**SEVENTEENTH OMNIBUS OBJECTION OF THE TRUSTEE OF
THE INSYS LIQUIDATION TRUST TO CLAIMS (NON-SUBSTANTIVE)
(Amended and Superseded)**

William Henrich, in his capacity as liquidating trustee (the “Trustee”) of the Insys Liquidation Trust (the “Liquidation Trust”), as successor in interest to the above-captioned debtors and debtors in possession (collectively, the “Debtors”), hereby files this seventeenth omnibus objection to claims (the “Objection”), pursuant to §§ 105(a) and 502 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 3007(d) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 3007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), seeking entry of an order, substantially in the form attached hereto as **Exhibit A** (the

¹ The Liquidating Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification number, are: Insys Therapeutics, Inc. (7886); IC Operations, LLC (9659), Insys Development Company, Inc. (3020); Insys Manufacturing, LLC (0789); Insys Pharma, Inc. (9410); IPSC, LLC (6577); and IPT 355, LLC (0155).

“Proposed Order”), disallowing and expunging in full the amended and superseded claims listed on **Exhibit 1** attached to the Proposed Order (the “Amended and Superseded Claims”). In support of this Objection, the Trustee submits the *Declaration of Edward A. Phillips Pursuant to 28 U.S.C. § 1746 and Local Rule 3007-1 in Support of the Seventeenth Omnibus Objection of the Liquidating Trustee of the Insys Liquidation Trust to Claims (Non-Substantive)* (the “Phillips Declaration”) attached hereto as **Exhibit B**. In further support of this Objection, the Trustee respectfully represents as follows:

BACKGROUND

1. On June 10, 2019 (the “Petition Date”), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”).
2. On June 11, 2019, this Court entered an order authorizing and approving the retention of Epiq Corporate Restructuring, LLC as claims and noticing agent in these Chapter 11 Cases (the “Agent”) [Docket No. 48].
3. On June 20, 2019, the Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed an official committee of unsecured creditors in these Chapter 11 Cases (the “Committee”). No trustee or examiner has been appointed in these Chapter 11 Cases.
4. In the ordinary course of business pre-petition, the Debtors maintained books and records that reflected the nature and amounts of the Debtors’ obligations to creditors, as well as payments made on account of such obligation (the “Books and Records”).
5. On July 30, 2019, each of the Debtors filed with this Court its *Schedule of Assets and Liabilities* [Docket Nos. 363, 365, 367, 369, 371, 373, and 375] (the “Schedules”).

6. On January 16, 2020, this Court entered an order [Docket No. 1115] (the “Confirmation Order”) confirming the *Second Amended Joint Chapter 11 Plan of Liquidation of Insys Therapeutics, Inc. and Its Affiliated Debtors* (the “Plan”) in the Chapter 11 Cases. As provided for in the Confirmation Order, all assets and liabilities of the Debtors were substantively consolidated for distribution purposes in accordance with the Plan (the “Substantive Consolidation”).

7. On February 18, 2020 (the “Effective Date”), the Plan became effective in accordance with its terms and, in accordance with the Plan, Confirmation Order and that certain *Trust Agreement for Insys Liquidation Trust* (the “Trust Agreement”), certain assets² of the Debtors existing as of such date were transferred to and became vested in the Liquidation Trust, and William Henrich was appointed the Trustee of the Liquidation Trust.

8. In accordance with the Plan and the Trust Agreement, from and after the Effective Date, objections to various claims³ may be prosecuted by the Trustee. *See e.g.*, Section 7.1 of the Plan.

9. Pursuant to an order dated July 15, 2019 [Docket No. 294] (the “Bar Date Order”), this Court established the following deadlines: (a) September 16, 2019 as the last day for non-governmental entities to file pre-petition claims against the Debtors and their estates (the “General Bar Date”); (b) December 9, 2019 as the last day for governmental entities and Native American tribes to file pre-petition claims against the Debtors and their estates (the “Government

² These assets include all assets of the Debtors other than (i) the VRT Operating Reserve, (ii) the Products Liability Insurance Rights, and (iii) any Interests held by Liquidating Debtors in other Liquidating Debtors, as defined in the Plan.

³ Other than Personal Injury Claims, which are the purview of the VRT Trustee.

Bar Date”⁴; and (c) October 24, 2019 as the last day to file administrative claims arising between the Petition Date and September 9, 2019, excluding professional claims and claims asserting administrative priority and arising out of the ordinary course of business after the Petition Date (together with the General Bar Date and the Government Bar Date, the “Bar Dates”).

10. In accordance with the Bar Date Order, the Agent served a Notice of Bar Dates and the related documents and forms as evidence by the affidavits of service filed with this Court [Docket Nos. 315, 406, 504, 587, 713, 821, and 887] (the “Bar Date AOS”). Additionally, in accordance with the Bar Date Order, the Debtors published notice of the Bar Dates once in the national editions of the New York Times and USA Today, and once in the following publications: Memphis Commercial Appeal, Indianapolis Star, Florida Times Union (Jacksonville), Las Vegas Review Journal Sun, Saginaw News, Arizona Republic, Dallas Morning News, Miami Herald, Los Angeles Times, and San Antonio Express News (the “Publication Notices”).

11. Pursuant to the Confirmation Order and the Plan, the deadline to object to claims (other than Administrative Claims) is one-hundred eighty (180) days following the later of the (a) Effective Date and (b) the date that a proof of claim is filed or amended or on such later date as fixed by this Court. *See* Section 7.1 of the Plan. Additionally, under the Plan, objections to Administrative Claims are to be filed no later than one hundred-twenty (120) days after the Effective Date, or such other date may be fixed by the Bankruptcy Court. *See* Section 2.2 of the Plan. By order dated May 14, 2021, the deadline to object to all claims was extended through

⁴ The Government Bar Date was later extended to January 31, 2020 to any State pursuant to the *Order Approving Stipulation By and Between the Debtors, the Official Committee of Unsecured Creditors, and Certain States Regarding Extending the Bar Date* [Docket No. 948].

and including January 28, 2022 [Docket No. 1661]. By further order, the deadline to object to all claims was extended through and including January 27, 2023 [Docket No. 1775].

JURISDICTION AND VENUE

12. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

RELIEF REQUESTED

13. By this Objection, and for the reasons set forth more fully below, the Trustee objects to the Amended and Superseded Claims pursuant to §§ 105(a) and 502 of the Bankruptcy Code, Bankruptcy Rules 3007 and 9014, and Local Rule 3007-1 and requests entry of the Proposed Order disallowing and expunging in full the Amended and Superseded Claims as reflected on **Exhibit 1** to the Proposed Order.

OBJECTION TO CLAIMS

14. As set forth in the Declaration, the Trustee's professionals examined proofs of claim filed against the Debtors, all supporting documentation provided by the claimants, if any, and the Books and Records, and have identified certain claims that can be identified as Amended and Superseded Claims.

15. Pursuant to § 502 of the Bankruptcy Code, “[a] claim or interest, proof of which is filed under 501 of [the Bankruptcy Code], is deemed allowed, unless a party in interest...objects.” U.S.C. § 502(a).

16. When asserting a proof of claim against a bankruptcy estate, a claimant must allege facts that, if true, would support a finding that the debtor is legally liable to the claimant. *In re Allegheny Int’l, Inc.*, 954 F.2d 167, 173 (3d Cir. 1992); *Matter of Int’l Match Corp.*, 69

F.2d 73, 76 (2d Cir. 1934) (finding that a proof of claim should at least allege facts from which legal liability can be seen to exist). Where a claimant alleges sufficient facts to support its claim, its claim is afforded prima facie validity. *In re Allegheny Int'l, Inc.*, 954 F.2d at 173. A party wishing to dispute such a claim must produce evidence in sufficient force to negate the claim's prima facie validity. *Id.* In practice, the objecting party must produce evidence that would refute at least one of the allegations essential to the claim's legal sufficiency. *Id.* Once the objecting party produces such evidence, the burden shifts back to the claimant to prove the validity of his or her claim by a preponderance of the evidence. *Id.* The burden of persuasion is always on the claimant. *Id.* In the absence of prejudice, bankruptcy courts generally allow amendments to proofs of claim to cure a defect in a claim as filed or to describe the claim with greater particularity. *See In re Edison Bros. Stores*, 2002 Bankr. LEXIS 1228 at *10 (Bankr. D. Del. May 15, 2002) (amendments are to be allowed where the original claim prompted notice to the court of the existence, nature, and amount of the claim).

17. The Trustee and his professionals have reviewed the Amended and Superseded Claims identified on **Exhibit 1** to the Proposed Order (in the column under the heading "Amended Claim to be Disallowed") and determined that they have each been amended and superseded by a later filed claim (collectively, the "Surviving Claims") identified on **Exhibit 1** to the Proposed Order (in the column under the heading "Surviving Claim"), filed by the same claimant for the same liability. *See Phillips Declaration*. The Trustee therefore seeks to disallow and expunge in their entirety the Amended and Superseded Claims. In certain cases, the Surviving Claims have been withdrawn or expunged from the claims register, leaving only the Amended and Superseded Claims that are the subject of this Objection. The Trustee is seeking

to expunge the Amended and Superseded Claims so that the claims register accurately reflects the status of outstanding claims.

18. The claimants affected by this objection will not be prejudiced if the Amended and Superseded Claims are expunged because each claimant will retain the corresponding Surviving Claim against the Debtors' estates that is identified on **Exhibit 1**, to the extent not objectionable on other grounds or previously withdrawn or expunged.⁵

RESPONSES TO OBJECTION

19. Filing and Service of Responses. To contest this Objection, a holder of a Claim must file and serve a written response to this Objection (a "Response") so that it is received no later than 4:00 p.m. (Eastern Time) on January 5, 2022 (the "Response Deadline"). Claimants should read the Proposed Order and Exhibits attached carefully.

20. Every Response should be filed with the Office of the Clerk, United States Bankruptcy Court for the District of Delaware, 824 Market Street, 3rd Floor, Wilmington, Delaware 19801; and served upon the following, so that the Response is received no later than the Response Deadline at the following addresses:

STATEMENT OF COMPLIANCE WITH LOCAL RULE 3007-1

26. To the extent that a response is filed regarding any Claim listed in this Objection and the Trustee is unable to resolve the response, each such Claim, and the objection by the Liquidation Trust to each such Claim asserted herein, shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Any order entered by the Court regarding an objection asserted in the Objection shall be deemed a separate order with respect to each Claim.

RESERVATION OF RIGHTS

27. The Trustee hereby reserves the right to object in the future to any of the claims listed in this Objection on any ground in accordance with Local Rule 3007-1, and to amend, modify, and/or supplement this Objection, including, without limitation, to object to amended or newly filed Proofs of Claim. Separate notice and hearing may be scheduled for any such objection.

WHEREFORE the Trustee respectfully requests entry of an order substantially in the form of the Proposed Order attached hereto as **Exhibit A** granting the relief requested herein and such other and further relief as the Court may deem just and appropriate.

Exhibit B

PHILLIPS DECLARATION

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE**

In re:

INSYS THERAPEUTICS, INC., *et al.*,

Liquidating Debtors.¹

Chapter 11

Case No. 19-11292 (JTD)

(Jointly Administered)

**DECLARATION OF EDWARD A. PHILLIPS PURSUANT TO 28 U.S.C. § 1746 AND
LOCAL RULE 3007-1 IN SUPPORT OF SEVENTEENTH OMNIBUS OBJECTION OF THE
TRUSTEE OF THE INSYS LIQUIDATION TRUST TO CLAIMS (NON-SUBSTANTIVE)
(Amended and Superseded Claims)**

Edward A. Phillips, under penalty of perjury hereby declares as follows:

1. I am Managing Director of Getzler Henrich & Associates LLC (“Getzler Henrich”). My professional credentials include: Certified Turnaround Professional; Certified Insolvency & Restructuring Advisor; Certified Fraud Examiner; Certified in Financial Forensics; and Certified Public Account. I have more than 25 years of experience in finding solutions to problems in restructuring, insolvency, liquidation, and forensic accounting matters. I have advised a variety of parties and functioned in numerous roles in bankruptcy proceedings, out-of-court restructurings, forensic accounting engagements and post-confirmation engagements.

2. I submit this declaration in support of the *Seventeenth Omnibus Objection of the Trustee of the Insys Liquidation Trust to Claims (Substantive)* (the “Objection”).

3. Getzler Henrich serves as the financial advisor to the Insys Liquidation Trust (the “Trust”) and Mr. William Henrich, the Trustee of the Trust, and has been working in these cases

¹ The Liquidating Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification number, are: Insys Therapeutics, Inc. (7886); IC Operations, LLC (9659), Insys Development Company, Inc. (3020); Insys Manufacturing, LLC (0789); Insys Pharma, Inc. (9410); IPSC, LLC (6577); and IPT 355, LLC (0155).

since the Effective Date.² I am the primary Getzler Henrich professional responsible for overseeing the claims analysis process. Additionally, I also consult with the Debtors' former Chief Financial Officer and Director of Accounting who currently act as consultants to the Trust and have firsthand knowledge of the Debtors' books and records (the "Books and Records"). As such, I have gained significant familiarity of the Books and Records and their Schedules.

4. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, my review (or the review of Trust's counsel, Epiq, and/or Trust's consultants under my supervision) of business records kept by the Debtors in the ordinary course of business, the relevant proofs of claim, and/or the claims register maintained by Epiq, the claims and noticing agent in these cases. The objections set forth in the Objection are based on the review conducted. I have personally reviewed the Objection and to the best of my knowledge and belief, the information contained on Exhibit 1 to the proposed form of order (the "Proposed Order") approving the Objection is true and correct.

5. I and/or the Trust's counsel reviewed the claims identified in Exhibit 1 to the Proposed Order and the supporting documentation, if any, filed with the claims, and have determined that each of the claims has been amended and superseded by a later filed claim, filed by the same claimant for the same liability. In nearly all instances, claimant has indicated on the Surviving Claims that it amends and identifies the Amended and Superseded Claim. Therefore, the claims in Exhibit 1 should be disallowed and expunged as reflected therein.

6. Based on the foregoing, and to the best of my knowledge, information and belief, the information contained in the Objection and exhibits thereto is true and correct.

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Objection.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge and belief.

Executed on: December 10, 2021
