Get ready to be re-deployed for the sequel to the critically acclaimed and multi award-winning Company of Heroes. It is 1941 and the beginning of what will become the most brutal conflict of World War II, as Germany launches a full-scale invasion of the frozen tundra of the Soviet Union which would result in over 14 million military casualties. Take command of the iconic Soviet Red Army in brutal frontline warfare to free Mother Russia from the invading Nazis. Your strategic skills and tactical expertise hold the power to tip the very balance of this conflict. Engage in visceral tactical combat that will define you as a military leader and challenge you to wield the might of the Soviet Empire as you smash your way to Berlin.
