H. H. Turner

Mr. Witham said that there would be no register this week and he hoped "before long to do away with it altogether." Read articles for display in Journal of the Am. Judic. Soc. + Amer. bar ass'n Jour. Escorted Mr. Johnson, a freshman, around the library, explaining all arrangements to him.

11 - 5:30

E. L. Ogden

11-12 Conference. Discussed present state of K.B.L.A. + Univ Law Lib. collections which leaves us in uncertainty especially as to who is entitled to borrow in this transition stage. Discussed also whether to make students sign cards for shelves RR-5 (students texts) for use in the room. Thought we might turn the desk around to make it easier to watch. Decided not to make it a point to put all Bar Lib books up at 5:30 + at 9:30 if rushed. Worked on lists for K.B.L.A. books. Mr. Witham asked Mr. Van Deventer to come Tues + see about those he wants to keep for himself. A box of books discarded by K.B.L.A. last summer before last (1930) but not discarded was brought from basement and contents listed. In order to give the data on duplication asked by Mr. Witham it is necessary to list all books in K.B.L.A. Lib. and describe marks of ownership, then get ownership of loaned books settled.

9 - 12

C. F. Heiskell

1:30 - 5:30

Worked on duplicate list of K.B. Lib. and U.T. books - also sorted out some of the loan books.

7 - 9.30

H. H. Turner

Quite a crowd of freshmen on steps at 6.55. 10 steady users, including one girl, almost all eve.

Wouldn't it be a good plan to post a notice to the effect that the library doesn't contain textbooks being used in freshman (or any other) class? We keep getting dismayed calls. Looked up prices of some law books for Mr. Bernstein. Mr. Moore told me last night that nearly all the poor students in his class have been eliminated. Room about half full (mostly freshmen) 8 - 9 A.M. All students too busy to be shown library. Mr. Schumate is going to try to get at U. of T. bookstore a pamphlet introd. to Finch's Register of land, by West Pub. Co. He has the impression that it is on Sale there. Mr. Warner had ordered entire collection for freshmen class (cost 75¢). Called up Mr. Jourolomon + he promised to return his 39 K.B.L.A. vols. today.

9 - 1

C. F. Heiskell

Like H. H. T, have had calls for text use as text-book in classes and very much surprised that Library didn't keep them for students use (?) Worked on duplicates.

1 - 5:30

E. L. Ogden

Continued to make cards + slips for books in K.B.L.A. Did all in section with Tenn. Codes. Finished correction of Sanford loan list and put it on Miss Long's list. So many in Lib. did not change position of desk. Mr. McClure wanted to wait till he could get a man to help. P.S. At 5:20 he came in and he + I moved. Maybe not just right yet.

7 - 9:30

C. F. Heiskell

Worked on duplicate list also helped some students a very good crowd using Library this P.M.

H. H. Turner

Position of desk seems an improvement if afternoon sun doesn't give trouble. Student asked for pennies for ink money but couldn't find box. Miss English vehemently protested against having to wait until noon for her reserve book as she lives in country + has only early class. Called up Miss Baker + she declined to make an exception in her favor. Rules had been carefully explained but student failed to grasp them. Read shelves in R.R., Office + part of K.B.L. Received + put away the rest of Mr. Jourolomon's vast collection.

9 - 12:30

C. F. Heiskell

Apropos of Miss English, last evening I had a siance [sic] with this young woman and fully explained the Library rules as regards taking out books and period allowed for keeping. At that time she also was very vehement in her protests to some of the requirements, thought in her case there should be exceptions. CFH reminded her that exceptions, where rules were made for so many, could not be for one and not for others, as she seemed to think they should. Trust she is not going to be Bolshevic (?) in her attitude towards Library regulations. A roomful of students most of them new men. Helped several. So far very quiet.

H. H. Turner

Finished reading shelves of K.B.L.A. Truckman came. Mr. McClure says Miss Rochelle tried to get into library before 8 A.M. Helped Freshman find a King's bench case but he had hoped to locate a Canadian one. Also - later helped him locate another, and explained chart. Introduced a freshman to state repts. + explained arrangement. Practically entire freshman class here 10 - 11, including 4 girls but all studious.

1 - 5:30

C. F. Heiskell

Several inquiring when "we will begin signing Library hours register"? Two old students using Lib. Room well filled most of the students were second year men, helped several in finding citations. All very quiet and seem to be working well. Miss Baker phoned that the scrubbing of floor in R.R. would begin in the morning at 6 A.M. and that all doors leading in to R.R. be kept closed and fastened until work was finished and floor dry. That all students be served from office and stacks that books wanted from R.R. be gotten by desk attendant if floor was so they could tip-toe over and not track, make students sign for books and they could either use in alcove in stacks or take downstairs but not out of building. Asked CFH to tell Mr. McClure to be on hands by 6 A.M. sharp.

7 - 9:30

C. F. Heiskell

Men brought over machine for floor cleaning. Helped several freshmen who had gotten mixed in their class citations and I showed them the Digest system of hunting up cases and points.

Tuesday Oct. 6, 1931

8 - 12

C. F. Heiskell

Men here at work on floor. Library studiers(?) at alcove table or in stacks. Miss Baker came over at 9 A.M. to see room – said anyway it was getting cleaner if no better in general appearance. Truckman came. At 10:45 Mr. McClure reported the R.R. dry enough for use and opened doors.

10 - 1

H. H. Turner

As R.R. was inaccessible until nearly 11, couldn't make many K.B.L.A. loan slips, but did the best possible during time when not at desk.

2 - 5

C. F. Heiskell

Worked on K.B. Lib. files. Mr. Van Deventer came about his list of books loaned and given to K.B. Lib. and found them all satisfactory. Some he will take others he gave to University.

1:30 - 5:30

E. L. Ogden

Glad to have the Van Deventer books settled. Mr. McClure packed those he is to and Mr. Witham got U.T. truck to call for them tomorrow. Got pencil sharpener's place changed. Will get ink station changed to morrow if I can remember to bring a short screw driver. Mr. Witham says Mr. C. Smith authorized taking over all books loaned by him to K.B.L.A. as Sec'y. Miss Long brought register to begin using tomorrow.

7 - 9.30

H. H. Turner

Very few, mostly old students, using library.

Wednesday Oct. 7, 1931

8 - 12

C. F. Heiskell

See register for Lib. hours has been put in Library. Looked to get stamp to put on some information asked by Miss Baker to have mailed to her and find Library is out of stamps. Room filled with students very quiet – here's hoping they'll continue so? Worked on duplicates but rather slow work when looking after desk and R.R.

9 - 1

H. H. Turner

Worked on loan slips of K.B.L.A.

1 - 5:30

E. L. Ogden

Found stamps in wrong pocket of "work organizer." Probably put them there myself in a hasty moment. Will try to reform. Straightened up new book advt. on low desk shelves. Put new material in two folders. Staff members might do well to take a look at contents to be informed in case some are asked for. Have arranged one folder alphabetically by subject. Mr. McClure cleaned + moved ink station. Made up summary of book statistics for Sep. and circulation + money statistics for Aug. + Sep. Attendance good – counted 30 at one time. Still 10 at 5 P.M. It is clear that most if not all the work on Bar Lib. books will have to be done when not supervising, as students are going to be numerous enough to leave few vacant moments – at least while they are new.

7 - 9:30

C. F. Heiskell

Quite a good crowd. Put in a good portion of the evening attending to Miss English's many wants.

Thursday Oct. 8th 1931

8 - 11

C. F. Heiskell

As this was Legal Bibliography morning had only second year students in Library at early opening hour. See Law Lib. News is to be discontinued, that is the trouble with these small publications they get one well started in to taking them then they bust up. Understand most of these small publications will be, or are going, to the wall owing to hard times. Truckman came, took Van Deventer books – what a joy to be getting rid of these surplus old books.

9 - 1

H. H. Turner

Went down to Dean's office + worked on K.B.L.A. slips.

1 - 5:30

C. F. Heiskell

Students so far certainly are being faithful in Library attendance, a full house for afternoon and many books used – Restatement of Agency and Contracts very much in demand, many on waiting list who did not get to use them up to closing time. Made notice for dressing-room etiquette as the floor +c looked as if pig had been in there in place of students.

7 - 9:30

H. H. Turner

Quite a crowd waiting for door to be opened and an instant demand for restatements. Miss English had been outside since 6, complaining bitterly that she loses an entire hour by this arrangement. Every one extremely studious.

Friday, Oct. 9. 1931

8 - 11

H. H. Turner

I wish there were more copies of re-statement of Contracts as the same mad scramble keeps up. Student complained of ink well being empty.

9 - 1

C. F. Heiskell

Mr. Witham sent up asking list of Van Deventer books left in Library as a gift – prepared one by K.B.L. duplicate list, which am leaving on desk for supervision as to correctness before turning it over to Mr. Witham. Enjoyed Bulletin of A.L.A. especially the address on "The Librarians Opportunity" by Prof Phelps of Yale University.

1 - 5:30

E. L. Ogden

Showed Miss Long that she had only to copy old letter with certain omissions to have correct list of Van Deventer gifts. Students many + very restless. From passing remark judged Mr. Witham had told them to finish up Lib. hours today. So they came to register, not to study. Also had Mr. Neil Spahr, R. Kennerly + another lawyer, whose face is familiar, + Dr. Hamer. Miss Rochelle after a series of facial messages to other tables was told to keep her eyes on her book, attend to business or leave. Was quiet for a while then left. Really never have seen such universal restlessness + fidgets. Looked over some of HHT's cards but did not accomplish much. It was Trusts in demand this P.M., instead of Agency + Contracts.

7 - 9:30

C. F. Heiskell

Miss English wanting to be told where every citation or case she had, asked her if she had ever been shown Library, said no – but also added she didn't want to be shown, preferred having books gotten for her. [margin note: Slight lapse from truth! H.T.] A good many using Library.

Saturday, Oct. 10. 1931

8 - 10

H. H. Turner

Truckman came + left supplies downstairs.

H. H. Turner

Saw Miss Greve Saturday p.m. + she spoke of girls who were studying law (one in particular!) and requested library staff to keep her informed of any misbehavior on her (or their) part, not to overlook any bad conduct but to report at once as she wishes to keep tab on the situation. She requested me to tell the other members of staff. Large crowd but very quiet. Mrs. Caldwell is going to try to find a copy of her husband's "Bench + bar of Tennessee" to present to law library. At noon made some K.B.L.A. slips.

1 - 5:30

C. F. Heiskell

Messrs Wilson and [Sleeten?] Conf-room 1:30 - . Mr. Witham asked if a certain young lady - who actions in Lib. have already been called to our attention, gave any trouble at all to be sure to let him know. " 'nough said" Think most of the Law College following used Lib. this afternoon so crowded was room. All very quiet.

7 - 9:30

Put step-ladder to close space at desk-shelves as they insisted on coming thru that small opening. Miss Long brought up Fletcher on Corporation forms, but found no charge slip for it? Finished duplicate slips up to this A.M. Truckman came just about leaving time. Very few students in from 11 - 12 A.M. Mr. Wilson Conf. room 12 - .

Worked on slips for K.B.L.A.

E. L. Ogden

Worked on K.B.L.A. cards; Took pity on some ragged student books + coated their backs with glue - not proper to do it in Lib. time of course but didn't take long; Miss Luttrell came for Tenn. historical items. Was interested in the Tenn. Supreme Ct article in Green bag + is coming again to look at other vols. Wilson in Conf. room 3:00 (about, after Moot Court); Smith + Foster in trouble with a bottle of Skrip. No books spattered and Mr. McClure came at once to wipe up table + floor. Room full - well behaved.

7 - 9.30

H. H. Turner

Usual studious crowd. Miss Williams, Main lib., called up in regard to some K.B.L. repts. for 1931 but as I had a room-ful of students didn't think it wise to look up matter and asked her to call up again this A.M.

Friday, Oct. 16. 1931

8 - 11

H. H. Turner

Made slips for K.B.L.A. vols. Miss Williams called up to enquire if K.B.L.A. had Acts of 1931. Could have been answered last night if I had grasped that that was a she desired – but as room was pretty full, I probably did better to ask her to wait. Intel. test conducted 10 - 11. Messrs Moore and Smith, J. Daestrom, Shumate, Dye in Conf. room during this period.

9 - 1

C. F. Heiskell

Took H. H. T. place at desk until Intel. test was ended 11:30.

1 - 5:30

E. L. Ogden

Mr. Witham phoned a request that the restatements be handed out from desk and signed for + later Mr. Blackard brought up Agency 5 + Agency Explanatory notes. 5 to be charged when in use and not to be taken from room. Posted pockets on outside of boxes and made cards which I think will do for charging. It "grieves me sore" to give up space to them which we need for our own work. J.J. Clarke signed off 5:00 – Wasn't in room shortly after 4 nor then after. Reported to Mr. Witham.

7 - 9:30

H. H. Turner

Worked on slips for K.B.L.A. vols. Quite a number asking for Restatement on Agency.

1 - 5:30

C. F. Heiskell

Asked Mr. Witham if Library should let the students take out the Re-statements for over night and weekends – he said he saw no reason why they should not take them out same as other student texts – just make them sign up for both use in Library as well as overnight. Thought tho', that Mr. Blackard's copies should be kept strictly for Library using unless he gave permission for them to be taken out. A large Library attendance this afternoon.

7 - 9:30 C. F. Heiskell
A good crowd of quiet studious Library users.

1 - 5:30 E. L. Ogden
Truckman came. Worked on K.B.L.A. slips. A student (not law) wanted something on constitutionality of Scopes case. Gave him Ind. to legal period. He found a number of entries under constitutional law + one in Table of cases under Scopes. He may come again so I tell all this. Mrs. Clemens sent Apr. 28, 1931 issue of U.S. Repts Adv. sheets which she says will come hereafter. C. F. H. made a periodical check card for them. It is in an envelope at end of U.S. Reports at present.

Truck came. A Mr. Thomason came to borrow a Bar Lib. ~~stamp~~ book. He was here some time ago presenting a certificate of transfer of stock from Cates + asking whom to present it to. Told him, officers of the Ass'n, Powers or Hudson. He said today he didn't know just where he stood as he hadn't found yet what to do with it. Said I'd ask + let him know when he returns the book. Have clipped a memo to the charge as a reminder. Mr. Witham says he is the one to see to it. On Thurs. there will be a meeting in his office to dissolve the corporation. I got H. Cormick's address + Mr. Witham will write about his loans. Said Thurs. would be a good time to get Mr. Powers to see about his. Miss Long came up with "loaned" lists. Told her I would check them up in Mr. Witham's office Tues. afternoon. Exchanged boxes for the K.B.L.A. cards + slips, putting finished one in big box, slips in smaller.

1 - 5:30 [E. L. Ogden]
Worked on K.B.L.A. slips. Checked them with letters of gift received in Mr. Witham's room. A puzzling citation disclosed that a v. 2 of Tenn. Public Acts was pub. in 1925 in pam. form neither in K.B.L.A., nor in Univ. Law Lib. nor in Main Lib. Mr. Witham wrote Sec'y of State for it + N.B. Morrell who happened in offered to make inquiry in town where he thought copies might be had. A copy is in County court office. Brought some slips + some ruled cards.

7 - 9.30 H. H. Turner

Many in and unusual restlessness. Some didn't even pretend to study.

Friday, Oct. 30, 1931

8 - 11 H. H. Turner

Unfounded rumor about a holiday. No classes seem to be going on. John Morrell, an alumnus used library. Conference room used by Messrs Foster + Smith 8.30 - . Had so much supervision owing to holiday crowd that I couldn't work on slips.

9 - 1 C. F. Heiskell

Certainly a restless set of Library users. First time this session have there been troubles with talking and visiting from table to table and had to be called down. Suppose the non-conducting, as I understand, of classes has something to do with all this restlessness. Later Mr. Blackard said that the Law College was conducting classes but over at Hill they were not. Two students from U.T. using Library, mostly Codes wanted.

1 - 5:30

E. L. Ogden

Miss Baker came yesterday afternoon and stayed till 5:30 so there was not time to make a full report at Conference Thurs. Miss Heiskell read us the form of contract between the Knoxville Bar Lib. Ass'n and the list of members entitled to use books in Bar Lib. under the new regulations and Mr. Witham also made statement that those whose names were given us were to be admitted to Bar Library on the same terms as members of the K.B.L.A. heretofore except that we would not have to consider arrears in dues. We asked ~~about~~ whether Knoxville lawyers not privileged to use Bar Library were to be given free use of Univ. law library as customary heretofore. He said that ought not to be done unless they paid fees. That it would be better to bring up such questions as occasion arose and decide them gradually. Worked on K.B.L.A. slips. Miss Baker came in about 5. Remarked our readers looked studious (and they did) and a fair number present. She remarked that several looked up toward our group + I took occasion to say they were not accustomed to hear talking in the Lib. We told Miss B. about the retirement of 207 S.W. and she approved. We showed what we were doing with K.B.L.A. cards + she seemed to approve. That's all I think, omitted on Thurs. Truckman came. Mr. Reischling wanted to use Bar Lib. I said not till he got his name put on list. He said How much would it be? I said he'd have to ask Mr. Witham + he said he would. He went away after using the reporters for a while. C.F.H. reported he had done the same thing this A.M. Put Restatement: Property with the others. It is asked for as "Real property." Thought I'd finish a revised "Dup." list but Mr. H. brought a letter + asked me to check Bender's list of books exchangeable for advt. + after hunting dates of pub. + reviews of some of them, had little time left. Found nothing on the list very desirable except Virginia Colonial Reports, 1728 - 1742 in 2 v. Then Mr. Witham brought it back + asked to have it kept in folder with others. So we are just where we were before. Miss Long brought new typed list of users of Bar Lib. Took \$1.85 ink money to give Main Lib. + am asking for Nov. supplies. 1 package slips; 1 package blank envelopes (for notes to Main); 1 bottle ink for filling station.

As there is a (supposed (?)) mild football game this P.M. more students in Library than usual on Saturday mornings. In reading shelves am sorry to report that v. 1 of Williston on Contracts is missing. As it is remembered distinctly by me that it was in place on Thursday the 5th as it was much in demand by different students and both it and stack-room copy had to be circulated by desk attendant in such a given time. So between that afternoon at 5:30 closing time and this A.M. it has disappeared. Also read text-book shelves in stack-room and took occasion to begin to get them in order again as there was much mixing up occasioned, I guess by the [reordering?] of some - will finish later.
N. B. - Have just suddenly remembered pulling up Williston last evening as it was the only book on table in back of room. Oh! joy while attending to reserves some one slipped Williston back.

Spoke to him again, and he said we were more worried about it that he was! but that he would pay before Xmas. Does the rule of reporting to Main Lib. within a week have to be enforced in this instance?

9 - 1

C. F. Heiskell

Mr. McClure replaced burned out lamp in R.R. and C. F. H. asked him if he was going to have Christmas tree for his little girl and if so that we three Librarians decided at our Conf. on yesterday not to put up the little tree we one time had for Library and had said if he wanted to use it he could, he was greatly pleased and ask to get it down and take it and the lighting home for his wife to see, said he'd take good care of it and return it safe in both events using or not using.

H. was called for an important matter of business, not sickness, and as all reserves were attend to, and all students gone from Lib and building didn't leave here until 12: and as no one was in bldg – could leave no word. C. F. Heiskell

Helped students with some citations that to them seemed obscure. Mended a few books.

9 - 1

H. H. Turner

Miss Baker, thinking we were in Conference, paid a call and inspected things generally. She said the empty boxes had better go out in the hall; and that it was a mistake having them sent down. She also said that if we came across any Tenn. material dated prior to 1830 to send it to Main Lib. where a collection is being made. She went in Conference room and thought there was room for quite a few vols. She wants H. H. T. to start a new scrapbook index after the holidays as there is a vol. waiting. She admired the ferns very much. Only a few boys were here and they very studious.

8 - 11

H. H. Turner

Forgot to mention that Miss Baker inspected the ~~case~~ stand on top of catalog case and seemed a little surprised not to see a current periodical!

1. Shall the vols. already loaned to lawyers be allowed ~~out~~ to extend during the holidays and whose duty is it to renew them?

2. If Mr. Dalstrom's fine isn't paid by 11 a.m. today when H. H. T. goes off duty, will some other member of staff report same to Main library as it must be attended to today? Read shelves in stacks and libr. office. Will finish tomorrow.

9 - 1

C. F. Heiskell

Should think now that all books for circulation are the property of University Library that it is the province of each Law Librarian to see that such books are returned. As for those recorded on register as being taken out by lawyers C. F. H. has already called up as to returns. Would suggest that it be recorded in "the minutes of the day" when such duty had been performed. Regards current periodical on display Cat. stand, the no. displayed there had been removed by Mr. Witham for reference in Office.

1 - 5:30

E. L. Ogden

Mr. E. Dalstrom came in and repeated that he "would pay to-day" but went off without doing it. On his word, I did not call up Main Lib. After letting Miss Rochelle sign for Caruthers discovered that the B and C reserve slips were not in alphabetical order. Straightened some others too but better look and beware. Cleared off some of the pams. that have been waiting on the bottom shelf. Not many in but these very busy, mostly law review work. Am taking key to be ready for next Wed.

7 - 9:30

Mr. Morrell wanted to take out a S.E. reporter over night. Called up Miss Baker and she said NO. He stated that Mr. Witham told him that members of the K.B.L.A. were to have that privilege and she said that was an error on his part!!

Have found a frame for a desk calendar (daily) to keep with register. Will fix it up next Wednesday to be ready for the new year. Called up Mr. Lunsford to tell him that the "unsuperseded" number (official draft) of Contracts Restatement is here while the one he has is superseded. It is really important that the desk attendant write in the "Restatement" number each time on the same line as the signature. If card is left on desk signed, desk attendant should go to user + find out number + write it in. It would be better for the desk attendant to get out number wanted herself, and not let students handle the boxes, but occasionally, at busy moments, this cannot be prevented. Mr. Mann came down in answer to phone to Lunsford + got "Contracts, Restatement Official draft" returning the superseded cop. Phoned Mr. Craig about his Restatement, due today + as it had not been asked for, renewed till Dec. 28. Had 2 lawyers, 4 students.

Apropos of other Statements recorded as Re-Statements. When this desk attendant has been on duty she has been careful to record all nos. and copies of such as being taken out, tho she had found when coming on duty it had not been done – as to Mr. Lunsford's taking out the suspended copy of Contracts it was of his own volition as his friend Mr. Mann had signed up for the official draft – but to the time of 12.45, Dec. 19, when C. F. H. closed Lib – he, Mr. M. hadn't shown up. As Rest. on Covenants of Title is a K.B. Lib book it comes no card and this slip written and signed by Mr. Dye and stamped Dec. 19" was its card of circulation. This is the way we have always done when one of these books was withdrawn. All books that students withdraw from Stack-room was on the Deans, Mr. Witham's ruling to C. F. H. The same thing applied to Mr. Bernstiens [sic] withdrawal of Re-Statement of Conf. of Law. 8 in Library.

Wrote up statistics – Circulation, fines, ink money, accessions. Mr. Farrar brought in the article sent by Mr. Wire (but compiled by his successor) on Memorials in Tenn. Supreme Ct. reports. Not all citations correspond with eds we have here. I looked over the MS. hastily, comparing an item here + there with HHT's cards. He has included only Supreme Ct judges while HHT did circuit court, Chancellors as well. So I think we will keep HHT's cards + work them up in finished state some time even after the Wire list is printed. Asked Miss B. if she thought reprints desirable. She thought not. Am sending her Mr. Wire's previous correspondence to file but kept the printed lists he sent as guides for our pam. collection. Will put them with Biog., I think but perhaps Tenn - miscellaneous would be better. Find everybody provided with calendars so gave last big one to Mr. McClure to put in Moot Court Room. Some time since, Miss Baker told me she would send the Standard Legal Directory a statement that Lib. now had approximately 12,000 vols. – a low estimate that would permit of correction next year. She has filed her copy of reply under Amer. Ass'n of Law Libraries to refer to next year. Will be at Law – not Farm – Thurs. Mr. Johnson did not come about his overdue books.

Conference: Misunderstandings – or different understandings of borrowing rights of Bar members. Staff will ask Miss Baker to have rules formulated so that we can have them in writing as soon as possible. Discussed instances of difference of opinion of lawyers, Librarian + Dean as to what was permitted. C. F. H. to add to list of users names of court officials. She also added phone nos. to address. Date of reserves for exam – begin Jan. 18 (Mon.). Reported sum available from fines not needed for change – \$7.43 – came to no conclusion as to what staff would prefer to have it used for if given a chance to choose. Joined C. F. H. in sorting + rearranging K.B.L.A. records + supplies, combining the latter with Univ. Lib. where practicable. Note: All short string now in K.B.L.A. office table drawer (left); ~~all wrapping~~ spool on left bottom shelf under curtain; wrapping paper in bottom drawer, vertical file case; clean dust rags in box on right bottom shelf behind curtain, except 1 in next to bottom drawer, vertical file, for use in RR. and one in Table drawer K.B.L.A. alcove. Do not keep any in RR desk drawer. One big batch K.B.L.A. heading paper put with Univ scratch paper in 2^d right drawer. All K.B.L.A. records and supplies in Lib. off. table drawer ~~lef~~ (right) or in boxes behind curtain – top left shelf. These to be turned over to Miss Baker. At bottom of a file box, by-laws of K.B.L.A. 1909 came to light. Staff will read these before turning over to Miss Baker. Discarded old list of K.B.L.A. member addresses and put scratch slips in last compartment of tray. If they tend to get mixed with charges, will change back. Fortunately Mr. Davis did not urge any lending. Asked rather casually but said he did not need them very much. Worked over some of the things that turned up in Bar Lib. yesterday. Reading rules – or rather By laws of K.B.L.A. Miss Long came up and said the Dean's office did have a copy of them and one had been sent up here. I did not remember seeing one or knowing where it is. Does any one? I have laid aside many things in haste, this fall, but doesn't seem as though I could have forgotten that. Call staff's attention particularly to some notes made on inventory sheets RR 1-5 + RR 6-9 as to copies of things to be duplicated for Bar + Univ collections. It is going to be especially hard for a while to keep the Federal reporter sets straight. The inventory sheets will be final guide as to where certain things belong. It will be well also to take special care to check up last vol of each set with Inventory when reading shelves and ~~correct~~ investigate + correct the least discrepancy. Miss Baker phoned that if missing nos of Amer. judicature Soc. Jour. had not been found, she would order again. Reported them still missing. After examining Mr. Wire's list of "memorials" in Tenn. Reports, still think it worth while to go on with what HHT. was doing as he omits much that would be useful to us. We will consider it soon.

7 - 9:30

C. F. Heiskell

Like E. L. O. don't understand Miss Long's statement as to By laws of K.B.L. Ass'n. As not long since Mr. Witham came in and asked if a copy had been sent back of the two borrowed from Library by a former President and the Secretary and Treasurer. Told Mr. Witham they had not and suggested he ask one of these two for it. If it ever was gotten nothing was said about it in Lib. circles and no copy has ever been sent up here. Possibly Miss L. was thinking of the copy she brought up of the Contract or agreement entered in by U.T. and K.B.L. Ass'n in October a copy of which is in bottom drawer (left hand side of desk). The one that was unearthed in the cleaning up yesterday was one C. F. H. did not know existed or had seen before. Agree also about the duplications and inventory sheets and will try to remember to accession in both spots hereafter. Left 1929 Tenn. Bar Ass'n on desk for H. H. T. to see.

Saw Miss Bergen for a few minutes yesterday + asked about Law Libr. cataloging. She said Miss Baker had not mentioned it but there was still a great deal to do at the Farm + Miss B wanted some extra things done at Main Libr. so she surmised it would be some time before anything was done here. Saw Miss Baker + mentioned that Bar Libr. records +c were put together + we proposed to use its letter head paper as scratch. She said that was all right and we might as well use the envelopes for communication with Main Library. Mentioned also the List of Memorials and that only names connected with Supreme Court, were included, apparently, while HHT had included names of circuit, chancery +c. She asked if it seemed to me worth while to continue this + I said it did, for our own information. She said she would consider it. I said I thought something might be said about eds. after talking it over proposed to write to compiler of the list and ask for a foot note that names included were only those of Supreme Court members, if such is the fact. P.S. This is to be held over for April no. of Tenn. Law Rev. Intention is to include the index to Papers +c + Portraits (Tenn. Bar Ass'n Proc) brought to end of 1931 in the same no. Inspected Tenn. reports v. 52-55 trying out another way to index names of court officials. Sent a student to Bar Lib. table as C.J. is in use by many for Legal Bibliog. assignment. Reproved the new Mr. Moore for tilting chair + afterward severely for shaking pen on floor. He got mad, said he came to study not to be fussed at + would leave. He did + there was peace. 11-12 Conference. Miss Baker came down + went over the By-laws of the K.B.L.A. with all of us and discussed some points that had given trouble. Said definitely, Fines would be 5¢ a day instead of 25 (as specified in By-laws) to conform with U.T. custom. She desired one system to apply to everything as far as possible. In talking it over afterwards, C. F. H. + ELO. thought we would make no change in the present terms of lending to students but that lawyers privileged to borrow could borrow anything (~~excepts~~ with the exceptions established under their own rules) for 5 days, but in case of Reporters, urge ~~that a shorter-period~~ borrower to return sooner if he possibly can. In case of doubt, Miss Baker or Miss Mr. Witham is to be applied to. We are not sure which – probably Miss B + she will refer us to Mr. W. will be the best course. Miss Bergen called up to have C. F. H. give her the number of copies of the Proceedings of State Bar Ass'n of Maine we had said they had found a number of volumes over there and she wanted to accession. As there were only 3 here, 19, 20, + 21 proceeding wasn't hard to do. Years were 1914-15; 1916-17; 1918-19. Truckman came.

1 - 5:30

Conference interrupted by visit from Claud Lowry (former classmate of HHT + E. L. O.). Miss Howell + Miss Tedford came about 12:30 to accession so finished posting N.Y. Suppl. to be ready for them. Did a few odds + ends besides – but not much. Miss Howell says they are willing to accession additional cops of text books that the Law Lib would like to have done when they came from time to time. Sent to Main Lib. by Miss Tedford a request for paste + cheese cloth as soon as they can be sent conveniently. Also gave her some K.B.L.A. return postcards to take. May be possible to get stamps redeemed. Packed some old K.B.L.A. Records in box + Mr. McClure stowed it on top of shelf stack in NE room. Mr. Witham said book list checked by C. F. H. was exactly what was wanted. Gave a fist of other dealers + amts of advertising for which he wants fists by May. Filed list in folder in vertical case. Under the new organization of Tenn. Law Rev. some dealers will pay for advt. in cash; when paid for in books, the Law Lib College will choose the books but the Univ Lib will pay the Tenn. Law Rev. for them, so book fund will not save on it. He counted up \$600⁰⁰ worth of advertising in books or cash now current. E. L. O. said might as well not check lists now, as new ones may be issued before May. Entered on calendar pad Apr. 15 to see to them. Truckman brought paste – also left a pile of books intended for Engineering Lib. Phoned Mr. Kirkman's office. They'll probably send tomorrow. Brought some clean rags. Did cards + odds + ends. Numbered some of the A.L.R. as well as attending to R.R. wants. Spent the last half hour and a bit after closing time helping a visitor try to find a case that his citation said was in 7 Humphrey's (Tenn). After looking in that and many other Tenn. Repts - also Digest of Tenn. and Am. Dig., and every other avenue whereby I thought we might find it, he finely [sic] said he might be mistaken in the citation.

Spoke Mr. Jarvis about the book Kales, "Future interests +c" – he was very casual as to it at first but when I called his attention to Dean Massey's and Miss Baker's ruling as to fines for the keeping of such books, he got busy and tried to find it. Again I am calling attention to the putting of the Restatements in their right boxes – also to stamping off users name on card kept at desk and putting it back in pocket on front of box. Have had several times to hunt for Restatements wanted and failed to find in their proper boxes. Many in Lib. and many wants to look after, hence not much else attended to. Mr. Strauss in Conf. room 10:30 – . Only did a few book plates in Tenn. Repts.

Marked N.Y. repts. Miss Baker told me at Main library yesterday that she was going to ask Mr. Witham to close library Friday eve. March 18 as she wished all the staff to assist in showing Main library to faculty 7.30 - 11. She may suggest law library staying open until 8.30 to enable Miss Heiskell to attend after that. Offered to substitute for Miss H. but was told all were expected to be present! Strange truckman came but didn't stop to see if there was anything to carry back.

1:30 - 5:30 C. F. Heiskell
Put in book plates. Much obliged to H. H. T. for her kind thought of this worker but I really feel that when these staff things come off on my nights on duty that its my place to stay and not deprive someone else of the pleasure.

Miss Tedford + Miss Howell came. Amer. bankruptcy repts, and U.S. Supreme Ct. Rpts (Law. ed) have been accessioned but only the latter ready to mark. Pasted + marked various treatises accessioned by Miss T. but did not finish changing records. Put the catalog'd Tenn. acts sent down in RR-2 but have not added them to inventory list yet. Miss T. will come next week, she thinks. After Tenn. + Tenn. Appeals are done, I think. R.C.L. + L.R.A. would come next for pasting. Seem to be leaving even more loose ends than usual but takes all the time to follow up the accessioning +c. when that is done.

Made up report for books added in March. Had neglected to count the treatises accessioned by Miss Tedford Mar. 4. Find by counting acc'n. nos. on slips returned to Law Lib by Main, a total of 46 68 69 and I am not positive all slips were counted. Students restless - Came near to calling on Mr. Witham for support of authority when Mr. Eldredge attempted to pass around a paper soliciting signatures after told to stop. He flared up once but subsided after a little. Later on Mr. Dalstrom had to be stopped from doing likewise but he made no protest. Told Mr. W. later + he said call on him if any further trouble. I hear that student elections are in progress. Did not get much done as counting up books was fussy and disturbed by restless behavior in the room. Wrote a note to Mr. Dwight that if interested in our dups of legal periodicals C. F. H. + E. L. O. would show him what we have. HHT doesn't know where they are, C. F. H. might show her. The list of dups made Oct 1930 and list of our "wants" Jan. 1931 are in middle right drawer, bottom compartment, if he wants to see them. Mr. Witham has had an offer from N.B. Morrell of some more Tenn. Senate + House journals which he says he accepted. Took money left from K.B.L.A. to order mending cloth as Miss Baker authorized. \$1.97.

As students were pretty quiet did a little more shifting. Miss Baker asked for circulation statistics so stopped to count up. Yesterday A.M. sent a money order to Gaylord Bros + ordered 2 yds. dark book cloth + 1 yd light to be addressed here. So if postman brings a roll, it can be opened + put on stock shelf. I find it so much easier to count circulation when marked by tally than when marked by figures. Counted up money again. Fines 70¢ short, Ink 8¢ short. Guess we'll have to lock it up. Miss Bergen phoned that Miss Tedford would come probably tomorrow or Friday to accession. Told her two long sets are ready.

Worked more on ~~inventory~~ proof? Mr. Farrar took it away later.

C. F. Heiskell

Messrs Steivars, Watson and Wilson (Jack) selected for Tenn. Law Rev. next year – all three busy getting subjects for their test case notes.

1 - 5:30

E. L. Ogden

The following rec'd for Law Lib. from N.B. Morrell: Mitchell, Tenn. justice's manual, 1834; Tenn. Contest for governor, 2 v., 1895; Tenn. Gen'l Assembly: 1885 App. to Sen. J. (1 v.); 1907, 1909 App. to House + Senate Journals (2 v.); 1925, House Journal, Senate Journal (2 v.) a total of 8 v. Put some of the Journals in RR-2 + some with Bar set as there was not room for all in either place without considerable shifting. Started off the "Governor's contest" for cataloging + binding, if possible. Put Assigned Mitchell to RR-2. Odds + ends. One history student. One man to look up Ohio Workman's comp. law – seemed to get what he wanted in Hubbell. Did some mending.

A very busy morning, Students from Hill to help – as well as Law students and many requests and questions to answer as well as taking care of reserves and circulations to Lawyers.

Library filled with students most of morning very restless on account of rain not being able to get out and to smoke. Many books used and put up.

(5:30 - 7)

7 - 9:30

Made one trip of it. C. F. H. has had her first experience with Monday forenoon. Often almost every chair has occupant, and sunshine doesn't seem to subdue their spirits, and attendant is kept busy putting away books. Have neglected to mention this, but Monday is the most exacting day of the week and very little, except supervision, can be accomplished. Helped student from history dept. hunt up variety of material on Dred Scott case, assisted by Mr. Moore. Rec'd belated Legal directory (sent to Chatt. by mistake) and gave to Mr. Witham who seemed pleased to receive gift! Very quiet – large crowds, but easily controlled. Helped hunt up several English citations for Judge Hicks. Also Penna. case for Mr. Piper. Mr. Stivers + W. Wilson in Conf. room (2.25 - 5). Miss Northrup ~~asked for~~ enquired about material on Justice Sanford (memorial address resolutions) in Proc. Am. bar ass'n 1930.

7 - 9.30 H. H. Turner

As only 3 young heroes braved the elements, worked on inventory. 6 in all.

Tuesday April 26, 1932

8 - 2

C. F. Heiskell

Truckman came along with things for accessioning he brought a package of book plates. Apropos of C. F. H. record of yesterday (Monday) morning experience – except in day of the week, it was no new experience for as both Tuesday and Wednesday and Thursday mornings, when Mr. Steinmetz doesn't have his class, the Library is well filled and supervision as well as help much in evidence and no doubt this is the experience of all at times. Mr. Headman to get subjects of Dr. Thaler test for which he was to spend one hour on in Library. Accessioned. Mr. Blackard brought his copies of Restatement of Agency No. 5 with notes to be used only in Lib. – put in the envelope by Agency Pamp box with cards for signing attached.

2 - 5.30

H. H. Turner

Enjoy afternoon duty very much. Quieter than the A.M. I think. Conference room occupied by Messrs Bernstein + Strauss 2.45 - 5. Room so quiet that I worked on inventory. All Judge Hicks' large collection returned.

Inventory. Helped Mr. Moore hunt case in Federal Rept. Advance Sheets. Helped Mr. Dalstrom look up an involved citation wrongly listed in Tenn. repts. (8 Tenn.) (volume marked "Martin" should be "Martin and Yerger" to correspond with title page and citations (see Hicks)). Changed it accordingly "so other fellows wouldn't make same mistake." Conference room used by Mr. Strauss 2.10 - 3.20. Students report no classes tomorrow as Messrs Witham and Blackard are going to Ed. conf. in Chattanooga. Mr. W. says "a mistake - classes as usual".

Conference room used by Mr. R.L. Moore only about ½ hour. 8 - 8.30. Such a studious company, worked on inventory and dusted. Mr. Blackard says he, Mr. Witham and Mr. Kennerly are going to Chattanooga to hear address by Dean Pound.

Started reading shelves. Did r.r. and libr. office all o.k. Dusted. Inventory. Mr. Strauss in Conf room 9 - 11.10. Few students as only 2 of the faculty in town.

12:20

C. F. Heiskell

As I owed the University a ½ (half) hour on last Tuesday afternoons schedule I came earlier today to make it up. Miss Tedford and Reeves came to accession Am. Dig. sets. Messrs Bernstein and Strauss in Conf. room. Library deserted until after the Curnicus parade then filled to its usual afternoon crowd. Truckman came bringing a note to C. F. H. from Miss Williams to know if there was a volume of L.R.A. called the Green-book. Neither Univ. or Bar Library had ever had such a book and C. F. H. had never heard of such a publication.

7 - 9:30

C. F. Heiskell

Mr. Horace Van Deventer to use Lib. and have C. F. H. help him with a number of cases that had to run down.

Saturday April 30. 1932

H. H. Turner

Left early as 1 hr. was due on this past week's schedule. Building felt damp. Should have had small furnace fire. Finished reading shelves. All o.k. but Ga. 127 - went even more thoroughly in search of it, pulling vols. out + poking about in odd comers in vain hope of running it to Earth. As exam time is coming would suggest shelves being gone over every week.

9 - 12:30

C. F. Heiskell

The usual Saturday letting out book reserves and non-book reserves. Read shelves.

H. H. Turner

Worked on inventory. Finished all assigned by E. L. O. Dusted. Truckman brought checks. Mailed E. L. O.'s to her. Called up Mr. Huddle in regard to books due. He promised to return S.E. 139 but asked to have others renewed. (Later, did so + renewed others.) Quite a large number in library most of the forenoon. Spent nearly an hour helping freshman class search for a 54 New Hampshire case (Chandler vs. Coe) in American rept. + Decisions. As it appears to be of great importance everyone was searching. Too early for Nat'l Reporter. Helped history student with American constitution refs. Miss Walsh called up from Miss Baker's office to know in what publications and at what dates any members of staff had had articles published, Jan - April '32. Mr. Earl Wright came back and was referred to Miss Baker.

1 - 5:30

H. H. Turner

Am still taking back time, in small amounts (see p. 130 [entry for Monday, Feb. 8]). Helped Mr. O'Neal, (alumnus), hunt up treatises on Conflict of laws. He says his class is planning a reunion this year.

[margin] on duty at Farm - week ending Apr 30 - Miss Currell at Lib Ass'n meeting.

Nice to get back home from Farm, but am ungratefully going to run away again. Miss Bergen came to verify some cat. cards for recently accessioned vols. Told her plans ~~Fri + S~~ Thurs + Fri. and asked her to explain to Miss Baker. She will ask Miss B. to let me know if HHT may be let off from Main to come to Law Fri. P.M. No message has come so I presume it is sanctioned. Miss B. said it was o.k. with her. Finished packing the last box of dups for Main Libr. and straightened RR 4b +4 to which "International law" had been moved. Will fix up its inventory tomorrow. Takes forever to readjust wooden shelves resting on screws! May be good for staying qualities, but hard to change!

7 - 9.30

H. H. Turner

Saw Miss Baker at Cafeteria. Said she was very glad to have H. H. T. oblige E. L. O. in any way she could, and Friday afternoon was satisfactory exchange (8 - 11; 1-5:30), so 1 - 5.30 will be my schedule Friday, and 9 - 1 on Thursday (as on a "Farm" week). Large crowd + Mr. Horace Vandeventer. Mr. Moore in Conference room 7 - 9.30.

Wednesday May 4, 1932

8 - 12

C. F. Heiskell

Again I must call attention to the mixing up of the re-statements. As this A.M. Real Property was in place of Agency, Contracts mixed with Conflicts of Law +c. - believe it would be the best not to let the students handle them as they are not careful.

~~10~~ 9.20 - 1

H. H. Turner

Cleaned up as well as I could. Dusted, scrubbed linoleum +c. Tried to make things as tidy as possible. Straightened + dusted sec. 5. Dusted Tenn. (2) display case + current periodicals. Also window sills.

1 - 5:30

E. L. Ogden

I agree with Miss Heiskell that students should not handle the restatements. It was to prevent their doing so that they were put on shelves near desk. Also it is best not to let a student take whole box. They can be used by more readers if one is taken at a time. Took \$10⁰⁰ fine money to Main Libr.

7 - 9:30

C. F. Heiskell

A roomful of students. Mr. Moore in Conf. room 7 - 9:30. Mr. Van Deventer working in Lib.

Explained the rule and fine for over due books to her and she said she would see about the books. Hope she returns them by closing time as she was also told Lib. would not be open after 12:30 P.M. Unless returned today Mr. H. will have quite a fine to pay as he has out 4 volumes. Marked some more L.R.A. Read shelves.

Spent a good part of the A.M. mending Fed. Rept. and Dictionary – the words beginning with "I" must be the stumbling block as it is the pages beginning with this letter that are the ones mended the most. Saw one of the students tear one of the pages and on speaking to him of the rough way in which he was turning the pages he was rather insolent about it until I reminded him I saw him tear the page he said he didn't after which he became subdued in his attitude. Truckman 4:30 P.M.

Worked on Inventory.

1 - 5:30 E. L. Ogden
Verified inventory, copied by H. H. T. Mr. Thomason's office called to ask what books were ~~the~~ due – he out of town + a good many books about. Yesterday did not record that Mr. Witham talked with L. Joroulmon about books borrowed for his use by O. Huddle. He asked facts in case + then said to charge Mr. J. with fines due when he asked renewal – 4 books @ 25¢ for 1 day = \$1.00 (Is that right?) and when he protests (as Mr. W. says he will) send him to Mr. W. He told Mr. J. the books would be renewed till May 16. Sent two cops. Tenn. Law Rev. to Miss Baker, and reserved on[e] for Mr. Wire and another for Miss Kirschner who compiled the list of memorials. Phoned Miss Walsh the last box of duplicates was ready for the Main Libr. Mr. Thomason phoned – said he would try to return some books to night but just got in (5:20) and leaves at 7 A.M. for Sevierville where he will need the rest of the books hoping the case will be finished to morrow but can't tell. Renewed books for 5 days but urged return earlier if possible. Ink station filled.

Concerning Mr. Jourolmon's books: Mr. Witham said as he remembered it, Mr. J. wanted to use them ~~today~~ Monday, so he advised we consider them due today, but wait till tomorrow to notify him and if not returned, let fines date from tomorrow. Miss Baker came to talk schedules. She figured that E. L. O. would begin vacation on May 23, return Je 7 (then Sep 1 - 15), CFH begin May 30 (morning) return night of Je. 13, then Sep. 15 - 30. Some adjustment will have to be made for night service May 30, 31 Je. 1, 9, 10; CFH + ELO suggested some time could be gained by cutting out HHT's overlaps this week and also ELO on Thurs., so that ELO could help out evenings + HHT not have to give up all her Main Lib. hours. We figured on it but nothing conclusive. Decided however ELO will not go to Farm this week. HHT might be prepared for some ~~change in~~ cut out of overlaps this week, however to compensate for extra time next week.

O. off May 26 - Je 8; CFH Je 1 - 15; HHT stay on through Je 15. As to Sept., said Main might be short of help then + if HHT comes back Sep. 15, she could count on her or me for help else where if needed. Univ. cat. not out for 10 days says Mr. W. but think Fall term begins Sep. 26. Truckman came. Mr. W. asked about R Moore's behaviour: I reported it "quite Christian" - greatly improved. Hope this will last. Arranged "reserved requests" under date, then by alphabet - of author. Restatements under "R."

C. F. Heiskell

Mr. John Hudson returned books due on yesterday this A.M. at opening hour, said he'd see Miss Baker as to fine for overdue, did not seem to think he should pay it? Messrs Chas. Moore and Parks in Conf. room 8 - 12.

1 - 5:30

E. L. Ogden

Phoned Miss Baker about sending for box of dups. She said she'd see when they could get the truck. She said also that she wanted to consider very carefully what to say in the Jourolmon matter + may not have time to get her letter off before she goes out of town to-night for a week. In the meantime she suggests that if any other case comes up to say that we are only carrying out the rules "as stated in the contract signed by members." Phoned various firms about 127 Ga., picking out the ones who had been borrowing or visiting the Lib. in Feb. or before, as far as I could tell. As to Mr. Styles fine, I do not see how it could be calculated on any other basis. If he wants to take it up with Main Lib. I will abide by their decision. Facts are: Ref. book borrowed for Moot Court, which closes about 4. Allowing until 5 to bring it back, charging 25¢ for the first hour, and 5¢ an hour thereafter until its return at 12, noon on Thurs. May 19; making it .90 + .25 = \$1.15. Worked some on location marks but leave much unfinished. Hope it will not make trouble until I get at it again next week. Did not finish stating Miss Baker's remarks about Jourolomon - Said to be as calm as we can, as it is irritating (to her also) - that what she does now will decide things + that is why she wants to be extra careful.

7 - 9:30

C. F. Heiskell

Trust there will not be any more irritating occurrences like the Huddle-Jourolmon affair to come to us Law Library folks. At 9 P.M. Mr. Wm. Wilson came in with Mechems Outlines of Agency, the missing one, said he went into Locker-room and it was lying on window sill. The card has been taken from it as you can see. Glad tho it had turned up, some of the student said Mr. Witham had given quite a strong talk about its being taken, so guilty party must have thought it wise to return. Books accounted for - 9:30 P.M.

Mr. Witham came in to speak of Mr. J. Hudson calling him up as to the books he, Mr. H., kept out over time. Mr. Witham said that under the circumstances he told him he'd take care of it - but he also said that we do right to make them understand we have nothing to do with remitting fine and only carry out the rules or directions given us and that any let up of fines or rules must come from the Head of Depts. and that it is with them it must be taken up with, to be sure to impress this strongly on the offender's mind. Said I did right as to my attitude and ruling in this case but for this time we'd let it pass. Read shelves.

Wm. Wilson Conf room 8 - 12. Mr. Dwight sent down to Law College a copy of "High on Receivers," asked for by Mr. Witham and bought by Miss Baker at Mr. W. request. When it was opened it was found to be the old edition of 1876 and of which the Univ. Law Library has a copy and also the 1894 Ed. and the Bar Library had the 1910 Ed. C. F. H. called Mr. Witham's attention to this and he said he ordered, or thought he said, the 1910 Ed. as two copies would be needed for Summer School. Said to call up Main Lib. and say it was the 1910 Ed. he wanted. After calling up Miss Williams she hunted up his, Mr. W., letter of May 4th asking Miss Baker to order High on Receivers from Mr. Dwight who had a copy much cheaper than could be gotten from Catalogue (and no wonder being such an out of date volume). Mr. Witham did not state in his letter which edition he wanted, thus the error. After Mr. W. saw his copy of letter to Miss Baker he said it was his mistake and we'd keep this edition and to send it to Main for accessioning. So now we'll possess 2 vols. of 1876 - Hight (?) [sic] and only one of 1910. All books accounted for at 1 P.M. Worked on St. Repts. lists.

E. L. O. - it is no need to look to finding 127 Ga. among the called up Bar members none have it so they report. Some casually reminded me they had never been in or used the Library since it was moved to Law College 4 years ago (?) Messrs Fitzgerald and Whittle Conf. room 8:15. Called up Mr. Ambrose as to book taken out by him for T.G. McConnell. Spoke to Joe Dalston last evening, when he wanted to take out a book, of the fine he owed, and did not let him take out his wanted book. Said he would pay when he got a cheque cashed. So look out - Think he said Miss Turner was at desk when he brought them in but C. F. H. charged the fine. Worked on St. Repts. inventory. Have asked Mr. Harton, the Law Rev. Secretary to leave any correspondence in regard to current Law Rev's he may have between this and the time of his leaving with whoever is on duty at desk so I can have it for looking over and reference when I return to work. Truckman came bringing back 11 vols. of Tenn Repts that came from bindery, see checked list. Also salary cheques, mailed E. L. O. to her which reminds me Lib is out of stamps. [margin, H. H. Turner handwriting:] she looked in wrong env. All unfinished work that is my province will be taken up and finished on my return two weeks hence. All vols. in sec. 4 + 5 accounted for at 12:50. Telephone call from Leslie Bass as to how he could get a book urgently needed for a case at 9 A.M. tomorrow. Had tried to get Mr. Witham but couldn't. Wanted to know if Mr. McClure could be given permission to open the Library + let him get it. I said no - I would come myself. For sake of precedent did not think such permission would be wise. He protested at making me so much trouble but I insisted on coming anyway - ELO.

Pasted book plates. Various summer school students appeared, and about 25 reported. Mr. Wicker made his first appearance and seems glad to be back. Enquired for the other librarians. Nice to be back on me job after my much needed rest - also to find Library friends welcome. Certainly appreciate the kindness of E. L. O. and H. H. T. in taking my time, the 10:30 hours (ten hours and a half) I was away from Library. Called up Miss Baker as soon as I could get in touch with her after several attempts and told her I could come back on yesterday but she thought, for some reason 'twas better to wait until this A.M. before returning for duty. Glad to read that 127 Ga. has returned to fold - like H. H. T. - think it must have been slipped in as we both gave such a diligent looking for it. Looked over shelf arrangement. Made some new cards for Re-Statements. Answered phone and question and assistance many times. 11 in Lib. 7 of these old students.

C. F. Heiskell

See Mr. Overton is back(?) Miss Baker called up to know if the Jourolmon and Huddle fine had been paid? Told her there was no record of it having been paid and felt sure it hadn't and also the charge-slip for Pamphlet on "Group Insurance" showed it had not been returned. She told C. F. H. to write her a statement of this pamphlet, its author, or by whom written, date of meeting, under what Association, and where. This information to be mailed her - not phoned, at once. C. F. H. got together all available information she could find on this Pamphlet and have mailed it to her along with fines to date. 12 using Lib. - some of these Grad. Students preparing for Bar Exams. Mr. Henry Hudson also using Library. Mr. Montgomery sent up book for students to use in Lib. Library has a copy also.

1:15 - 5

E. L. Ogden

According to Miss Baker's message through H H Turner (see this book June 17, 7 - 9:30) have calculated as follows, on the basis of hours stated in Miss Baker's memo. of June 15:

HHT substituted for C. F. H.

June 16,	8-12:15	1:15 - 5	4 1/4	hrs.	3 3/4
[June] 17,	8 - 12:15,	7-9:30	4 1/4		
[June 17,]	7 - 9:30			2 1/2	
Corrected total				11 hrs.	10 1/2 hrs.
To be credited to H. H. T.					
June Fri. Sep. 16	9 - 12,1:30 - 4		5 1/2	hrs.	
Sat [Sep.] 17			9 - 12		3 [hrs.]
Mon [Sep.] 19			9 - 12		3 [hrs.]
				11 1/2	hrs.

This calls for Miss Turner to come back at ~~noon~~ 1:30 Monday Sept. 19, Miss Heiskell going off duty on the same date at 12 noon. Gives H. H. T. an extra 1/2 hour. I hope this arithmetic is correct and on the basis to meet Miss Baker's instructions. C. F. H. on page 251 [Saturday June 18] counted the time as 10 1/2 hrs. but I do not see where my error comes in adding it up to 11. Am writing note to Miss Baker to the above effect. Also asked if binding would be sent soon after July 1 as usual. Did odds + ends. A little mending. 12 users. P.S. CFH's count O.K.

Did not count users - not as many as usual. Mended (6 v. finished). Transferred supplies from vertical file to shelf in Lib. Office under Libr. daily record books + put in their place some of the contents of the two upper drawers and material awaiting attention on bottom shelf near desk. When finally cleared of this, will use this shelf for vols. lent by faculty + others for students use + for continued growth of Restatements. Miss Long came to get folder of lists of books offered for advts in Tenn. Law Rev. Also borrowed shears. Noted C. F. H.'s correction of calculated leave. She is quite right - I overlooked the fact of E. L. O. + HHT exchanging on Thurs. morning + afternoon hours. By Miss Baker's memo. of June 15, that HHT is to be given benefit of extra time rather than split a morning or afternoon period, the time of HHT's return would still be Sep. 19 at 1:30. Miss Baker's note sounds as though she thought C. F. H. has had shorter hours up to time of her vacation, which isn't the case. She must have had in mind the summer schedule which as now arranged calls for fewer hours in summer than in winter. Have corrected the note which is waiting to be sent to Miss Baker.

Miss Baker called up to say to us Law Librarians that the use of Law Library and its books was suspended to the Jourolmon and Huddle firm until fine of \$15.25 was paid, said she was writing them a letter today to that effect and for us to watch closely and if anything should come up not to hesitate to let her know. Think this is the gist of her phone message. 14 using library 4 of these Grad. students studying for Bar Exams.

Mended (2v.); put new location marks on cards. Sent Miss Baker a note that Sutherland on Statutory construction had been borrowed from H. Should have noted this A.M. that Miss Williams phoned to ask price of Agency restatement 5 which someone had phoned about from Law College. Hope that means it will be purchased.

Find on Calendar pad a charge of 72 N.J. Eq. to Gen. C. T. Cates but find no charge slip record. Later on having to go in stacks where N.J. Repts are found 72 had been returned - wouldn't it be well[?] to mark off calendar pad record when books are returned? Mr. Witham also returned 142 Tenn. of which there was no record and C. F. H. had missed on last evening when putting up books. Finished putting book plates in Am. St. Repts. They are, the "Trinity Set," ready for accession nos. Joyful news! State Bar Exam to be held this year in Knoxville High School Bldg - 9 A.M. June 29. Truckman. Mr. McClure at E. L. O.'s suggestion asked for U.T. electrician's services in taking squeak out of fan. Miss Baker called to ask again for statement of what was said - or rather was written statement given Jourlmon + Huddle messenger when books were returned. Read her HHT's statement, morning May 26 (p. 288 this book). Miss Baker also asked for memo of present Law Libr. schedule. Said I would send it to her. Miss Long showed letter asking if Title page to recent Tenn. Law Rev. would be pub., as index is in last no. - it seems the t.p. was forgotten. I suggested that it would be desirable to state that this would be included in the next issue if she thought it would be safe to commit herself. Mr. Farrar wanted to borrow Code for overnight. Had to tell him his borrowing privileges ceased upon graduation. Miss Walsh called saying binding would be sent soon after July - + Miss Baker said get ready all we can spare. Mended 4 v.

Talking with Miss Franklin Sat. learned there is a new price list for N.L.B. books virtually the same as Ruzicka's prices – made copy of it for Law Lib. Main Lib. is having "rebinds" of books done in "durostyle." Miss Mary Helen Clemens says they no longer use "vegetable glue" for mending but another glue. Will get a small bottle filled sometime when I go. She showed materials for mending + attaching loose covers + gave me a package of margin strips, one of gummed cloth + several feet of double stitched ~~books~~ cloth for attaching loose backs. I had already found "Vegetable glue" less effective than Le "Pages" though of better odor. Worked on binding. Began to make up a list of exchanges for Tenn. Law Rev. with subscription values, which Mr. Witham wanted this P.M. but fortunately Mr. Harton happened in + gave him a list before I had wasted much time. Mr. Henry Hudson + Neal Spar stayed a long time. Mr. H. wants Law Lib. to buy his set of Interstate Commerce Com'n Reports complete up to ~~with~~ the last two or three vols. Mr. Witham much pleased with the satisfaction of the Bar Ass'n with Tenn. Law Review. He says exchanges received up to July 1, 1931 are to be regarded as gifts. E. L. Ogden

Counted up book and circulation statistics to date, also fines. Haven't finished ink money record yet. Clipped the statements in this book + circulation statistics book to hold for completion + report to morrow.

Wednesday June 29, 1932

8 - 12:15

[C. F. Heiskell]

Mr. Warner took Mr. Blackard's copy of no. 5 of Agency out of Lib. as we had gotten another for our files – said if needed he'd bring back. Made new boxes of these Agency Re-Statements and divided as having so many in one box caused them to get torn. Mr. White using Lib. this A.M. Being out of bindery slip – went back to St. Rept. numbering. Some wanting to know if Library and School work would be closed on Monday July 1st? Miss Long brought up for files the Cumulative[?] no. of Tenn. Law Rev. v. 10, no. 4. 10 in Library.

1:15 - 5

E. L. Ogden

Finished making up statements for Miss Baker to date. Looked over all students texts for possible rebinds, also all the most used reference texts and all N.Y. reports. Can't label them yet but they can be collated + pages mended. The binder is charging extra for that. Transferred House + Sen. Journals, Tenn., from RR-2 to NW stack-1 + put Bar copies with them. P#

7 - 9:30

C. F. Heiskell

Went over the N.Y. Rept that I've checked on list for defects in paging and torn places, only found a few pages necessary for mending the paging is quite good but the backs bad – hope some of the Mass. can be sent also. 3 using Library. A Miss Ruth Stephens, Instructor from Hill came wanting Cardozo's book "The Nature of Judicial Process". Said she would be there with it before the 2 weeks were up.

Thursday June 30 1932

8 - 12:15

E. L. Ogden

Got Mr. McClure to go to Main Lib for bindery slips + proceeded with N.Y. reports. Did collate them after all. Miss Baker phoned. Wants all cash we can spare (keep some for change) turned in tomorrow. I will take it when I go at 5⁰⁰ or get Mr. McClure to. We can't get our record book + turn in receipt this time. Miss Williams will have to order one. Have torn out a sheet as a sample. Mr. Witham approves following style of Minn. Reports recently rebound for all rebinds of state reports. "Lawyer's list 1931" and Amer. + Canadian Insurance Counsel 1931 gift from W.T. Kennerly. Sent to Main for cataloging. Truckman came. See notice about leaves. Ten in Lib but few at a time. One or none at times.

1:15 - 6

C. F. Heiskell

Looked over some more of N.Y. Rept. also did some bindery slips and helped students. 6 in Library.

7 - 9:30

E. L. Ogden

Continued binding. Mr. McClure had a phone message his baby was worse. He was out at the time + when he came back stayed till regular closing. Said the child was better when he left home after supper.

Circulation – For monthly statements see book of circulation statistics. Total for yr – 1454 including 238 to lawyers.

[C. F. Heiskell] Statement as to wastepaper - Last fall C. F. H. called up the two persons that had been handling wastepaper, D.W. Hughes and Knoxville Junk Co. Found the Hughes Co. was out of this business and they informed me to this other party who on being called up said, they would if wished for, come and get paper +c to get it out of our way but would not pay anything for it - but, if, we sent it to them they would pay a small sum of 10^{cts} a hundred - I think it was.
