### **Rule 26. Duty to Disclose; General Provisions Governing Discovery**

Advisory Committee's Notes, 1993 Amendment

....

Subparagraph (B) requires the party to indicate which of these potential witnesses will be presented by deposition at trial. A party expecting to use at trial a deposition not recorded by stenographic means is required by revised Rule 32 to provide the court with a transcript of the pertinent portions of such depositions. This rule requires that copies of the transcript of a nonstenographic deposition be provided to other parties in advance of trial for verification, an obvious concern since counsel often utilize their own personnel to prepare transcripts from audio or video tapes. By order or local rule, the court may require that parties designate the particular portions of stenographic depositions to be used at trial.
