The University of Tennessee College of Law has been educating lawyers for more than 100 years. And while the practice of law and curriculum have changed since 1890, the fundamental tasks – “the development of skills, the nurture of intellect and the molding of character” – remain the same.

Students receive training in substantive law, procedure, ethics and professionalism, with a particular emphasis placed on analysis and reasoning, problem-solving, research, writing, advocacy, and dispute resolution.

Second- and third-year students may follow the traditional path of choosing from an array of elective courses to build an academic program consistent with their personal and professional needs and interests — or participate in one of the College’s innovative new programs that provides specialized training.

Students who pursue the **Concentration in Business Transactions** concentrate their studies on the legal aspects surrounding the conduct of public, private and non-profit enterprises, emphasizing the needs of business concerns both large and small. Three core courses – Introduction to Business Transactions, Contract Drafting Seminar and Representing Enterprises — complement the additional requirements of Business Associations, Taxation of Entities, Land Finance Law, and Commercial Law.

The **Concentration in Advocacy and Dispute Resolution** was built on the College’s long-standing clinical programs, curriculum in trial and appellate advocacy, and successful moot court programs. It emphasizes litigation skills, as well as those required for effective negotiation,

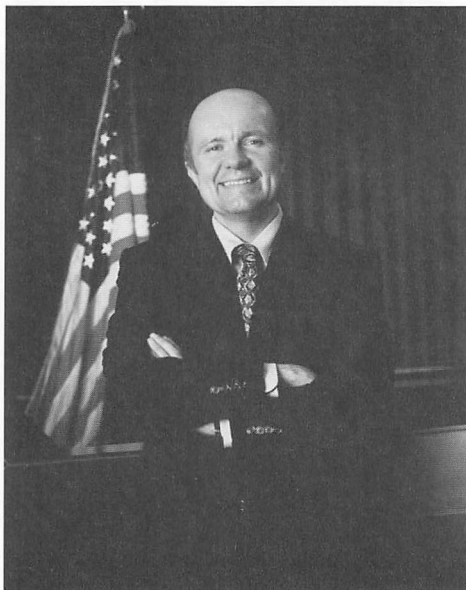

mediation and dispute resolution. Central to the development of this curriculum is the extensive use of advanced teaching technology that is available in the new College of Law building.

Completed in 1997, the 110,000-square-foot facility blends the old with the new and offers the latest in technological innovations, such as power outlets and networking hook-ups for students’ lap top computers at classroom seats; two microcomputer laboratories for student use; an on-line, automated catalog system for the law library; and computer-assisted instruction capabilities.

The College continues to make a name for itself on the national level, having been ranked in the top 50 law schools in the country by *U.S. News and World Report* in 1996, 1997, 1998 and 1999. The College also was honored in 1996 with the Emil Gumpert Award for Excellence in Teaching Trial Advocacy from the American College of Trial Lawyers.

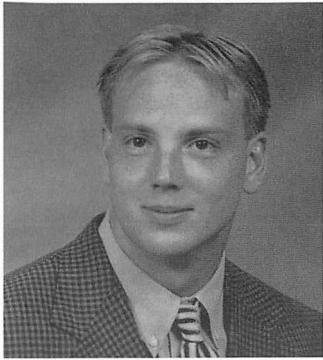

Other measures of success include Tennessee bar exam passage rates that are consistently above the state average for all graduates, and employment statistics that show more than 85 percent of recent graduates accepting full-time legal positions within nine months of graduation.

As the UT College of Law finds itself ready to take advantage of everything the 21st century has to offer, we reaffirm our mission set forth 100 years ago: to provide a first-rate, professional education to all students; to contribute significantly to the body of legal scholarship; and to render worthy service to the university, the bench and bar, and the public.

Dean Thomas C. Galligan, Jr.

POLICIES

The University of Tennessee College of Law is a member of the Association of American Law Schools and subscribes to its policy of providing students and graduates with equal opportunity to obtain employment without discrimination or segregation on the grounds of race, color, religion, national origin, gender, age, handicap or disability, veteran status, or sexual orientation. Career Services programs are open only to those employers whose practices are in agreement with this policy. Career Services also subscribes to the National Association for Law Placement "Principles and Standards for Law Placement and Recruitment Activities," a copy of which is included on the inside back cover of this publication.

ON-CAMPUS INTERVIEWING

Fall Semester 1999

September 17 through November 23

Spring Semester 2000

February 7 through April 25

Reservations are accepted year-round by phone, fax, letter or e-mail. On-campus dates, which are assigned on a first-come, first-served basis, are confirmed in writing. Reservations for preferred fall on-campus dates should be made by early spring. Resumes are forwarded to employers a week to 10 days prior to the on-campus date for prescreening.

Out-of-state	35	34

GRADE POINT AVERAGES AND CLASS RANKS

Students receive grades approximately two weeks after final exams are completed. Class ranks are not available until approximately one month after the fall and spring semesters end; ranks are not calculated after summer school. Fall rankings usually are available the first of February and spring rankings the first of June. Information regarding grade point average and class rank is available from Career Services only if the student has a signed release on file. Employers who seek this information are encouraged to request class rank figures or a transcript directly from individual candidates.

Minimum grade required to attain
averages after Spring semester 1999

Class	2001	2000
Top 10%	3.5226	3.4942
Top 25%	3.2129	3.2984
Top 33%	3.12581	3.2098
Top 50%	2.8936	3.0267

A grade of 0.7 or below is a failure. To remain in good standing, a student must have maintained at least a 2.0 average. The Dean's List requires a class rank of the top one third or better.

GRADING SYSTEM

All academic work in the College through spring semester 1996 was graded on a 0.0 through 4.0 scale. Beginning fall 1996, the 0.0-4.0 grading scale was replaced by the following set of letter grades, numerical equivalents, and qualitative descriptions.

Excellent	4.3	A+
	4.0	A
	3.7	A-
Good	3.3	B+
	3.0	B
	2.7	B-
	2.3	C+
Satisfactory	2.0	C
	1.7	C-
Poor	1.3	D+
	1.0	D
	0.7	D-
	0.0	F

A plus (+) signifies that the student's performance is distinguishably better than that required for the core grade, but not sufficiently better to merit a grade in the next higher grade range.

A minus (-) signifies that the student's performance is distinguishably below that required for the core grade, but not sufficiently below to merit a grade in the next lower range.

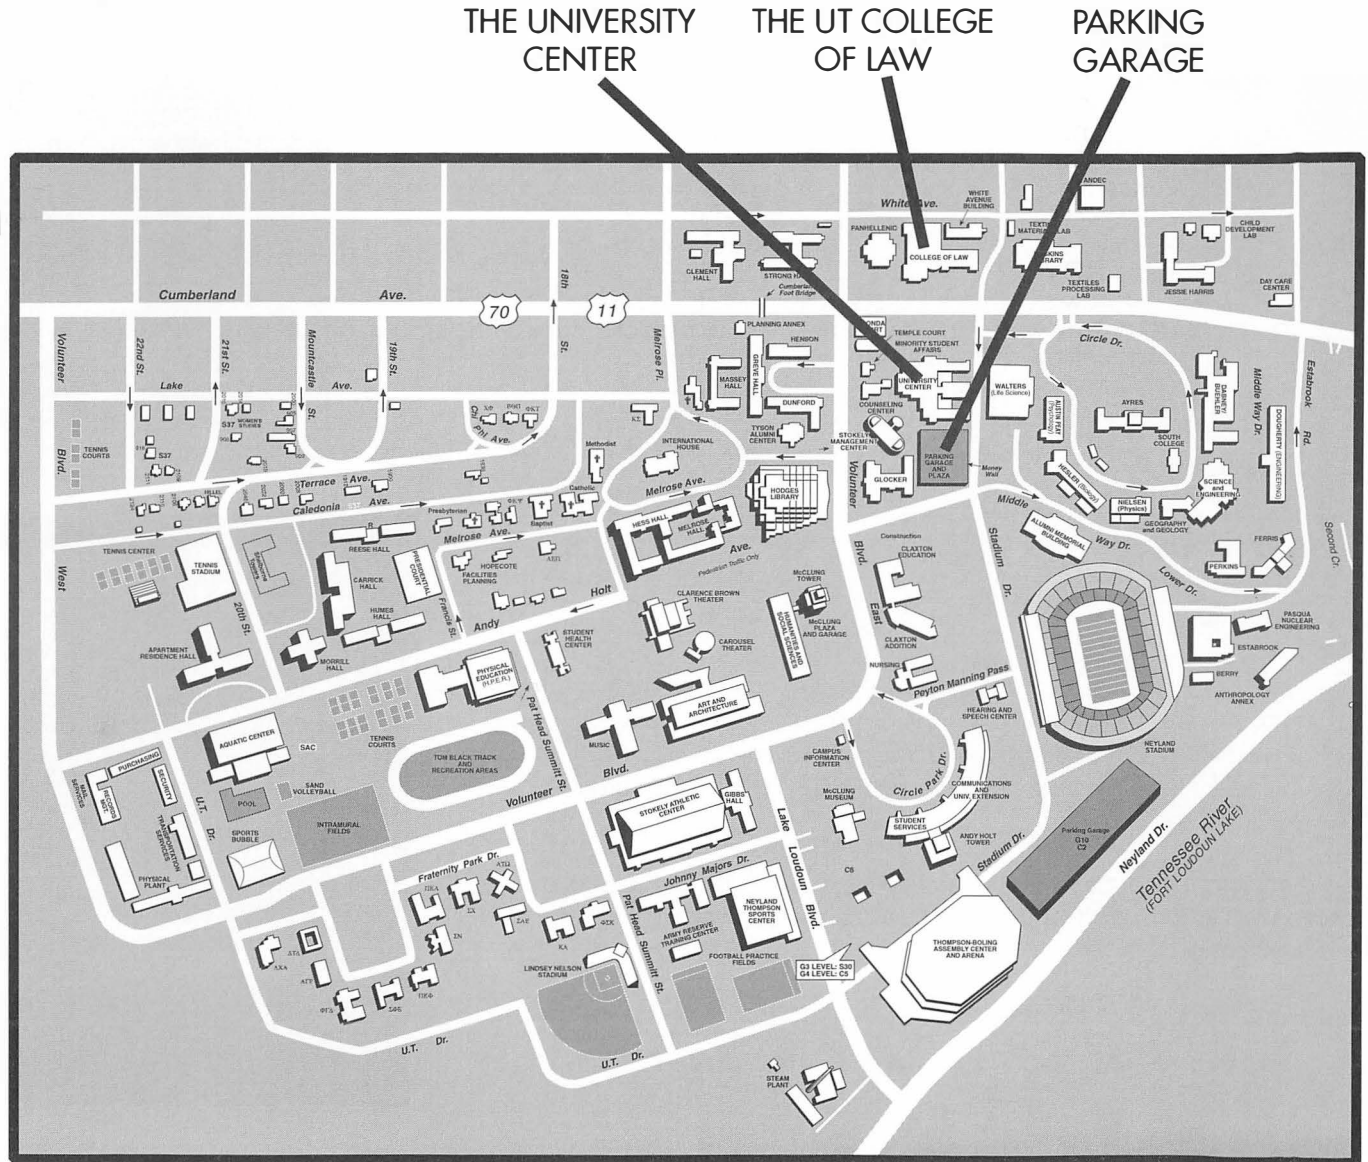

DIRECTIONS TO THE COLLEGE OF LAW FROM INTERSTATE 40, EAST OR WEST

Come into Knoxville via I-40. Take exit 386-B, Alcoa Highway. Follow the elevated interstate ramp, taking the Kingston Pike exit on the right. At the bottom of the ramp, turn left at the signal light onto Cumberland Avenue. Proceed approximately six blocks. After the pedestrian bridge just past 17th Street, the College of Law will be in the next block on the left at 1505 West Cumberland Avenue.

PARKING FOR ON-CAMPUS INTERVIEWING OR VISITS

Recommended parking is in the garage behind the University Center(UC) which is located on Cumberland directly across the street from the College of Law. To find the garage, proceed on Cumberland Avenue past the UC, turning right at the signal light onto Stadium Drive. The garage is just behind the UC on the right.

Principles and Standards for Law Placement and Recruiting Activities

To promote fair and ethical practices for the interviewing and decision-making process, the National Association for Law Placement (NALP) offers the following standards for the timing of offers and decisions.

A. GENERAL PROVISIONS

1. All offers to law students should remain open for at least two weeks after the date made, unless the offers are made pursuant to Paragraphs B and C below, in which case the later response date should apply.

2. Law students should reaffirm offers governed by Paragraphs B and C below within 30 days from the date of the offer letter. Employers may retract any offer that is not reaffirmed by the student.

3. Students are expected to accept or release offers or negotiate an extension of the response date by the applicable deadline.

4. After October 15, a student should not hold open more than 4 offers of employment simultaneously, including offers received as a result of previous summer employment. For each offer received that places a student over the four-offer limit, the student should, within one week of receipt of the excess offer, release an offer.

5. Second and third year students may, with the consent of the employer, extend one offer beyond December 1.

6. Employers should provide a copy of the student's offer letter to that student's

career services office to assist that office in monitoring the number of offers a student is holding.

7. Employers having a total of 25 attorneys or fewer in all offices may be exempted from Paragraphs B and C below, but should leave offers open for a minimum of 2 weeks.

8. Employers offering part-time or temporary positions for the school term may be exempted from the requirements of Paragraphs B and C below.

9. Violations of these guidelines should be reported to the student's career services office.

B. FULL-TIME EMPLOYMENT PROVISIONS

1. Employers offering full-time positions following graduation to law students not previously employed by them should leave those offers open at least until December 1.

2. Employers making offers before September 15 of the student's third year for full-time positions following graduation to law students previously employed by them during any preceding summer should leave those offers open at least until November 1.

3. Employers making offers on or after September 15 of the student's third year for full-time employment following graduation to law students previously employed by them during any preceding summer should leave those offers open at least until December 1.

C. SUMMER EMPLOYMENT PROVISIONS FOR 2LS & 3LS

1. Employers offering summer positions in the fall to law students not previously employed by them should leave those offers open at least until December 1.

2. Employers making offers before September 15 for a second summer clerkship to law students previously employed by them during any preceding summer should leave those offers open at least until November 1.

3. Employers making offers on or after September 15 for a second summer clerkship to law students previously employed by them during any preceding summer should leave those offers open at least until December 1.

D. SUMMER EMPLOYMENT PROVISIONS FOR 1LS

1. Law schools should not offer placement services to first semester, first year law students prior to November 1, except in the case of part-time students who may be given assistance in seeking positions during the school term.

2. Prospective employers and first year law students should not initiate contact with one another, and employers should not interview or make offers to first year students before December 1.

3. All offers to first year students for summer employment should remain open for at least two weeks after the date made.
