Sports Authority Holdings, Inc. and its affiliated debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”) hereby move this Court (this “Motion”) for entry of interim and final orders substantially in the forms annexed hereto as Exhibit A and Exhibit B (the “Interim Order” and “Final Order,” respectively), pursuant to sections 105(a) and 366 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 9013-1(m) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), (a) prohibiting the Utility Providers (as defined below) from (i) altering, refusing, or discontinuing utility services to, or discriminating against, the Debtors on account of any outstanding amounts for services rendered prepetition or (ii) drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for utility services; (b) determining that adequate assurance of

payment for postpetition utility services has been furnished to the Utility Providers providing services to the Debtors; and (c) establishing procedures for resolving future requests by any Utility Provider for additional adequate assurance of payment. JURISDICTION AND VENUE

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1334(b) and 157, and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b) and pursuant to Local Rule 9013-1(f), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a) and 366 of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004, and Local Rule 9013-1(m).

BACKGROUND

A. General Background

2. On the date hereof (the "Petition Date"), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code. Pursuant to sections 1107(a) and 1108 of the Bankruptcy Code, the Debtors are continuing to manage their financial affairs as debtors

in possession. No trustee, examiner, or official committee of unsecured creditors has been appointed in these cases.

3. Contemporaneously herewith, the Debtors filed a motion seeking joint administration of their chapter 11 cases (collectively, the “Chapter 11 Cases”) pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1. No trustee, examiner, or official committee of unsecured creditors has been appointed in these Chapter 11 Cases.

4. Additional information regarding the Debtors’ history and business operations, capital structure and primary secured indebtedness, and the events leading up to the commencement of these Chapter 11 Cases, can be found in the First Day Declaration.

B. Description of Utility Services and Utility Providers

5. In conjunction with their day-to-day operations and/or maintenance of their retail operations, the Debtors receive traditional utility services from various utility providers (each, a “Utility Provider” and collectively, the “Utility Providers”), for, among other things, electricity, water, gas, local and long-distance telecommunication services, data service, waste disposal, sewer service and other similar services (collectively, the “Utility Services”). The Utility Providers include, without limitation, the entities set forth on the list annexed hereto as Exhibit C (the “Utility Providers List”). The Debtors have paid cash deposits and/or issued surety bonds or letters of credit to certain Utility Providers as set forth on the Utility Providers List.

6. The Debtors paid an average of approximately \$4,300,000 per month on account of all Utility Services during the 2015 calendar year. The Debtors ceased making payments to the Utility Providers on February 19, 2016, and, to the best of the Debtors’ knowledge, as of the Petition Date, arrearages with respect to the Debtors’ undisputed invoices for Utility Services are approximately \$2,100,000.

7. Certain Utility Providers require that the Debtors post and maintain bonds in order for the Debtors to receive Utility Services (collectively, the “Bonds”). Prior to the Petition Date, and as described further in the *Debtors’ Motion for Entry of (A) and Order (I) Authorizing Debtors to Honor and Continue Certain Customer Programs and Customer Obligations in the Ordinary Course of Business, and (II) Approving Agreement by and Between the Debtors and Zurich American Insurance Company Relating to Prepetition Bonds, on an Interim Basis, and (B) a Supplemental Order Approving Bonding Agreement on Final Basis and Granting Related Relief* (the “Customer Programs Motion”), filed concurrently herewith, Zurich American Insurance Company (“Zurich”) made certain bonding capacity available to the Debtors under and pursuant to a General Agreement of Indemnity, dated November 14, 2006 (the “Bonding Program”), as supplemented by an Agreement to Provide Surety Capacity as a Financial Accommodation, dated as February 18, 2016 (the “Bonding Agreement”). As detailed in the Bonding Agreement, as consideration for the extension of significant replacement bonding capacity, Zurich required delivery of a letter of credit to back the Bonds, and any draw on the Bonds would allow Zurich to draw on the letter of credit. In the Customer Programs Motion, the Debtors seek approval of the Bonding Agreement on an interim basis and a finding that the collateral received by Zurich in consideration for extending new bonding capacity does not give rise to a preferential transfer under section 547 of the Bankruptcy Code.

8. To manage the Utility Services at their many locations, the Debtors contract with Ecova, Inc. (“Ecova”). Ecova manages the Debtors’ accounts for approximately 97% of the Utility Providers, including managing the Utility Services, reviewing bills for the Utility Services, paying bills for the Utility Services as an agent for the company (after receiving funds from the Debtors for such payments), establishing new Utility Services, terminating Utility

Services for closing locations and providing accounting information to the Debtors with respect to the Utility Services managed by Ecova. The Debtors paid \$16,000 per month for Ecova's services during the 2015 fiscal year. The Debtors timely remit payments to Ecova and the Debtors believe that, as of the Petition Date, there is no outstanding prepetition amount owed to Ecova.

RELIEF REQUESTED

9. Section 366 of the Bankruptcy Code prohibits a utility company, within the first 30 days after the filing of a chapter 11 case, from altering, refusing, or discontinuing services to, or discriminating against, a debtor solely on the basis of the commencement of bankruptcy proceedings or the debtor's failure to pay a prepetition debt.² In a chapter 11 case, once the initial 30 days have expired, a utility company may discontinue services if the debtor has not provided the utility company with "adequate assurance of payment for utility service that is satisfactory to the utility." 11 U.S.C. § 366(c)(2).

10. By this Motion, the Debtors respectfully request entry of the Interim Order and the Final Order, pursuant to sections 105(a) and 366 of the Bankruptcy Code, (a) prohibiting the Utility Providers from (i) altering, refusing, or discontinuing utility services to, or discriminating against, the Debtors on account of any outstanding amounts for services rendered prepetition or

² There is an apparent discrepancy between subsections (b) and (c) of section 366 of the Bankruptcy Code because these two subsections set forth different time periods during which a utility is prohibited from altering, refusing or discontinuing utility service. Specifically, section 366(b) of the Bankruptcy Code allows a utility to alter, refuse or discontinue service "if neither the trustee nor the debtor, within 20 days after the date of the order for relief, furnishes adequate assurance of payment," while section 366(c)(2) of the Bankruptcy Code allows a utility in "a case filed under chapter 11 . . . to alter, refuse or discontinue service" to a chapter 11 debtor "if during the 30-day period beginning on the date of the filing of the petition, the utility does not receive from the debtor or the trustee adequate assurance of payment for utility service...." (emphasis added).

Under the statutory construction canon *lex specialis derogat legi generali* ("specific language controls over general"), the language of section 366(c)(2) controls here because the Debtors are chapter 11 debtors. See 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 366.03 (16th ed.) ("It is unclear how the 30-day period [in section 366(c)(2) of the Bankruptcy Code] meshes with the normal 20-day period in section 366(b). The better view is that, because section 366(c) is more specifically applicable to chapter 11 cases, the 30-day period, rather than the 20-day period in section 366(b), should apply.").

(ii) drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for utility services; (b) determining that adequate assurance of payment for post-petition utility services has been furnished to the Utility Providers providing services to the Debtors; and (c) establishing procedures for resolving future requests by any Utility Provider for additional adequate assurance of payment.

A. Proposed Adequate Assurance

11. Consistent with section 366(c)(1)(A) of the Bankruptcy Code, which defines the phrase “assurance of payment” to include, among other things, a cash deposit, the Debtors propose to deposit, within 20 days of the Petition Date, an amount equal to the estimated cost for two weeks of Utility Services (*i.e.*, approximately \$2,000,000), calculated based on the historical data for the past year (the “Adequate Assurance Deposit”) into one segregated bank account designated for the Adequate Assurance Deposit (the “Adequate Assurance Deposit Account”) for the benefit of all Utility Providers. Thus, in order to maintain uninterrupted Utility Services, the Debtors propose to deposit \$2,000,000 into the Adequate Assurance Deposit Account within 20 days of the Petition Date. Thereafter, the Debtors propose to adjust the amount in the Adequate Assurance Deposit Account to reflect several factors: (i) the termination of Utility Services by the Debtors regardless of any Additional Assurance Requests and (ii) agreements reached with Utility Providers. These adjustments will permit the Debtors to maintain the Adequate Assurance Deposit Account with an amount that consistently provides the Utility Providers with a half-month deposit on account of such services.

12. The Debtors submit that the Adequate Assurance Deposit and maintenance of the Adequate Assurance Deposit Account as described above, in conjunction with the Debtors’ ability to pay for future utility services in the ordinary course of business (together, the “Proposed Adequate Assurance”), constitutes sufficient adequate assurance of future payment to

the Utility Providers to satisfy the requirements of section 366 of the Bankruptcy Code.

However, if any Utility Provider believes additional assurance is required, they may request such assurance pursuant to the procedures described below.

B. Proposed Adequate Assurance Procedures

13. In light of the severe consequences to the Debtors of any interruption in services by the Utility Providers, but recognizing the right of each Utility Provider to evaluate the Proposed Adequate Assurance on a case-by-case basis, the Debtors request that the Court approve, and allow the Debtors to implement, the following procedures (the “Adequate Assurance Procedures”) by which a Utility Provider not satisfied with the Proposed Adequate Assurance may request additional adequate assurance (an “Additional Assurance Request”):

- a. Within two (2) business days of the date the Interim Order is docketed, the Debtors will mail a copy of the Interim Order to the Utility Providers on the Utility Providers List;
- b. If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional assurance of payment in the form of a deposit, letter of credit, prepayment, or otherwise, it must serve an Additional Assurance Request upon proposed counsel to the Debtors, (i) Gibson, Dunn & Crutcher LLP, 333 South Grand Avenue, Los Angeles, CA 90071 (Attn: Sabina Jacobs, Esq.) and (ii) Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801 (Attn: Elizabeth S. Justison, Esq.) (together, the “Notice Parties”);
- c. Each Additional Assurance Request must (i) be made in writing; (ii) set forth all location(s) for which utility services are provided and the relevant account number(s); (iii) include a summary of the Debtors’ payment history relevant to the affected account(s); (iv) describe any deposits or other security currently held by the requesting Utility Provider; and (v) identify and explain the basis of the Utility Provider’s proposed adequate assurance requirement under section 366(c)(2) of the Bankruptcy Code;
- d. Upon the Notice Parties’ receipt of an Additional Assurance Request at the addresses set forth in subparagraph (b) above, the Debtors shall promptly negotiate with such Utility Provider to resolve such Utility Provider’s Additional Assurance Request;

e. The Debtors may, in their discretion, resolve an Additional Assurance Request by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to (i) Riemer & Braunstein LLP (attn: David Berman and Marjorie Crider) as counsel for (x) Bank of America, N.A., in its capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility; (ii) Brown Rudnick LLP (attn.: Robert Stark and Bennett Silverberg) as counsel for Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010; (iii) Choate, Hall & Stewart LLP (attn.: Kevin Simard) as counsel for (x) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended and Restated Credit Agreement, dated as of November 3, 2015, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility (collectively, the "Agents"), provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and/or other forms of security, without further order of the Court to the extent that the Debtors believe such additional assurance is reasonable in the exercise of their business judgment;

f. If the Debtors determine that a timely received Additional Assurance Request is not reasonable and are unable to reach an alternative resolution with the applicable Utility Provider, the Debtors shall, upon reasonable notice, calendar the matter (the "Adequate Assurance Dispute") for the next regularly scheduled omnibus hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code;

g. Pending resolution of any such Adequate Assurance Dispute, any such Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Proposed Adequate Assurance;

h. The Debtors may, in their discretion, resolve any Adequate Assurance Dispute by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to the Agents, provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, a cash deposit, prepayment, letter of credit, and/or other forms of security, without further order of the Court to the extent the Debtors believe that such additional assurance is reasonable in the exercise of their business judgment and the Debtors may, by mutual agreement with the objecting Utility Provider and without further order of the Court, reduce the Adequate Assurance Deposit by an amount not exceeding the requesting Utility Provider's estimated two-week utility expense; and

i. Upon the closure of one of the Debtors' retail locations and the discontinuance of the Utility Services associated therewith, or the termination of Utility Services independent thereof, the Debtors may, in their discretion and without further order of the Court, reduce the Adequate Assurance Deposit by an amount not exceeding, for each of the Utility Services being discontinued, the lesser of (i) the estimated two-week utility expense for such Utility Services and (ii) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Provider.

C. Subsequent Modification of the Utility Providers List

14. The Debtors request that they be allowed, without further order of the Court, to supplement the Utility Providers List if any Utility Provider has been inadvertently omitted therefrom (each an "Additional Utility Provider"). If the Debtors determine that the Utility Providers List should be supplemented, the Debtors will, as soon as practicable, file with the Court a supplement to Exhibit C adding the name of any Additional Utility Provider to the Utility Providers List. The Debtors will then serve by email or by facsimile transmission (or, where the Debtors do not have the email address or fax number of a Utility Provider, by First Class Mail) a copy of this Motion and the signed Interim or Final Order, as applicable, on any Additional Utility Provider.

D. Request for Final Hearing

15. The Debtors request that a final hearing on this Motion be held within 30 days of the Petition Date to ensure that, if a Utility Provider argues that it can unilaterally refuse service to any of the Debtors on the 31st day after the Petition Date, the Debtors will have the opportunity, to the extent necessary, to request that the Court make such modifications to the Adequate Assurance Procedures in time to avoid any potential termination of Utility Services.

BASIS FOR RELIEF REQUESTED

A. Section 366 of the Bankruptcy Code Grants the Court the Discretion to Determine the Adequacy of the Debtors' Proposed Adequate Assurance

16. Congress enacted section 366 of the Bankruptcy Code to protect a debtor from immediate termination of utility services after filing for bankruptcy, while at the same time providing the utility companies with adequate assurance of payment for post-petition utility services. *See* H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306. Section 366 defines “assurance of payment” to mean several forms of security, including, cash deposits, letters of credit, and prepayment of utility services. 11 U.S.C. § 366(c)(1)(A). Section 366(c)(1)(B) explicitly excludes, however, offering administrative expense priority as adequate assurance of payment.

17. While section 366(c) of the Bankruptcy Code sets forth what constitutes adequate assurance of payment, the bankruptcy court nonetheless retains discretion to determine what, if any, adequate assurance is necessary to satisfy section 366’s requirement that assurance of payment must only be adequate. *See In re Adelphia Bus. Solutions, Inc.*, 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002) (“The bankruptcy courts are in agreement that section 366(b) vests in the bankruptcy court the exclusive responsibility for determining the appropriate security which a debtor must provide to his utilities to preclude termination of service for non-payment of pre-petition utility bills.”); *In re Begley*, 41 B.R. 402, 405-06 (E.D. Pa. 1984), *aff’d*, 760 F.2d 46 (3d Cir. 1985). Accordingly, a court is not required to give the utility companies an “absolute guarantee of payment,” or require that the adequate assurance take the form of a deposit, bond, letter of credit, or similar security. *In re Caldor, Inc. - N.Y.*, 199 B.R. 1, 3 (S.D.N.Y. 1996), *aff’d sub nom. Va. Elec. & Power Co. v. Caldor, Inc.*, 117 F.3d 646 (2d Cir. 1997).

18. Rather, in considering the facts and circumstances of each case, the Court must ensure only that the utility is not subject to an unreasonable risk of non-payment for post-petition services. *See In re Adelpia*, 280 B.R. at 80; *Mass. Elec. Co. v. Keydata Corp. (In re Keydata Corp.)*, 12 B.R. 156, 158 (B.A.P. 1st Cir. 1981). The Court, therefore, must strike a balance between satisfying the utility company's need for adequate assurance and ensuring that the debtor gives no more than what is adequate, as the debtor has a conflicting need to conserve financial resources. *See In re Magnesium Corp. of Am.*, 278 B.R. 698, 714 (Bankr. S.D.N.Y. 2002) (holding that to require the debtor to allocate valuable liquidity to provide further "adequate assurance" to satisfy a utility's obligations before their amount has been fixed would prejudice the entirety of the debtor's unsecured creditor body for the benefit of a single one).

19. In determining whether a utility is subject to an unreasonable risk of non-payment, the Court may consider whether the utility would seek the same additional security from a non-bankruptcy customer. *See In re Caldor, Inc. - N.Y.*, 199 B.R. at 3 (finding that the utility companies were not seeking additional security for an adequate assurance of future payment, but solely because their monopoly position permitted them to capitalize on the debtors' bankruptcy filing); *Whittaker v. Phila. Elec. Co. (In re Whittaker)*, 84 B.R. 934, 941-42 (Bankr. E.D. Pa. 1988), *aff'd*, 92 B.R. 110 (E.D. Pa. 1988), *aff'd*, 882 F.2d 791 (3d Cir. 1989). The Court may not consider, however, the absence of security before the petition date, the debtor's history of timely payments, or the availability of an administrative expense priority. 11 U.S.C. § 366(c)(3)(B).

B. The Debtors' Proposed Adequate Assurance is Routinely Upheld as Adequate by Courts in this District

20. Given that this Court has the discretion to determine the assurance necessary to satisfy the Utility Providers' needs, the Debtors submit that the Proposed Adequate Assurance is

more than adequate to ensure that the Debtors will meet their post-petition utility obligations. Indeed, the Debtors' proposal comports with numerous orders entered by this and other bankruptcy courts. *See, e.g., In re The Standard Register Company*, Case No. 15-10541 (BLS) (Bankr. D. Del. Mar. 13, 2015 (interim order), Apr. 1, 2015 (final order)); *In re Brookstone Holdings Corp.*, Case No. 14-10752 (BLS) (Bankr. D. Del. Apr. 4, 2014 (interim order), Apr. 25, 2014 (final order)); *In re F&H Acquisition Corp.*, Case No. 13-13220 (KG) (Bankr. D. Del. Dec. 17, 2013 (interim order), Jan. 8, 2014 (final order)); *In re School Specialty, Inc.*, Case No. 13-10125 (KJC) (Bankr. D. Del. Jan. 30, 2013 (interim order), Feb. 25, 2013 (final order)); *In re Vertis Holdings, Inc.*, Case No. 12-12821 (CSS) (Bankr. D. Del. Oct. 12, 2012 (interim order), Nov. 1, 2012 (final order)); *In re THQ Inc.*, Case No. 12-13398 (MFW) (Bankr. D. Del. Dec. 21, 2012 (interim order), Jan. 4, 2013 (final order)); *In re Nebraska Book Co., Inc.*, Case No. 11-12005 (PJW) (Bankr. D. Del. June 28, 2011 (interim order), July 21, 2011 (final order)).

21. Because the Debtors' receipt of uninterrupted Utility Services is vital to the Debtors' continued business operations and, consequently, to the success of these Chapter 11 Cases, the relief requested herein is necessary and in the best interests of the Debtors, their estates and creditors. Such relief ensures that the Debtors' business operations will not be disrupted and provides Utility Companies and the Debtors with an orderly and fair procedure for determining "adequate assurance."

22. Based upon the foregoing, the Debtors submit that the relief requested herein should be granted.

C. Immediate Relief is Justified

23. Pursuant to Bankruptcy Rule 6003, the Court may grant relief within 21 days after the filing of the petition regarding a motion to "use, sell, lease, or otherwise incur an obligation regarding property of the estate" only if such relief is necessary to avoid immediate and

irreparable harm. Fed. R. Bankr. P. 6003(b). Immediate and irreparable harm exists where the absence of relief would impair a debtor's ability to reorganize or threaten the debtor's future as a going concern. *See In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 36 n.2 (Bankr. S.D.N.Y. 1990) (discussing the elements of "immediate and irreparable harm" in relation to Bankruptcy Rule 4001).

24. Moreover, Bankruptcy Rule 6003 authorizes the Court to grant the relief requested herein to avoid harm to the Debtors' customers and other third parties. Unlike Bankruptcy Rule 4001, Bankruptcy Rule 6003 does not condition relief on imminent or threatened harm to the estate alone. Rather, Bankruptcy Rule 6003 speaks of "immediate and irreparable harm" generally. *Cf.* Fed. R. Bankr. P. 4001(b)(2), (c)(2) (referring to "irreparable harm to the estate"). Indeed, the "irreparable harm" standard is analogous to the traditional standards governing the issuance of preliminary injunctions. *See 9 Collier on Bankruptcy* ¶ 4001.07[b][3] (discussing source of "irreparable harm" standard under Rule 4001(c)(2)). Courts will routinely consider third-party interests when granting such relief. *See, e.g., Capital Ventures Int'l v. Argentina*, 443 F.3d 214, 223 n.7 (2d Cir. 2006); *see also Linnemeir v. Bd. of Trs. of Purdue Univ.*, 260 F.3d 757, 761 (7th Cir. 2001).

25. As described herein and in the First Day Declaration, the Debtors will suffer immediate and irreparable harm without Court authorization to pay all undisputed invoices for Utility Services rendered by the Utility Providers to the Debtors after the Petition Date, and to provide the Adequate Assurance Deposit for the benefit of the Utility Providers. If the relief is not granted, the Debtors' operations that depend on the constant and reliable provision of Utility Services may suffer a significant disruption, reducing their revenue and profits and thereby

causing immediate and irreparable harm to the Debtors' estates and, consequently, other interested parties.

26. Accordingly, Bankruptcy Rule 6003 has been satisfied and the relief requested herein should be granted.

REQUEST FOR WAIVER OF STAY

27. To implement the foregoing, the Debtors seek a waiver of any stay of the effectiveness of the order approving this Motion. Pursuant to Bankruptcy Rule 6004(h), any "order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." Fed. R. Bankr. P. 6004(h). The Debtors submit that the relief requested in this Motion is necessary to avoid immediate and irreparable harm to the Debtors for the reasons set forth herein. Accordingly, the Debtors submit that ample cause exists to justify a waiver of the 14-day stay imposed by Bankruptcy Rule 6004(h).

28. To implement the foregoing immediately, the Debtors respectfully request a waiver of the notice requirements of Bankruptcy Rule 6004(a) to the extent they are deemed applicable.

DEBTORS' RESERVATION OF RIGHTS

29. Nothing contained herein is intended or should be construed as an admission of the validity of any claim against the Debtors; a waiver of the Debtors' rights to dispute any claim; or an approval, assumption, or rejection of any agreement, contract, or lease under section 365 of the Bankruptcy Code. The Debtors expressly reserve their rights to contest any invoice or claim of any Utility Provider under applicable law and to assume or reject any agreements with Utility Providers in accordance with the applicable provisions of the Bankruptcy Code.

Likewise, if this Court grants the relief sought herein, any payment made pursuant to the Court's

order is not intended and should not be construed as an admission as to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

NOTICE

30. The Debtors have provided notice of this Motion to: (a) the Office of the United States Trustee for the District of Delaware; (b) holders of the 50 largest unsecured claims on a consolidated basis against the Debtors; (c) Riemer & Braunstein LLP (attn: Donald Rothman) as counsel for (i) Bank of America, N.A., in its capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, and (ii) certain DIP Lenders under the Debtors' proposed postpetition financing facility; (d) Brown Rudnick LLP (attn.: Robert Stark and Bennett Silverberg) as counsel for (i) Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010 and (ii) certain Term Lenders under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010; (e) Choate, Hall & Stewart LLP (attn.: Kevin Simard) as counsel for (i) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended and Restated Credit Agreement, dated as of November 3, 2015, and (ii) certain DIP Lenders under the Debtors' proposed postpetition financing facility; (f) O'Melveny & Meyers LLP (attn: John Rapisardi) as counsel for certain holders of 11.5% Senior Subordinated Notes Due February 19, 2018 under the Securities Purchase Agreement, dated as of May 3, 2006; (g) all holders of 11.5% Senior Subordinated Notes Due February 19, 2018 under the Securities Purchase Agreement, dated as of May 3, 2006; (h) the Utility Providers; and (i) all parties that have filed a notice of appearance and request for service of papers pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-

1(m). In light of the nature of the relief requested herein, the Debtors submit that no other or further notice is necessary.

WHEREFORE, the Debtors respectfully request that the Court grant the relief requested herein and such other and further relief as the Court may deem just and proper.

that such notice is adequate and no other or further notice need be given; and the Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and upon consideration of the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before the Court; and the Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors and all other parties in interest; and that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein on an interim basis.
2. The Debtors are authorized to pay on a timely basis, in accordance with their prepetition practices, all undisputed invoices for Utility Services rendered by the Utility Providers to the Debtors after the Petition Date.
3. The Debtors shall provide an Adequate Assurance Deposit for all Utility Providers by depositing \$2,000,000, which is equal to the estimated cost for two weeks of Utility Services.
4. The Proposed Adequate Assurance comprises the Adequate Assurance Deposit and the Debtors' ability to pay for future utility services in the ordinary course of business and constitutes sufficient adequate assurance of future payment to the Utility Providers to satisfy the requirements of section 366 of the Bankruptcy Code.
5. Pending entry of the Final Order, the Utility Providers are prohibited from
(a) altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors

on the basis of the commencement of the Chapter 11 Cases or on account of any unpaid prepetition charges; (b) drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for utility services; or (c) requiring additional adequate assurance of payment other than the Proposed Adequate Assurance, as a condition of the Debtors continuing to receive Utility Services.

6. The following Adequate Assurance Procedures are approved:

a. Within two (2) business days of the date this Interim Order is docketed, the Debtors shall mail a copy of the Interim Order to the Utility Providers on the Utility Providers List;

b. If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional assurance of payment in the form of a deposit, letter of credit, prepayment, or otherwise, it must serve an Additional Assurance Request upon proposed counsel to the Debtors, (i) Gibson, Dunn & Crutcher LLP, 333 South Grand Avenue, Los Angeles, CA 90071 (Attn: Sabina Jacobs, Esq.) and (ii) Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801 (Attn: Elizabeth S. Justison, Esq.) (together, the "Notice Parties");

c. Each Additional Assurance Request must (i) be made in writing; (ii) set forth all location(s) for which utility services are provided and the relevant account number(s); (iii) include a summary of the Debtors' payment history relevant to the affected account(s); (iv) describe any deposits or other security currently held by the requesting Utility Provider; and (v) identify and explain the basis of the Utility Provider's proposed adequate assurance requirement under section 366(c)(2) of the Bankruptcy Code;

d. Upon the Notice Parties' receipt of an Additional Assurance Request at the addresses set forth in subparagraph (b) above, the Debtors shall promptly negotiate with such Utility Provider to resolve such Utility Provider's Additional Assurance Request;

e. The Debtors may, in their discretion, resolve an Additional Assurance Request by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to (i) Riemer & Braunstein LLP (attn: David Berman and Marjorie Crider) as counsel for (x) Bank of America, N.A., in its capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility; (ii) Brown Rudnick LLP (attn.: Robert Stark and Bennett Silverberg) as counsel

for Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010; (iii) Choate, Hall & Stewart LLP (attn.: Kevin Simard) as counsel for (x) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended and Restated Credit Agreement, dated as of November 3, 2015, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility (collectively, the "Agents"), provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and/or other forms of security, without further order of the Court to the extent that the Debtors believe such additional assurance is reasonable in the exercise of their business judgment;

f. If the Debtors determine that a timely received Additional Assurance Request is not reasonable and are unable to reach an alternative resolution with the applicable Utility Provider, the Debtors shall, upon reasonable notice, calendar the matter (the "Adequate Assurance Dispute") for the next regularly scheduled omnibus hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code;

g. Pending resolution of any such Adequate Assurance Dispute, any such Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Proposed Adequate Assurance;

h. The Debtors may, in their discretion, resolve any Adequate Assurance Dispute by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to the Agents, provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, a cash deposit, prepayment, letter of credit, and/or other forms of security, without further order of the Court to the extent the Debtors believe that such additional assurance is reasonable in the exercise of their business judgment and the Debtors may, by mutual agreement with the objecting Utility Provider and without further order of the Court, reduce the Adequate Assurance Deposit by an amount not exceeding the requesting Utility Provider's estimated two-week utility expense; and

i. Upon the closure of one of the Debtors' retail locations and the discontinuance of the Utility Services associated therewith, or the termination of Utility Services independent thereof, the Debtors may, in their discretion and without further order of the Court, reduce the Adequate Assurance Deposit by an amount not exceeding, for each of the Utility Services being discontinued, the lesser of (a) the estimated two-week utility expense for such Utility Services and (b) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Provider.

7. The Debtors may supplement the Utility Providers List without further order of the Court with Additional Utility Providers if such Additional Utility Providers were inadvertently omitted from the Utility Providers List, and the Debtors will file as soon as practicable with the Court a supplement to Exhibit C annexed to the Motion that adds the name of any Additional Utility Provider to the Utility Providers List. The Debtors will then serve by email or by facsimile transmission (or, where the Debtors do not have the email address or fax number of an Additional Utility Provider, by First Class Mail) a copy of the Motion and this Interim Order on any Additional Utility Provider.

8. No money may be withdrawn from the Adequate Assurance Deposit Account except (a) in compliance with the Adequate Assurance Procedures, (b) by mutual agreement of the Debtors and the applicable Utility Provider, or (c) by further order of the Court. If the Debtors fail to pay for any legitimate post-petition Utility Services when due, a Utility Provider may access only that portion of the Adequate Assurance Deposit attributable to it in the Adequate Assurance Deposit Account.

9. All funds in the Adequate Assurance Deposit Account shall remain subject to the prepetition liens in favor of (a) Bank of America, N.A., in its capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, (b) Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010 and (iii) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended and Restated Credit Agreement, dated as of November 3, 2015, subject to the rights of the Utility Providers to payments made (a) in compliance with the Adequate Assurance Procedures, (b) by

mutual agreement of the Debtors and the applicable Utility Provider, or (c) by further order of the Court.

10. The Debtors shall administer the Adequate Assurance Deposit Account in accordance with the terms of this Interim Order, pending entry of a Final Order.

11. Nothing contained herein constitutes a finding that any entity is or is not a Utility Provider hereunder or under section 366 of the Bankruptcy Code, whether or not such entity is listed on the Utility Providers List.

12. The Debtors are authorized, but not directed, to honor their obligations to Ecova, including any fees incurred prepetition.

13. Within two (2) business days of the date of this Interim Order, the Debtors shall serve a copy of this Interim Order and the Motion on each Utility Provider identified on the Utility Providers List. Within two (2) business days of filing a supplement to the Utility Providers List, as applicable, the Debtors shall serve a copy of this Interim Order and the Motion on any applicable Additional Utility Provider.

14. The final hearing on the relief requested in the Motion shall be on _____, 2016 at __:__ __.m. (prevailing Eastern Time). The deadline by which objections to entry of the Final Order must be filed is _____, 2016 at 4:00 p.m. (prevailing Eastern Time) and objections must be served upon (a) proposed counsel to the Debtors; (b) the Office of the United States Trustee for the District of Delaware; (c) the Debtors' 50 largest unsecured creditors on a consolidated basis or, if one has been appointed, counsel to any official committee in the Chapter 11 Cases; and (d) those parties that have formally appeared and requested service in these proceedings pursuant to Bankruptcy Rule 2002. If no objections are timely filed, the Court may enter the Final Order without further notice or hearing.

15. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be deemed or construed as: (a) an admission as to the validity of any claim or Lien against the Debtors or their estates; (b) a waiver of the Debtors' right to dispute any claim or Lien; (c) an approval or assumption of any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (d) an admission of the priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise; or (e) a modification of the Debtors' rights to seek relief under any section of the Bankruptcy Code on account of any amounts owed or paid to any Utility Provider.

16. Nothing in this Order authorizes the Debtors to pay prepetition claims without further order of the Court.

17. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied.

18. Notice of the Motion as provided therein shall be deemed good and sufficient and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

19. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be immediately effective and enforceable upon its entry.

20. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Interim Order in accordance with the Motion.

21. The Court shall retain jurisdiction with respect to all matters arising from or related to the implementation of this Interim Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein on a final basis.
2. The Debtors are authorized to pay on a timely basis, in accordance with their prepetition practices, all undisputed invoices for Utility Services rendered by the Utility Providers to the Debtors after the Petition Date.
3. To the extent not otherwise already done, the Debtors shall provide an Adequate Assurance Deposit for all Utility Providers by depositing \$2,000,000 into a segregated Adequate Assurance Deposit Account upon entry of this Final Order.
4. The Proposed Adequate Assurance comprises the Adequate Assurance Deposit and the Debtor's ability to pay for future utility services in the ordinary course of business and

constitutes sufficient adequate assurance of future payment to the Utility Providers to satisfy the requirements of section 366 of the Bankruptcy Code.

5. The Utility Providers are prohibited from (a) altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or on account of any unpaid prepetition charges; (b) drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for utility services; or (c) requiring additional adequate assurance of payment other than the Proposed Adequate Assurance, as a condition of the Debtors continuing to receive Utility Services.

6. The following Adequate Assurance Procedures are approved:

a. If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional assurance of payment in the form of a deposit, letter of credit, prepayment, or otherwise, it must serve an Additional Assurance Request upon proposed counsel to the Debtors, (i) Gibson, Dunn & Crutcher LLP, 333 South Grand Avenue, Los Angeles, CA 90071 (Attn: Sabina Jacobs, Esq.) and (ii) Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801 (Attn: Elizabeth S. Justison, Esq.) (together, the “Notice Parties”);

b. Each Additional Assurance Request must (i) be made in writing; (ii) set forth all location(s) for which utility services are provided and the relevant account number(s); (iii) include a summary of the Debtors’ payment history relevant to the affected account(s); (iv) describe any deposits or other security currently held by the requesting Utility Provider; and (v) identify and explain the basis of the Utility Provider’s proposed adequate assurance requirement under section 366(c)(2) of the Bankruptcy Code;

c. Upon the Notice Parties’ receipt of an Additional Assurance Request at the address set forth in subparagraph (a) above, the Debtors shall promptly negotiate with such Utility Provider to resolve such Utility Provider’s Additional Assurance Request;

d. The Debtors may, in their discretion, resolve an Additional Assurance Request by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to (i) Riemer & Braunstein LLP (attn: David Berman and Marjorie Crider) as counsel for (x) Bank of America, N.A., in its

capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility; (ii) Brown Rudnick LLP (attn.: Robert Stark and Bennett Silverberg) as counsel for Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010; (iii) Choate, Hall & Stewart LLP (attn.: Kevin Simard) as counsel for (x) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended and Restated Credit Agreement, dated as of November 3, 2015, and (y) certain DIP Lenders under the Debtors' proposed postpetition financing facility (collectively, the "Agents"), provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and/or other forms of security, without further order of the Court to the extent the Debtors believe such additional assurance is reasonable in the exercise of their business judgment;

e. If the Debtors determine that a timely received Additional Assurance Request is not reasonable and are unable to reach an alternative resolution with the applicable Utility Provider, the Debtors shall, upon reasonable notice, calendar the matter (the "Adequate Assurance Dispute") for the next regularly scheduled omnibus hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code;

f. Pending resolution of any such Adequate Assurance Dispute, any such Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Proposed Adequate Assurance;

g. The Debtors may, in their discretion, resolve any Adequate Assurance Dispute by mutual agreement with the requesting Utility Provider without further notice to the Court or any other party in interest and may, in connection with any such agreement, following notice to the Agents, provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, a cash deposit, prepayment, letter of credit, and/or other forms of security, without further order of the Court to the extent the Debtors believe that such additional assurance is reasonable in the exercise of their business judgment and the Debtors may, by mutual agreement with the objecting Utility Provider and without further order of the Court, reduce the Adequate Assurance Deposit by an amount not exceeding the requesting Utility Provider's estimated two-week utility expense; and

h. Upon the closure of one of the Debtors' retail locations and the discontinuance of the Utility Services associated therewith, or the termination of Utility Services independent thereof, the Debtors may, in their discretion and without further order of the Court, reduce the Adequate Assurance Deposit by an

amount not exceeding, for each of the Utility Services being discontinued, the lesser of (a) the estimated two-week utility expense for such Utility Services and (b) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Provider.

7. The Debtors may supplement the Utility Providers List without further order of the Court with Additional Utility Providers if such Additional Utility Providers were inadvertently omitted from the Utility Providers List, and the Debtors will file as soon as practicable with the Court a supplement to Exhibit C annexed to the Motion that adds the name of any Additional Utility Provider to the Utility Providers List. The Debtors will then serve by email or by facsimile transmission (or, where the Debtors do not have the email address or fax number of an Additional Utility Provider, by First Class Mail) a copy of the Motion and this signed Final Order on any Additional Utility Provider.

8. No money may be withdrawn from the Adequate Assurance Deposit Account except (a) in compliance with the Adequate Assurance Procedures, (b) by mutual agreements of the Debtors and the applicable Utility Provider, or (c) by further order of the Court. If the Debtors fail to pay for any legitimate post-petition Utility Services when due, a Utility Provider may access only that portion of the Adequate Assurance Deposit attributable to it in the Adequate Assurance Deposit Account.

9. All funds in the Adequate Assurance Deposit Account shall remain subject to the prepetition liens in favor of (a) Bank of America, N.A., in its capacity as Administrative Agent and Collateral Agent under the Second Amended and Restated Credit Agreement, dated as of May 17, 2012, (b) Wilmington Savings Fund Society, FSB as Administrative Agent and Collateral Agent under the Amended and Restated Credit Agreement, dated as of May 3, 2006 and amended and restated as of November 16, 2010 and (iii) Wells Fargo Bank, National Association, in its capacity as FILO Agent under the Second Amendment to Second Amended

and Restated Credit Agreement, dated as of November 3, 2015 (collectively, the “Secured Credit Agreements”), subject to the rights of the Utility Providers to payments made (a) in compliance with the Adequate Assurance Procedures, (b) by mutual agreement of the Debtors and the applicable Utility Provider, or (c) by further order of the Court.

10. Upon confirmation of any chapter 11 plan in these Chapter 11 Cases, and without further order of the Court, all amounts in the Adequate Assurance Deposit Account shall first be used to pay any amounts outstanding under the Secured Credit Agreements and shall then be available for the Debtors’ use, in their sole discretion.

11. The Debtors shall administer the Adequate Assurance Deposit Account in accordance with the terms of this Final Order.

12. Nothing contained herein constitutes a finding that any entity is or is not a Utility Provider hereunder or under section 366 of the Bankruptcy Code, whether or not such entity is listed on the Utility Providers List.

13. The Debtors are authorized, but not directed, to honor their obligations to Ecova, including any fees incurred prepetition.

14. Within two (2) business days of the date of this Final Order, the Debtors shall serve a copy of this Final Order on each Utility Provider identified on the Utility Providers List. Within two (2) business days of filing a supplement to the Utility Providers List, as applicable, the Debtors shall serve a copy of this Final Order and the Motion on any Additional Utility Provider.

15. Nothing in this Order authorizes the Debtors to pay prepetition claims without further order of the Court.

16. Nothing in the Motion or this Final Order, or the Debtors' payment of any claims pursuant to this Final Order, shall be deemed or construed as: (a) an admission as to the validity of any claim or Lien against the Debtors or their estates; (b) a waiver of the Debtors' right to dispute any claim or Lien; (c) an approval or assumption of any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (d) an admission of the priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise; or (e) a modification of the Debtors' rights to seek relief under any section of the Bankruptcy Code on account of any amounts owed or paid to any Utility Provider.

17. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order shall be immediately effective and enforceable upon its entry.

18. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Final Order in accordance with the Motion.

19. The Court shall retain jurisdiction with respect to all matters arising from or related to the implementation of this Final Order.
