grade point averages, which are calculated in hundredths, could cause a large percentile difference in class rank not comparable to a difference in performance or ability.

Minimum grade required to attain averages after Spring Semester '94

Class	1996	1995
Top 10%	3.19	3.28
Top 25%	2.99	3.08
Top 33%	2.91	2.96
Top 50%	2.71	2.83

A grade of 0.9 or below is a failure. To remain in good standing, a student must maintain at least a 2.0 average. The Dean's List requires a 3.0 GPA or better.
