Upon the motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of a final order: (a) authorizing, but not directing, the Debtors to pay Trade Claims, in the ordinary course, subject to the procedures and conditions described in the Motion; (b) confirming administrative expense priority status of claims under the Outstanding Orders; and (c) granting certain related relief, all as more fully set forth in the Motion; and this Court having reviewed the Motion and the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference from the United States District Court for the Eastern District of Virginia*, dated August 15, 1984; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this Court having found that the Debtors’ notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other or further notice need be provided; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted in this final order (the “Final Order”); and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT:**

1. The Motion is granted on an final basis as set forth in this Final Order.
2. The Debtors are authorized, but not directed, in the reasonable exercise of their business judgment, to pay, in the ordinary course of business and consistent with prepetition

² Capitalized terms used but not otherwise defined in this Final Order shall have the meanings given to them in the Motion.

practice, some or all of the prepetition Trade Claims in full upon such terms and in the manner provided in this Final Order and the Motion.

3. The Debtors are authorized to seek Customary Trade Terms as a condition to payment of a Trade Claim. Notwithstanding the foregoing, the Debtors' inability to obtain Customary Trade Terms from a particular Trade Claimant shall not preclude them from paying such Trade Claimant's undisputed Trade Claim when, in the exercise of their reasonable business judgment, the Debtors determine that such payment is necessary to their successful reorganization.

4. If a Trade Claimant that has received payment on account of its prepetition Trade Claim pursuant to this Final Order fails to comply with the applicable Customary Trade Terms, the Debtors may, in their discretion and without further order of the Court, declare that: (a) any payments made on account of the Trade Claim to such Trade Claimant after the Petition Date may, in the Debtors' sole discretion, either be deemed applied to postpetition amounts payable to such Trade Claimant or treated as a voidable postpetition transfer pursuant to section 549(a) of the Bankruptcy Code that the Debtors may recover in cash or in goods from such Trade Claimant (including by setoff against postpetition obligations); or (b) the Trade Claimant shall immediately return the payment without giving effect to alleged setoff rights, recoupment rights, adjustments, or offsets of any type whatsoever, and the Trade Claimant shall be reinstated in such an amount so as to restore the Debtors and the Trade Claimant to their original positions as if the payment to the Trade Claimant had not been made.

5. Nothing in this Final Order shall impair or prejudice the Debtors' ability to contest, in their discretion, the extent, validity, priority, or amount of any Trade Claim or the validity, perfection, or priority of any lien purportedly securing any such claim. The Debtors

expressly reserve all rights to contest the extent, validity, priority, or amount of any Trade Claim or the validity, perfection, or priority of any lien purportedly securing any such claim.

6. All undisputed obligations under the Outstanding Orders are granted administrative expense priority consistent with section 503(b)(1)(A) of the Bankruptcy Code. The Debtors are authorized, but not directed, to pay all undisputed amounts under the Outstanding Orders in the ordinary course of business consistent with the parties' customary practices in effect prior to the Petition Date.

7. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved in this Final Order are authorized and directed to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order without any duty of further inquiry and without liability for following the Debtors' instructions

8. The Debtors are authorized, but not directed, to issue postpetition checks, and to issue postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of the filing of these cases with respect to prepetition amounts owed in connection with the relief granted in this Final Order.

9. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the validity of any prepetition claim against any Debtor; (b) a waiver of the Debtors' or any other party in interest's right to dispute any prepetition claim, on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular

claim is of a type described in the Motion; (e) a request or authorization to assume, any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

10. Nothing in this Final Order or the Motion shall be construed as prejudicing the rights of the Debtors to dispute or contest the amount of or basis for any claims against the Debtors in connection with or relating to the Trade Claims.

11. For the avoidance of doubt, this Final Order does not authorize the Debtors to pay prepetition Trade Claims that the Court has otherwise authorized to be paid by a separate order entered during these cases, including, but not limited to, prepetition employees' claims and any prepetition claims of attorneys or other professionals required to be retained pursuant to applications under section 327 of the Bankruptcy Code.

12. Notwithstanding anything to the contrary in this Final Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); and (ii) the documentation (including the budget) in respect of any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

13. The Motion satisfies the requirements of Bankruptcy Rule 6003(b).

14. Notice of the Motion as provided therein shall be deemed good and sufficient

notice of such Motion and the requirements of Bankruptcy Rule 6004(a) are satisfied by such notice.

15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

16. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of points and authorities in connection with the Motion is waived.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order.

18. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.
