Taylor Trivia: Who's nickname is "Ironman?" Answer to last month's Taylor Trivia: Tony Greene's mother's maiden name is Senta von Schrenk which holds the title of baroness in Austria. The family goes back to the 13th century. The original Schrenk was Tryphon who was an officer in the court of Count Eckhart of Thuringia, Germany. On a hunt, Tryphon saved his master's life by deflecting an arrow that was intended for the Count. For this act, Tryphon was given the title of Baron. This title has passed down through the generations and Tony's mother was Baroness Schrenk until her marriage.
