forth in the Motion establishing just and sufficient cause to grant the relief requested therein; and the relief granted herein being in the best interests of the Debtor, its estate, creditors, and all parties in interest; and the relief granted herein being necessary to avoid immediate and irreparable harm; and the Court having held the Final Hearing with the appearances of interested parties noted in the record of the Final Hearing; and upon the entire record and all of the proceedings before the Court, the Court hereby ORDERS that:

1. The Motion is granted to the extent set forth herein on a final basis.
2. In addition to the relief granted in the Interim Order, the Debtor is authorized, but not required, to continue to pay any amounts due for Insurance Obligations incurred by the Debtor prior to the Commencement Date in accordance with the terms and conditions of the Motion.
3. The Debtor is authorized and empowered to maintain and renew its Insurance Programs without interruption, on the same basis, and in accordance with the same practices and procedures as were in effect prior to the commencement of the Debtor's chapter 11 case.
4. The Debtor is authorized, but not required, to pay, in its sole discretion, all premiums, claims, deductibles, retrospective adjustments, administrative and broker's fees, and all other obligations arising under the Insurance Programs (the "Insurance Obligations"), including those Insurance Obligations that were due and payable or related to the period before the commencement of this chapter 11 case without further order of the Court.
5. Pursuant to section 362(d) of the Bankruptcy Code, to the extent any of the Debtor's employees hold claims under the Debtor's Workers' Compensation Program, these employees are authorized to proceed with their workers' compensation claims in the appropriate

judicial or administrative forum under the Workers' Compensation Program; provided that such claims are pursued in accordance with the Workers' Compensation Program and recoveries, if any, are limited to the proceeds of, and deductibles under, the applicable Workers' Compensation Program. Until the effective date of a plan of reorganization or further order of the Court, the Debtor must supplement the list of workers' compensation claims, as set forth on Exhibit B to the Interim Order on the Insurance Motion, quarterly or upon the request of a claimant who wants clarification that the stay does not apply.

6. Nothing in this Final Order nor any action taken by the Debtor in furtherance of the implementation hereof shall be deemed an approval of the assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

7. Nothing in this Final Order shall impair the ability of the Debtor or appropriate party in interest to contest any claim of any creditor pursuant to applicable law or otherwise dispute, contest, setoff, or recoup any claim, or assert any rights, claims or defenses related thereto.

8. The Debtor's banks or other financial institutions are authorized and directed to process, honor, and pay any checks drawn or electronic funds transfers requested on the Debtor's account to pay the Insurance Obligations, and the costs and expenses incident thereto, whether those checks or electronic funds transfer requests were presented prior to or after the Commencement Date, *provided however*, that such checks or electronic funds transfers are identified by the Debtor as relating directly to the payment of the Insurance Obligations authorized to be paid pursuant to this Final Order, in each case solely to the extent that there exist sufficient funds to make such payments or other transfers; *provided* that in no event shall

any such bank or other financial institution that takes any such action either (i) at the direction of the Debtor, (ii) in good faith belief that the Court has authorized such action consistent with the implementation of reasonable item handling procedures, or (iii) as a result of an innocent mistake made despite the implementation of reasonable item handling procedures, be deemed in violation of this Final Order or have liability in connection therewith.

9. Rules 6004(a) and (h) of the Federal Rules of Bankruptcy Procedure has been satisfied because the relief requested in the Motion is necessary to avoid immediate and irreparable harm to the Debtor.

10. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Final Order.

11. The terms and conditions of this Final Order shall be immediately effective and enforceable upon its entry
