8. As soon as practicable after the conclusion of the Auction, the Debtors will file with the Court and post on the Debtors' restructuring website ([www.kccllc.net/thq](http://www.kccllc.net/thq)) a notice identifying the Successful Bidder (or Successful Bidders) and stating which Contracts will be assumed and assigned (the "Assumption Notice").

10. Any request for adequate assurance information regarding the Successful Bidder (or Successful Bidders) (a "Request for Adequate Assurance") must include an email address, postal address and/or facsimile number to which a response to such request will be sent. Upon receiving a Request for Adequate Assurance, the Debtors shall promptly provide such party with any non-confidential information reasonably related to adequate assurance by email, facsimile or overnight delivery.

11. Failure of any entity to timely file or raise any objection as set forth herein shall be deemed to constitute consent to the sale of the Acquired Assets to the Stalking Horse Bidder or any other Successful Bidder and other relief requested in the Sale Motion, and be a bar to any objection to the Sale Motion, the sale of the Acquired Assets, assumption and assignment of the applicable Contracts and acceptance of the Proposed Cure Amount, or the Debtors' consummation and performance of the terms of the asset purchase agreement entered into with the Stalking Horse Bidder or any other Successful Bidder (or Successful Bidders), if authorized by the Court.

**Footnotes**

- (1) The above cure amounts are as of January 10th and will be reduced by amounts subsequently paid
- (2) The contracts with a "Yes" in the "Combined?" column indicate that these contracts have similar names and that the cure amount has been allocated to only 1 entity instead of to all entities.
- (3) The contracts with a number greater than 1 in the ">1 Name?" column indicate that a contract with the same name has been allocated the same cure amount across multiple contracts. The cure amount is the amount listed for only 1 contract, not for all contracts. Therefore, the total for an entity with the same name should NOT be totaled.
