1 forever. Because that's when this accident happened. It  
2 wasn't the 14th.

3 Mr. Woodfin didn't tell you that when we file our  
4 lawsuit in a rear-end collision that he files an answer denying  
5 that it's his fault even though this man was following too  
6 closely, too fast on a rain-slickened road. And they still  
7 have put this man through total hell for the last two years --  
8 this Corporation.

9 Now, Michael asked me to help him in this case  
10 because I've tried a few cases. And I find that it's my job to  
11 help my clients if I can. I talk to a lot of people about  
12 representing them, and I don't take many cases of the people I  
13 talk to.

14 And if I can help someone, and I honestly believe  
15 or know that they're hurt, I'm going to help them. I'm going  
16 to do everything I can.

17 I've lost some cases I should have won. I've won  
18 some cases I should have lost. But whenever I saw the reports  
19 on Tom Neely...

20 And Mr. Woodfin didn't mention a word about those  
21 two MRIs that showed two protruding disks in his neck and a  
22 bulging disk in his neck, and four disks in his back that were  
23 bulging. He's didn't say a word about it. Not a word. Not  
24 one word. He's trying to defend this case, a rear-end  
25 collision. And this is a case...
