IN MEMORIAM

Our deepest sympathy and prayers go to Professor King and Mary Ann Biedsoe. Prof. King's father passed away in December, and Mary Ann's mother died last month after a long illness.

The College of Law also feels a great loss and sends heartfelt condolences to the family of James L. Powers III who was killed in a tragic automobile accident last month. Because Jim was the outstanding student in Criminal Advocacy last semester, a James L. Powers III Award for Excellence in Criminal Advocacy has been established. If you wish to contribute to the endowment supporting the award, please leave your gift with B. Stuart in Suite 14.

A helping hand...

The faculty, staff, and students of the College of Law helped make the holiday season a little brighter for residents of Lakeshore Mental Health Institute by donating small gifts to the residents. A hearty thank you to each of you who participated.

The January, 1988 **Taylor Times** was snowed out! Thanks for missing it!

CAREER SERVICES

LAWYERS OF THE FUTURE

Photography dates are:

Thurs., March 24, 11 a.m.-4 p.m., and Fri., March 25, 8 a.m.-2 p.m.

Photos will be made in the reception area of the Career Services suite.

Students are requested to wear the same type clothing they would for job interviewing. There is no cost to students to participate. The photographer will offer color packages for purchase. Photos are made of first- and second-year law students each Spring, and are published for mailing just before the fall semester begins. Lawyers of the Future will be published and distributed to legal employers in a general public relations effort to attract them to interview on campus or to request resumes from our students. In recent years, employers have requested additional information about specific students they've seen in Lawyers of the Future. Employers interviewing on campus receive a copy with their schedule on arrival and rely heavily on the photos for remembering students. Students also enjoy using the booklet like a yearbook to identify and remember people in law school. For further information, stop by Career Services.

GOOD NEWS

FINANCIAL AID
#####

An additional financial resource is now available to University of Tennessee law students through Law Plan, a consolidated student loan program developed by the Law School Admission Council/Law School Admissions Services to meet the increasing costs of legal education.

By utilizing Law Plan, a student may have access through one application to three separate loan programs - the Guaranteed Student Loan (GSL), the Auxiliary Loan to Assist Students (ALAS), and the Law Access Loan (LAL) The loan program is available to any student enrolled in or admitted for enrollment in any LSAC member school (all ABA-accredited schools). No bank/customer relationship, state residency, nor cosigner is required. The LSAC/LSAS promises prompt processing of all applications

Changes in university Financial Aid office policies now make it possible for UT students to take advantage of the Law Plan, which may allow students on a need basis to borrow amounts in excess of the limits set for disbursement of university-based aid. Application packets are available in the Admissions Office.
