CERTIFICATION OF NO OBJECTION REGARDING DEBTORS’ MOTION FOR ENTRY OF AN ORDER (I) DETERMINING ADEQUATE ASSURANCE OF UTILITY PAYMENT, (II) APPROVING PROCEDURES FOR RESOLVING ANY DISPUTES CONCERNING ADEQUATE ASSURANCE, AND (III) GRANTING RELATED RELIEF

On February 2, 2015, the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed the *Debtors’ Motion for Entry of an Order (I) Determining Adequate Assurance of Utility Payment, (II) Approving Procedures for Resolving Any Disputes Concerning Adequate Assurance, and (III) Granting Related Relief* [Docket No. 204] (the “Motion”).

Pursuant to the *Scheduling Order Regarding Utilities Order* [Docket No. 322], objections to the relief requested in the Motion were to be served no later than February 20, 2015. Furthermore, paragraphs 22, 23, 24, and 25 of the *Order (I) Approving Case Management Procedures, (II) Approving the Notice Thereof, and (Iii) Granting Related Relief* [Docket No. 395] (the “Case Management Order”) permit the Court to enter an order granting a Request for Relief (as defined in the Case Management Order) without a hearing upon receipt of a Certification of No Objection (as defined in the Case Management Order).

The undersigned hereby certifies that he has reviewed the Court's docket in this case and that the only applicable answer, objection or other responsive pleading that appears thereon is the *Response for Purpose of Reserving Rights of NV Energy, Inc., in Connection with Debtors' Motion Regarding Adequate Assurance of Payment to Utilities* [Docket No. 406] (the "NV Energy Response"). In addition to the NV Energy Response, the Debtors received informal comments concerning the Motion from a number of parties. The Debtors have addressed the NV Energy Response and the informal comments they have received by making modifications to the Debtors' proposed form of final order, which is attached hereto as **Exhibit A**. A comparison of the Debtors' revised proposed form of final order with the proposed form of final order the Debtors originally filed with the Motion is attached hereto as **Exhibit B**. The Debtors believe that these modifications have addressed all issues raised by the NV Energy Response and all of the informal comments the Debtors received.

Accordingly, the Debtors respectfully request that the Court enter the proposed final order attached hereto as **Exhibit A** at the Court's earliest convenience.

appropriate notice of the Motion and the opportunity for a hearing on the Motion under the circumstances, it is HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein. Capitalized terms used but not otherwise defined herein will have the meanings ascribed to them in the Motion.

2. The Utility Providers listed on **Exhibit 1**, attached hereto, are prohibited from (a) altering, refusing, or discontinuing service to, or discriminating against, the Debtors solely on the basis of the commencement of these cases or on account of any unpaid invoice for services provided before the Petition Date, or (b) requiring the payment of a deposit or other security in connection with the Utility Providers' continued provision of utility services, including the furnishing of gas, heat, steam, electricity, water, telephone service, data service, waste removal, or any other utility of like kind, to the Debtors.

3. Within three (3) business days following entry of this Order, the Debtors will deposit the Adequate Assurance Deposit (as modified pursuant to arrangements with the Utility Providers) into an escrow account, ("Utility Deposit Account"). The Adequate Assurance Deposit will remain in the Utility Deposit Account until the earlier of (a) entry of an order of the Court authorizing the return of the Adequate Assurance Deposit to the Debtors, and (b) confirmation of a chapter 11 plan.

4. The Adequate Assurance Deposit, together with the Debtors' demonstrated ability to pay for future utility services in the ordinary course of business, constitutes adequate assurance of payment to Utility Providers, as required by section 366(b) of the Bankruptcy Code.

5. If the Debtors identify any Utility Provider not included on **Exhibit 1**, the Debtors will cause an amendment to such exhibit to be filed with this Court and will cause copies of the

Motion and this Order to be served on any such newly identified Utility Providers. This Order is binding on any and only those Utility Providers identified in **Exhibit 1**.

6. Within three (3) business days of the date of this Order, the Debtors will fax, e-mail, serve by overnight mail, or otherwise expeditiously send a copy of the Motion and this Order to each Utility Provider listed on **Exhibit 1** hereto.

7. The following Adequate Assurance Procedures are approved:

- a. Any Utility Provider desiring additional assurances of payment beyond the Adequate Assurance Deposit, whether in the form of deposits, prepayments, or otherwise, must serve a request (an “Additional Assurance Request”) so that it is received by the Debtors and certain parties in interest at the following addresses: (i) Caesars Entertainment, 1 Caesars Palace Drive, Las Vegas, Nevada 89109, Attn: Jeffrey Ruskowitz and Eric Dominguez; and (ii) Kirkland & Ellis LLP, 300 North LaSalle, Chicago, Illinois 60654, Attn: Patrick Evans, Esq. and Grace D’Arcy, Esq., proposed counsel to the Debtors; (iii) counsel for the Creditors’ Committee, Proskauer Rose LLP, 70 W. Madison Street, Suite 3800, Chicago, IL 60602, Attn: Jeff J. Marwil, Esq., Paul V. Possinger, Esq., and Mark K. Thomas, Esq.; and (iv) counsel for the Second Priority Notes’ Committee, Jones Day, 555 South Flower Street, Fiftieth Floor, Los Angeles, California, 90071, Attn: Bruce Bennett, Esq. and Sidney Levinson (collectively, the “Notice Parties”).
- b. Any Additional Assurance Request must: (i) be made in writing; (ii) set forth the location for which utility services are provided; (iii) include a summary of the Debtors’ payment history relevant to the affected account(s), including any security deposits; (iv) certify the amount that is equal to two weeks of utility service it provides to the Debtors, calculated as a historical average over the past twelve (12) months; (v) certify that it currently is not paid in advance for its services; and (vi) explain why the Utility Provider believes the Debtors’ Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- c. Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors will have until fourteen (14) days from the receipt of such Additional Assurance Request (the “Resolution Period”) to negotiate with such Utility Provider to resolve such Utility Provider’s Additional Assurance Request; provided, however, that the Resolution Period may be extended by mutual consent of the Debtors and the Utility Provider.
- d. Upon three days’ notice to counsel for the Creditors’ Committee and counsel for the Second Priority Notes’ Committee, the Debtors may

resolve any Additional Assurance Request by mutual agreement with the Utility Provider without further order of the Court, and may, in connection with any such agreement, provide a Utility Provider with additional adequate assurance of future payment, including, without limitation, cash deposits, prepayments, and other forms of security, without further order of the Court if the Debtors believe such additional assurance is reasonable.

- e. If the Debtors determine that an Additional Assurance Request is unreasonable and are not able to reach an alternative resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will file a motion pursuant to section 366(c) of the Bankruptcy Code (a “Determination Motion”) seeking a determination from the Court that the Adequate Assurance Deposit Account, together with any additional consideration the Debtors offer, constitutes adequate assurance of payment.
- f. Pending resolution of any such Determination Motion, the Utility Provider filing such Additional Assurance Request will be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services or on account of any objection to the Proposed Adequate Assurance.
- g. The Proposed Adequate Assurance will be deemed adequate assurance of payment for any Utility Provider that does not make an Additional Assurance Request.

8. A Utility Provider will be deemed to have adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code unless and until (a) the Debtors, in their sole discretion, agree to an alternative assurance of payment with the Utility Provider, or (b) the Court enters a final order requiring that additional adequate assurance of payment be provided.

9. The Utility Providers are prohibited from applying any payments on account of postpetition services to any prepetition invoices.

10. The Debtors are authorized to issue postpetition checks, or to affect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Utility Provider claims.

11. Notwithstanding anything to the contrary contained herein, the relief granted in this Order and any payment to be made hereunder will be subject to the terms of any orders granting the use of cash collateral approved by this Court in these chapter 11 cases (including with respect to any budgets governing or relating to such use), and to the extent there is any inconsistency between the terms of such cash collateral orders and any action taken or proposed to be taken hereunder, the terms of such cash collateral orders will control.

- d. ~~The~~Upon three days’ notice to counsel for the Creditors’ Committee and counsel for the Second Priority Notes’ Committee, the Debtors may resolve any Additional Assurance Request by mutual agreement with the Utility Provider without further order of the Court, and may, in connection with any such agreement, provide a Utility Provider with additional adequate assurance of future payment, including, without limitation, cash deposits, prepayments, and other forms of security, without further order of the Court if the Debtors believe such additional assurance is reasonable.
- e. If the Debtors determine that an Additional Assurance Request is unreasonable and are not able to reach an alternative resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will file a motion pursuant to section 366(c) of the Bankruptcy Code (a “Determination Motion”) seeking a determination from the Court that the Adequate Assurance Deposit Account, together with any additional consideration the Debtors offer, constitutes adequate assurance of payment.
- f. Pending resolution of any such Determination Motion, the Utility Provider filing such Additional Assurance Request ~~shall~~will be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services or on account of any objection to the Proposed Adequate Assurance.

g. The Proposed Adequate Assurance ~~shall~~will be deemed adequate assurance of payment for any Utility Provider that does not make an Additional Assurance Request.

~~8.9.~~8.9. A Utility Provider ~~shall~~will be deemed to have adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code unless and until (a) the Debtors, in their sole discretion, agree to an alternative assurance of payment with the Utility Provider, or (b) the Court enters a final order requiring that additional adequate assurance of payment be provided.

~~1. The Debtors are authorized, but not directed, to file amendments to the Utility Service List to add or delete any Utility Provider.~~

~~9.10.~~9.10. The Utility Providers are prohibited from applying any payments on account of postpetition services to any prepetition invoices.

~~2. Nothing in this Order or the Motion shall be deemed to vacate or modify any other restrictions on the termination of service by a Utility Provider as provided by sections 362 and 366 of the Bankruptcy Code or other applicable law and nothing herein or in the Motion shall constitute postpetition assumption or adoption of any agreement pursuant to section 365 of the Bankruptcy Code. Nothing herein shall be deemed a waiver by the Debtors or any other party of any right with respect to the assumption or rejection of an executory contract.~~

~~3. The Debtors' service of this Motion upon the Utility Service List shall not constitute an admission or concession that such entities are utilities within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.~~

~~4. The relief granted herein is for all Utility Providers providing utility services to the Debtors and is not limited to those listed on the Utility Service List.~~

~~5. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized and directed to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Order.~~

~~6. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any prepetition claim against a Debtor entity; (b) a waiver of the Debtors' right to dispute any prepetition claim on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Debtors' rights under the Bankruptcy Code or any other applicable law.~~

~~10.11.~~ The Debtors are authorized to issue postpetition checks, or to affect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Utility Provider claims.

~~11.12.~~ Notwithstanding anything to the contrary contained herein, the relief granted in this Order and any payment to be made hereunder ~~shall~~will be subject to the terms of any orders granting the use of cash collateral approved by this Court in these chapter 11 cases (including with respect to any budgets governing or relating to such use), and to the extent there is any

inconsistency between the terms of such cash collateral orders and any action taken or proposed to be taken hereunder, the terms of such cash collateral orders ~~shall~~will control.

~~7. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a), and the the Local Rules for the United States Bankruptcy Court for the Northern District of Illinois are satisfied by such notice.~~

~~8. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.~~

~~9. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).~~

~~The Debtors are authorized but not directed to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.~~
