Overall, the videogame industry had a tough year in 2012, when sales at U.S. retailers slid by 22% from the previous year, according to NPD Group. However, a handful of game titles enjoyed strong sales, helped by a smaller release slate and publishers investing more energy into expansion content for top-sellers such as "Call of Duty: Black Ops 2" from Activision (pictured). What follows are the 10 best-selling game titles for 2012.
