BANKRUPTCY SCHEDULES AND SOFA: GENERAL NOTES SECTION

NOTES PERTAINING TO DEBTOR

On May 24, 2010 (the “Commencement Date”), Texas Rangers Baseball Partners (“TRBP” or the “Debtor”) filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Northern District of Texas (the “Bankruptcy Court”). The Debtor continues to operate its business and manage its properties as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On May 26, 2010, the Bankruptcy Court entered the Order Pursuant to Bankruptcy Rules 1007 and 2002(d) Extending the Time to File Schedule of Assets and Liabilities, Schedule of Executory Contracts and Unexpired Leases, List of Equity Security Holders, Schedule of Current Income and Expenditures and Statement of Financial Affairs [Docket No. 45] extending the time period to file the Schedules and SOFA (as defined below) to June 28, 2010.

The Debtor prepared the schedule of assets and liabilities and the schedule of executory contracts and unexpired leases (collectively, the “Schedules”) and the statement of financial affairs (the “SOFA” and together with the Schedules, the “Schedules and SOFA”) pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The Schedules and SOFA are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), and they are not intended to be fully reconciled to the Debtor’s financial statements.

Although the Debtor's management has made every reasonable effort to ensure that the Schedules and SOFA are accurate and complete based on information that was available to it at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and SOFA, and inadvertent errors or omissions may have occurred. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and SOFA. In addition, while the Debtor has generated financial data the Debtor believes to be reasonable, actual assets and liabilities may deviate from the Schedules and SOFA due to certain events that occur throughout the duration of this chapter 11 case. Accordingly, the Schedules and SOFA remain subject to further review and verification by the Debtor. These general notes regarding the Debtor's Schedules and SOFA (the "General Notes") are incorporated in, and comprise an integral part of, the Schedules and SOFA filed by the Debtor and should be referenced in connection with any review of the Schedules and SOFA. Nothing contained in the Schedules and SOFA shall constitute a waiver of any rights or claims of the Debtor against any third party with respect to any aspect of this chapter 11 case.

1. **Amendments.** The Debtor reserves the right to amend and/or supplement the Schedules and SOFA as necessary and/or appropriate.
2. **"As of" Information Date.** Unless otherwise stated, liability information is as of the Commencement Date.
3. **Specific Notes.** These General Notes are in addition to the specific notes set forth in the individual Schedules and SOFA. Disclosure of information in one Schedule, SOFA, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

4. **Totals.** All totals that are included in the Schedules represent totals of the liquidated amounts for the individual schedule for which they are listed.

5. **Asset Presentation.** Each asset and certain liabilities of the Debtor is shown on the basis of the book value of the asset or liability in the Debtor's non-audited accounting books and records and not on the basis of current market values of such interest in property and/or liabilities. Attempts to obtain current market valuations of all assets would be cost prohibitive, unduly burdensome, and an inefficient use of estate assets. Accordingly, the Debtor has not attempted to do so in connection with the preparation of the Schedules and SOFA. Amounts ultimately realized may vary from the book value (or whatever value was ascribed) and such variance may be material.

6. **Liabilities.** Pursuant to orders of the Bankruptcy Court, the Debtor has been granted authority to pay, in its own discretion, certain prepetition obligations to certain employees, taxing authorities, lienholders, priority claimants, vendors, and customers. Accordingly, to the extent that these liabilities have been satisfied or are expected to be satisfied prior to the effective date of a chapter 11 plan, such liabilities may not be listed in the Schedules and SOFA. Further, in the instances where, postpetition, the Debtor has paid or is expecting to pay a prepetition liability in amounts that do not fully satisfy the prepetition liability, the indebtedness reflected in the Schedules constitutes the prepetition amount outstanding after any such postpetition payment.

In addition, as further discussed below, in the case of the claims of certain lienholders and certain taxing authorities, the Debtor's investigation regarding the validity of such claims is ongoing, and certain claims for which the Debtor may ultimately determine it has no liability have been scheduled as "contingent" claims.

7. **Intercompany Transactions.** In the ordinary course of business, certain transactions were recorded between the Debtor and affiliated business entities. Although recorded as payables and receivables, these transactions are more akin to capital or equity infusions. These transactions were recorded in balancing accounts, which are routinely eliminated in preparation of consolidated financial statements, and were historically treated in such manner by TRBP and its affiliates in audited financial statements prepared prepetition. These transactions include allocations of overhead and similar expenses. These types of intercompany accounts do not represent actual assets or liabilities and are therefore excluded from the Schedules and SOFA.

8. **Property and Equipment - Owned.** Owned property and equipment are listed at net book value, including any depreciation (in accordance with GAAP) as recorded in the Debtor's books and records. Nothing in the Schedules and SOFA (including, without limitation, the failure to list leased property or equipment as owned property or equipment) is or shall be construed as an admission as to the determination of legal status of any lease (including whether any lease is a true lease or financing arrangement), and the Debtor reserves all of its rights with respect to such issues.

9. **Property and Equipment – Leased.** In the ordinary course of business, the Debtor leases equipment from certain third-party lessors for use in the daily operation of its business. Any such leases are set forth in the Schedules and SOFA. Nothing in the Schedules and SOFA is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to any such issues. The property subject to any such leases is not

reflected on Schedule B as either owned by or an asset of the Debtor. Such property is also not reflected in the SOFA as assets of third-parties within the control of the Debtor.

10. **Leases.** The Debtor has not included in the Schedules and SOFA the future obligations under any capital or operating leases.

11. **Interest in Subsidiaries and Affiliates.** TRBP directly owns 100% of Rangers Ballpark LLC, a Texas limited liability company ("Rangers Ballpark"). In addition, TRBP has interests in two Delaware statutory trusts, the Rangers Club Trust (directly) and Major League Baseball Trust (indirectly). TRBP's Schedule B.13 and B.14 contains an organizational chart and the percentage ownership of the subsidiaries and affiliates. While the Debtor believes certain entities, such as Rangers Ballpark, have minimal value, the precise value of interests in the Debtor's subsidiaries and affiliates is dependent upon numerous variables and factors. Given the complexity of these variables, the Debtor has not scheduled values for such interests.

12. **Excluded Assets and Liabilities.** The Debtor has excluded certain categories of assets and liabilities from the Schedules and SOFA, including the value of intercompany equity with respect to the Debtor's ownership interest in its direct and indirect subsidiaries, de minimis deposits, and certain accrued liabilities including, without limitation, accrued salaries, employee benefits and tax accruals. Additionally, certain deferred charges, accounts, or reserves recorded for GAAP reporting purposes only and assets with a net book value of zero are not included in the Debtor's Schedules.

13. **Estimates.** To close the books and records of the Debtor, the Debtor was required to make certain estimates and assumptions that affect the reported amounts of its assets, liabilities, revenue, and expenses. Accordingly, in some instances, as noted in the Schedules and

SOFA, the Debtor has used estimated amounts where actual data as of the Commencement Date was not available.

14. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

15. **Insiders.** The Debtor has attempted to include all payments made during the one-year period preceding the Commencement Date to any entity or individual deemed an “insider.” For this purpose, “insider” is defined as a general partner of the Debtor, an affiliate of the Debtor, an individual serving as an officer of the Debtor, or an affiliate thereof within the one-year period prior to the Commencement Date. The listing of a party as an insider is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims and defenses are hereby expressly reserved.

16. **Causes of Action.** The Debtor, despite reasonable efforts, may not have identified and/or set forth all of its causes of action (filed or potential) against third parties as assets in its Schedules and SOFA. The Debtor reserves all of its rights with respect to any causes of action it may have, and neither these General Notes nor the Schedules and SOFA (or anything contained therein) shall be deemed a waiver of any such causes of action.

17. **Schedule B.** Personal property assets are listed at net book value, per the Debtor’s books and records as of the Commencement Date. However, these are subject to further review and reconciliation, including, but not limited to, certain bank account detail listed in Schedule B-2.

The Debtor owns the Texas Rangers franchise, a Major League Baseball club. Exclusion of the value of the franchise and related intellectual property, goodwill, and other general intangibles shall not be construed as an admission or determination that such franchise and other

intangible assets have no value. Rather, as such assets do not have a liquid, readily determined value independent of the Debtor's other assets, the Debtor has not sought to attribute a liquidated value to such assets in preparation of Schedule B.

Furthermore, exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

The Debtor has not set forth executory contracts as assets on Schedule B. The Debtor's executory contracts are set forth in Schedule G.

18. **Schedule D.** Secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. The descriptions provided in Schedule D are intended only to be a summary.

Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Nothing in the General Notes or the Schedules and SOFA shall be deemed a modification or interpretation of the terms of such agreements.

The Debtor has received authority to pay certain valid lien claims. The Debtor's investigation into its various lien liabilities is ongoing, and certain claims for which the Debtor may ultimately determine they have no liability have been scheduled as "contingent" claims. The inclusion on Schedule D of creditors that have asserted liens is not intended to be an acknowledgement of the validity, extent, or priority of any such liens, and the Debtor reserves its right to challenge such liens and the underlying claims on any ground whatsoever.

Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. The Debtor has not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtor, or inchoate statutory lien rights.

19. **Schedule E.** It should be noted that the Debtor has received authority to pay certain valid prepetition tax liabilities. The Debtor's investigation into its various tax liabilities is ongoing and, as a result, and certain claims for which the Debtor may ultimately determine it has no liability have been scheduled as "contingent" claims. The inclusion on Schedule E of such tax claims is not intended to be an acknowledgement of the validity, or priority of any such claim, and the Debtor reserves its right to challenge such claims on any ground whatsoever.

20. **Schedule F.** The liabilities identified in Schedule F are derived from the Debtor's books and records, which may or may not, in fact, be completely accurate, but they represent a reasonable attempt by the Debtor to set forth its unsecured obligations. Accordingly, the actual amount of claims against the Debtor may vary from the represented liabilities. Parties in interest should consult their own professionals and/or advisors with respect to pursuing a claim.

The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which each claim listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtor has not listed a date for each claim listed on Schedule F. Further, any open accounts payable amounts listed in Schedule F relate only to approved invoices and do not take into account any accrued or uninvoiced liabilities.

21. **Schedule G**. While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary; including the right to assert contracts, agreements, or leases are not executory contracts under section 365 of the Bankruptcy Code. Further, any and all of the Debtor's rights, claims and causes of action with respect to the contracts, agreements and leases listed on Schedule G are hereby reserved and preserved.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, letters, and other documents, instruments, and agreements which may not be listed therein. Certain of the contracts, agreements, and leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and

other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth in Schedule G. Additionally, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as easements, rights of way, indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents might not be set forth in Schedule G. Each entry in Schedule G represents a separate executory contract or unexpired lease. However, in some instances, the Debtor may have entered into multiple related contracts with a counterparty, which results in multiple related entries in a particular Schedule G.

In addition, a number of contracts listed in the Schedules and SOFA are umbrella or master agreements that cover relationships with the Debtor and other non-Debtor entities. Where relevant, such agreements have been listed in the Schedules and SOFA. There also may be instances where the Debtor is not a party to the contract but has been the primary entity conducting business in connection with these contracts. Moreover, in some cases it may have been impractical or impossible to determine if the Debtor assumed the obligations of a contract entered into by a former legal entity or other non-Debtor entity.

Omission of a contract, agreement or lease from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such contracts or agreements are not impaired by the omission.

22. **Schedule H.** In the ordinary course of its business, the Debtor has guaranteed certain obligations and liabilities, however, the transactions and guaranties are too voluminous to list separately. In some instances, the transactions and guaranties are reflected elsewhere in the Schedules and Statements. The Debtor may not have identified certain guaranties that are

embedded in the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Further, certain of the guaranties reflected on Schedule H may have expired or may no longer be enforceable. The Debtor reserves its rights to amend Schedule H to the extent that additional guaranties are identified or such guaranties are discovered to have expired or become unenforceable.

The Debtor is involved in pending and/or threatened litigation and claims arising out of the conduct of its business as set forth on Schedule F-2. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because of the volume of such claims and because they are all contingent, unliquidated and disputed, they have not been set forth individually on Schedule H.

23. **SOFAs 3b and 4b.** In the ordinary course of business, the Debtor may be obligated to withhold amounts from the paychecks of various regular employees in connection with garnishment orders or other state law withholding orders. The Debtor believes that these amounts do not constitute property of the estate and, accordingly, are not responsive to these questions. Moreover, out of concern for the confidentiality of the Debtor's employees, the Debtor has not listed any such garnishments in response to these questions.

24. **SOFA 9.** The Debtor has listed all payments made within one year preceding the Commencement Date to bankruptcy professionals and public relations advisors retained pursuant to orders entered (or expected to be entered) by the Bankruptcy Court in SOFA 9. The Debtor has not verified that all such payments relate to debt consolidation, relief under the bankruptcy law, or preparation of a petition in bankruptcy.

25. **Reservation of Rights and Exculpation.** Nothing contained in the Schedules shall constitute a waiver of the Debtor's rights or an admission with respect to the chapter 11

case and, specifically, with respect to any issues involving equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers. The Debtor and its agents, attorneys, and advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtor or its agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, and advisors are advised of the possibility of such damages.
