Dr. Boyer is a graduate of Vanderbilt University (B.A. in History); the University of Virginia (J.D.); and St. Leonard's College of St. Andrew's (Scotland) University (Ph.D. in English). He taught Legal Research and Writing at Columbia University School of Law and is currently teaching Contracts and Agency and Partnership at the University of Oklahoma College of Law. MCGINLEY ON LEAVE!

As he looks forward to the relaxed teaching atmosphere which exists in Australia, Prof. McGinley will be a Visiting Professor at the University of Adelaide during the 1986-87 academic year. He reports the Dean even teaches in shorts and sandals "down under." His law review article, "The Achille Lauro Affair", was published in the current issue of the Tennessee Law Review (Summer 1985). It's his parting gift to us. Have fun, mate!

THE BONN CONNECTION

To lay a foundation for what we hope will be a great opportunity for our students and faculty, Dean Penegar and four other faculty members will be going to Bonn, West Germany in June. They will deliver papers and exchange ideas with the faculty and students of the University of Bonn over a two-week period, June 16-27.

The planning for this program has been underway for two years. It is referred to as "a bilateral exchange of experience in environmental matters between lawyers and political scientists". Our own Professors Cohen, Phillips, Rivkin, and Wirtz will be going, along with five professors from the Political Science department. Early in 1987, representatives from Bonn will come to Knoxville for a similar exchange. Brush up on your German!

HONOR CODE APPROVED

The State Attorney General's office recently approved the College of Law's Code of Academic Conduct. The code is effective as of July 14, 1986. Until that time, any matters of academic misconduct will continue to be handled under the procedures set forth in Hilltopics.

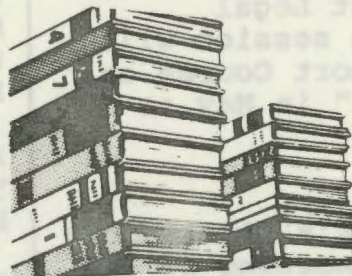

The Library

A STIR IN THE STACKS CAUSES DESPAIR AMONG THE STUDIOUS

"Anythin' for a quiet life, as the man said wen he took the sitivation at the lighthouse."
- Charles Dickens

So that the more studious among us are not compelled to seek out a lighthouse for quiet and solitude, PLEASE BE QUIET IN THE LIBRARY!

Commotion is contagious, but so is quiet. Your considerate manner will equally encourage your colleagues and our fellow scholars on The Hill to be quiet. If you do encounter some rude invasions upon your solitude, let a library staff member know about it.

Legal trac, a laser disk based index for searching for articles in periodicals, is available for use in the Law Library. A member of the reference staff will be glad to assist you in its use. It's here for a 2 month trial so give us your thoughts on Legal trac.

Career Services

Get Ready for Fall Interviews! Nine short days after classes for 1986-87 begin on August 27, the fall on-campus interviewing season begins in Career Services. Already three firms have scheduled for opening day, Friday, September 5, and 24 more for later dates. Reservations continue with approximately 80 recruiters expected on campus by closing day, November 26.

Students in the classes of 1987 and 1988 planning to seek a summer clerkship or associate position by interviewing in Career Services during the fall should return to campus prepared with resumes updated to include activities from the spring and summer.

Clothes Can Make A Difference! For students who haven't interviewed before, the summer months are a good time to plan one or two professional-looking interview outfits. Medium to dark neutral colors in conservative styles remain the best choice in suits for both males and females.

Meet Me In Atlanta! Besides on-campus interviewing and resume-forwarding opportunities, the Southeastern Law Placement Consortium on October 10-11, and the Public Interest Job Fair on November 8-9, both to be held in Atlanta, will be open to Tennessee students.

Look Us Up This Fall!

Career Services seminars on interview skills and different practice specialties will be scheduled soon after students return. 1986 GRADUATES: Please complete an Employment and Salary Survey form before you graduate. You can do so at the sign-up table for the Crossley Bar Review course on Friday, May 2, or anytime in the Student Records Office or the Office of Career Services. Your participation is vital in helping the Career Services staff plan future recruiting efforts and keeping alumni/ae abreast of salary trends in and around Tennessee - trends important to employers and employees alike. The UT

statistics also become a part of the National Association of Law Placement survey which reports national employment trends in the legal field. For participants who request it, a copy of the final report will be mailed November 1st.

Another service to be produced from this information will be a UNIVERSITY OF TENNESSEE COLLEGE OF LAW CLASS OF 1986 DIRECTORY. Congratulations!

PERSONAL USE OF UNIVERSITY EQUIPMENT BY STUDENTS PROHIBITED

University regulations prohibit the use of University equipment for personal tasks, i.e., term papers and briefs. Students are not to use computers and printers in administrative offices for personal tasks, except for designated equipment in the Career Services office for placement purposes, in the Legal Clinic where confidentiality is required, or for computer classes.

We wish we had enough equipment for every student to use in their studies, but quite obviously we lack sufficient resources. Eventually, we hope to be able to make more computer equipment available in the library. Until then, please help us observe University regulations. Thank you!
