**STATEMENT OF FINANCIAL AFFAIRS AND
SCHEDULES OF ASSETS AND LIABILITIES FOR CRABTREE & EVELYN, LTD.**

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

**GENERAL NOTES AND STATEMENT OF
LIMITATIONS, METHODOLOGY AND DISCLAIMER
REGARDING THE DEBTOR'S STATEMENTS AND SCHEDULES ("Global Notes")**

GENERAL

On July 1, 2009 (the "Petition Date"), Crabtree & Evelyn, Ltd., as debtor and debtor in possession (the "Debtor"), commenced a voluntary case under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Schedules of Assets and Liabilities and Statement of Financial Affairs, including all attachments thereto (the "Schedules and Statements"), have been prepared pursuant to 11 U. S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtor and are unaudited.

While the Debtor's management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtor. The information provided herein, except as otherwise noted, is as of the Petition Date. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States, nor are they intended to be fully reconciled to the financial statements. The Debtor reserves its rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding the Debtor's Schedules and Statements comprise an integral part of the Schedules and Statements filed by the Debtor, and should be referenced in connection with any review of the Schedules and Statements. Moreover, these Global Notes are in addition to any specific notes contained in the Debtor's Schedules or Statements. The fact that the Debtor has included notes with respect to any specific item in the Schedules or Statements should not be interpreted as a decision by the Debtor to exclude the applicability of such a note to any other items in the remaining Schedules and Statements.

The Schedules and Statements have been signed by Stephen W. Bestwick, Acting President of the Debtor. In reviewing and signing the Schedules and Statements, Mr. Bestwick has necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel of the Debtor. Mr. Bestwick has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Book Value. Unless otherwise noted, each asset and liability of the Debtor is shown on the basis of the book value of the asset or liability in the Debtor's accounting books and records, rather than the current market values of such interests in property and/or liabilities. The Debtor reserves its right to amend or adjust the value of each asset or liability set forth herein.

Liabilities. The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtor also reserves the right to change the allocation of liability to the extent additional information becomes available.

Pursuant to Bankruptcy Court orders, the Debtor has been granted authority to pay certain prepetition obligations. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

Causes of Action. The Debtor, despite its efforts, may not have listed all of its causes of action against third parties as assets in the Schedules and Statements. The Debtor reserves all of its rights with respect to any causes of action it may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

Executory Contracts. The Debtor has not set forth executory contracts as assets in its Schedules and Statements. The Debtor's executory contracts have been set forth in Schedule G.

Property and Equipment. Unless otherwise noted, owned property and equipment are stated as net book value. In the ordinary course of its business, the Debtor may lease furniture, fixtures, and equipment from certain third party lessors for use in the daily operation of its business. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all its rights with respect to any such issue.

Credits in the Ordinary Course of Business. In the ordinary course of its business, the Debtor applies credits against amounts otherwise due to vendors. Certain of these credits are subject to change. Vendor claims are listed at the amounts entered on the Debtor's books and records, which may reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits and allowances.

Cash. Cash is listed in the Schedules and Statements at bank balances as of the Petition Date.

Excluded Assets and Liabilities. The Debtor has excluded certain categories of assets and liabilities from the Schedules and Statements including goodwill. In addition, certain immaterial assets and liabilities may have been excluded.

Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtor has attempted to include therein each of the Debtor's (a) "directors" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtor has attempted to exclude in such applicable Schedules and Statements information relating to certain of its employees who, despite the title of their position with the Debtor (including without limitation certain employees with the title of "officer") are not "officers" of the Debtor as such term is used in the Bankruptcy Code because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtor's board of directors, and/or (iii) do not have or ever had any material inside information as a result of their employment with the Debtor. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Claim Description. Any failure to designate a claim on the Debtor's Schedules as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtor that such claim is not "contingent," "unliquidated," or "disputed." The Debtor reserves the right to dispute, or to assert offsets or defenses to any claim reflected on its Schedules and Statements as to amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," and/or "disputed." Moreover, the Debtor reserves the right to amend its Schedules and Statements as necessary and appropriate.

SCHEDULES OF ASSETS AND LIABILITIES

Schedule D. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the General Notes or in the Schedules shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E. The Bankruptcy Court entered an order granting authority to the Debtor to pay prepetition employee wage and other obligations in the ordinary course (the "Employee Wages Order"). Pursuant to the Employee Wage Order, the Debtor believes that, certain employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts may or may not be listed on Schedule E.

The listing of any claim on Schedule E does not constitute an admission by the Debtor that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtor reserves its right to dispute the priority status of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtor that such claim is a prepetition tax claim. The Debtor reserves its right to treat any of these claims as postpetition claims.

Schedule F. The Bankruptcy Court entered an order granting authority to honor certain prepetition customer programs. Accordingly, certain debts arising out of customer programs have not been included on the Debtor's Schedules and Statements.

Schedule F reflects the prepetition amounts owing to, among others, counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that have been or may be rejected.

Schedule F reflects prepetition amounts owed to utility companies as of the Petition Date according to the Debtor's books and records. Pursuant to section 366(c)(4) of the Bankruptcy Code, certain utilities, however, may have set off prepetition deposits against prepetition amounts owed. Accordingly, the exact amounts owed to utility companies as of the Petition Date may differ from the amounts reflected on the Debtor's books and records.

Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtor reserves all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

STATEMENTS OF FINANCIAL AFFAIRS

Question 13: Setoffs

The Debtor routinely incurs setoffs in the ordinary course of business. As such, it is impracticable for the Debtor to note such setoffs in the Schedules and Statements.

Further, as stated above, the Debtor believes that pursuant to section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied prepetition deposits to prepetition obligations. At this time, the Debtor does not have a list of all utility providers that have set off prepetition deposits.

(Debtor)

Case No. 09-14267-brl

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. Do not include the name or address of a minor child in this statement. Indicate payments, transfers and the like to minor children by stating "a minor child." See 11 U.S.C. § 112; Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. **If the answer to an applicable question is "None", mark the box labeled "None"**. If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.

DEFINITIONS

"In Business." A debtor is "in business" for the purpose of this form if the debtor is a corporation or partnership. An individual debtor is "in business" for the purpose of this form if the debtor is or has been, within the six years immediately preceding the filing of this bankruptcy case, any of the following: an officer, director, managing executive, or owner of 5 percent or more of the voting or equity securities of a corporation; a partner, other than a limited partner, of a partnership; a sole proprietor or self-employed full-time or part-time. An individual debtor also may be "in business" for the purpose of this form if the debtor engages in trade, business, or other activity, other than as an employee, to supplement income from the debtor's primary employment.

"Insider." The term "insider" includes but is not limited to: relatives of the debtor; general partners of the debtor and their relatives; corporations of which the debtor is an officer, director, or person in control; officers, directors, and any owner of 5 percent or more of the voting or equity securities of a corporate debtor and their relatives; affiliates of the debtor and insiders of such affiliates; any managing agent of the debtor. 11 U.S.C. § 101.

1. Income from employment or operation of business

State the gross amount of income the debtor has received from employment, trade, or profession, or from operation of the debtor's business, including part-time activities either as an employee or in independent trade or business, from the beginning of the calendar year to the date this case was commenced. State also the gross amounts received during the **two years** immediately preceding this calendar year. (A debtor that maintains, or has maintained, financial records on the basis of a fiscal rather than a calendar year may report fiscal year income. Identify the beginning and ending dates of the debtor's fiscal year.) If a joint petition is filed, state income for each spouse separately. (Married debtors filing under chapter 12 or chapter 13 must state income of both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed.)
