**DEBTORS’ THIRD OMNIBUS MOTION FOR ENTRY OF AN ORDER
AUTHORIZING THE REJECTION OF CERTAIN EXECUTORY CONTRACTS
NUNC PRO TUNC TO THE DATE OF FILING OF THIS MOTION**

THIS MOTION SEEKS TO REJECT CERTAIN EXECUTORY CONTRACTS. COUNTERPARTIES RECEIVING THIS MOTION SHOULD LOCATE THEIR NAMES AND THEIR CONTRACTS ON EXHIBIT 1 TO THE PROPOSED ORDER ATTACHED HERETO. PLEASE REVIEW THIS MOTION IN ITS ENTIRETY, INCLUDING EXHIBIT 1 TO THE PROPOSED ORDER ATTACHED HERETO, TO DETERMINE IF THIS MOTION AFFECTS YOUR CONTRACT AND YOUR RIGHTS THEREUNDER.

Insys Therapeutics, Inc. and its affiliated debtors in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”), as debtors and debtors in possession (collectively, the “**Debtors**”), respectfully represent as follows in support of this motion (the “**Motion**”):

Relief Requested

1. The Debtors seek authority pursuant to sections 105(a) and 365(a) of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 6006 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) to reject certain executory contracts (including any amendments, supplements or modifications thereto, the “**Rejected Contracts**”), identified

(7886); IC Operations, LLC (9659); Insys Development Company, Inc. (3020); Insys Manufacturing, LLC (0789); Insys Pharma, Inc. (9410); IPSC, LLC (6577); and IPT 355, LLC (0155). on **Exhibit 1** to the Proposed Order (defined below) (the “**Rejected Contracts Schedule**”),² effective as of the date of filing of this Motion (the “**Rejection Date**”).

2. A proposed form of order granting the relief requested in this Motion is attached hereto as **Exhibit A** (the “**Proposed Order**”).

Jurisdiction

3. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334, and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

4. Pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final judgment or order with respect to the Motion if it is determined that the Court would lack Article III jurisdiction to enter such final order or judgment absent consent of the parties.

Background

A. General Background

5. On June 10, 2019 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

² While the Debtors have exercised reasonable diligence in connection with preparing the Rejected Contracts Schedule, it is possible that the Rejected Contracts Schedule includes certain contracts and leases that were assumed and assigned to the Purchasers (as defined below). To the extent the Rejected Contracts Schedule includes a contract or lease that was previously assumed and assigned, such contract or lease shall not be a Rejected Contract notwithstanding its inclusion on the Rejected Contracts Schedule.

6. The Chapter 11 Cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1.

7. On June 20, 2019, the Office of the United States Trustee for the District of Delaware (the “**U.S. Trustee**”) appointed an official committee of unsecured creditors in these Chapter 11 Cases (the “**Committee**”). No trustee or examiner has been appointed in these Chapter 11 Cases.

8. On July 2, 2019, the Court entered the *Order (A) Approving Bidding Procedures for Sale of Debtors’ Assets, (B) Scheduling Auction for and Hearing to Approve Sale of Debtors’ Assets, (C) Approving Form and Manner of Notice of Sale Auction, and Sale Hearing, (D) Approving Assumption and Assignment Procedures, and (E) Granting Related Relief* [Docket No. 210] (the “**Bidding Procedures Order**”). In accordance with the Bidding Procedures Order, the Debtors have sold substantially all of their assets pursuant to several Court-approved sales transactions (the “**Sales Transactions**”). *See* [Docket Nos. 515, 525, 641, 671, 767 & 990]. As part of the Sales Transactions, the Debtors have assumed and assigned various contracts and leases to the applicable purchasers of the Debtors’ assets (the “**Purchasers**”).

9. On November 29, 2019, the Debtors filed the *Second Amended Joint Chapter 11 Plan of Liquidation of Insys Therapeutics, Inc. and Its Affiliated Debtors* [Docket No. 928] (as amended, supplemented or otherwise modified from time to time, the “**Plan**”) and related disclosure statement [Docket No. 929] (as amended, supplemented or otherwise modified from time to time, the “**Disclosure Statement**”). On December 4, 2019, the Court entered an order approving the adequacy of the Disclosure Statement [Docket No. 956] and solicitation

procedures with respect to the Plan [Docket No. 955]. The hearing on confirmation of the Plan is currently scheduled to commence on January 16, 2020.

10. As a result of the Sales Transactions, the Debtors no longer possess an operating business and they are in the process of winding down their estates in order to distribute their remaining assets for the benefit of creditors in accordance with the terms of the proposed Plan.

11. Additional information regarding the circumstances leading to the commencement of these Chapter 11 Cases and the Debtors' business and capital structure is set forth in the declaration of Andrew G. Long, the Debtors' former Chief Executive Officer, filed on the Petition Date [Docket No. 11] (the "**Long Declaration**").³

B. The Rejected Contracts

12. The Rejected Contracts consist of contracts that (i) were not assumed and assigned to the Purchasers in connection with the Sale Transactions and (ii) the Debtors no longer need given their limited operations. As a result, the Rejected Contracts do not confer any benefit to the Debtors or their estates and, any obligations under the Rejected Contracts, including any potential costs or administrative expenses associated therewith, are unnecessary and burdensome.

Basis for Relief Requested

A. The Rejection of the Rejected Contracts is an Appropriate Exercise of the Debtors' Business Judgment

13. Section 365(a) of the Bankruptcy Code provides, in pertinent part, that a debtor, "subject to the court's approval, may assume or reject any executory contract . . . of the debtor." 11 U.S.C. § 365(a). The bankruptcy court should approve a debtor's rejection of an

³ Capitalized terms not otherwise defined herein shall have the meanings given to them in the Long Declaration.

executory contract if such rejection is an exercise of the debtor's sound business judgment, benefits its estate, and is not made in bad faith. *See In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982), *aff'd*, 465 U.S. 513 (1984) (“[t]he usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the ‘business judgment’ test”); *Sharon Steel Corp. v. Nat’l Fuel Gas Distr. Corp.*, 872 F.2d 36, 39-40 (3d Cir. 1989) (affirming rejection of a service agreement as sound exercise of debtor’s business judgment where bankruptcy court found rejection would benefit estate); *In re HQ Global Holdings, Inc.*, 290 B.R. 507, 511 (Bankr. D. Del. 2003) (holding the business judgment standard applicable, absent bad faith, whim, or caprice). In applying the business judgment standard, bankruptcy courts afford great deference to a debtor’s decision to assume or reject executory contracts. *See In re Summit Land Co.*, 13 B.R. 310, 315 (Bankr. D. Utah 1981) (absent extraordinary circumstances, court approval of debtor’s decision to assume or reject an executory contract “should be granted as a matter of course”).

14. As a result of the Sales Transactions, the Debtors have sold substantially all of their assets. In connection with the conclusion of the global sale process, the Debtors have examined their need for the Rejected Contracts and have determined that there is no further need for any of the Rejected Contracts, not now and not in conjunction with the implementation of the Plan. Indeed, it is axiomatic that costs associated with assets that have been sold to third parties should be eliminated. Accordingly, rejecting the Rejected Contracts is a sound exercise of the Debtors’ business judgment as it will, *inter alia*, preserve estate assets by discontinuing unnecessary and burdensome expenses for the Debtors’ estates and therefore maximize distributions to creditors.

B. *Nunc Pro Tunc* Rejection of the Rejected Contracts is Appropriate

15. The Debtors respectfully request that the rejection of the Rejected Contracts be effective *nunc pro tunc* to the date hereof. Courts “may exercise their equitable powers in granting such a retroactive order when doing so promotes the purposes of Section 365(a).” *In re Rupari Holding Corp.*, 2017 Bankr. Lexis 4095, at *13 (Bankr. D. Del. Nov. 28, 2017). The retroactive rejection of executory contracts requires the court to “balance the equities” of a case. *Id.* If the equities are in the debtor’s favor, the court may grant retroactive rejection. *Id.*

16. Here, the balance of equities favors the rejection of the Rejected Contracts to be effective *nunc pro tunc* to the date of filing of this Motion. The Debtors no longer possess an operating business as a result of the Sales Transactions. Accordingly, the estates are not receiving any benefits from the Rejected Contracts. The Debtors have also made the Committee aware of the filing of this Motion and will further consult with the Committee, as necessary, regarding rejection of the Rejected Contracts. The Debtors believe, therefore, that retroactive rejection effective to the date of filing of this Motion is necessary, appropriate, and in accordance with applicable law.

Reservation of Rights

17. The Debtors may have claims against the counterparties to the Rejected Contracts arising under, or independently of, the Rejected Contracts. The Debtors do not waive such claims by the filing of this Motion or by the rejection of the Rejected Contracts. The Debtors are diligently reviewing and evaluating their remaining contracts and reserve the right to identify additional executory contracts for rejection in the future. This Motion should not be construed as a determination that any contracts or agreements not described herein are to be assumed or rejected. Nothing contained herein is intended or should be construed as an

admission of the validity of any claim against the Debtors, a waiver of the Debtors' rights to dispute any claim, or an approval, assumption, or rejection of any agreement, contract, lease, or sublease under section 365 of the Bankruptcy except as expressly set forth herein.

Waiver of Bankruptcy Rule 6006(f)(6)

18. Bankruptcy Rule 6006(f)(6) requires that an omnibus motion to reject multiple executory contracts “be limited to no more than 100 executory contracts” Fed. R. Bankr. P. 6006(f)(6). However, courts may waive the requirements of Bankruptcy Rule 6006(f)(6). *See In re Old Carco LLC*, 406 B.R. 180, 207-10 (Bankr. S.D.N.Y. 2009) (“Specifically, the 2007 Advisory Committee Notes to Rule 6006 states that “[a]n omnibus motion to assume, assign, or reject multiple executory contracts and unexpired leases must comply with the procedural requirements set forth in subdivision (f) of the rule, unless the court orders otherwise”). Bankruptcy Rule 6006(f)(6) is intended to ensure that lease or contract counterparties can easily locate their information in a debtor’s omnibus motion. *See* 10 Collier on Bankruptcy ¶ 6006.05 (15th ed. rev.).

19. The list of Rejected Contracts exceeds 100 items. Accordingly, the Debtors respectfully request a waiver of Bankruptcy Rule 6006(f)(6) to the extent necessary. The Debtors have listed the Rejected Contracts in an organized and clear chart that lists each contract counterparty in alphabetical order as required by Bankruptcy Rule 6006(f)(2) and have otherwise complied with all other requirements of Bankruptcy Rule 6006(f). The Debtors further submit that filing a single motion avoids the confusion and inefficiency that might otherwise result if the Debtors were required to file separate motions requesting the same relief. Courts regularly waive Bankruptcy Rule 6006(f)(6) in similar situations. *See, e.g., In re Insys Therapeutics, Inc.*, Case No. 19-11292 (KG) (Bankr. D. Del. Oct. 29, 2019) [Docket No. 823] (waiving Bankruptcy Rule 6006(f)(6) and permitting over 100 contracts to be rejected through

one motion); *Old Carco*, 406 B.R. at 207-10 (same); *In re Golfsmith International Holdings, Inc.*, Case No. 16-12033 (LSS) (Bankr. D. Del. Jan. 20, 2017) [Docket No. 681] (waiving Bankruptcy Rule 6006(f)(6) and permitting over 100 contracts to be rejected through one motion); *In re Gridway Energy Holdings*, Case No. 14-10833 (CSS) (Bankr. D. Del. Mar. 27, 2015) [Docket No. 894] (waiving Bankruptcy Rule 6006(f)(6) and permitting more than 1,500 executory contracts to be rejected through one motion); *In re Delta Petroleum Corp.*, Case No. 11-14006 (KJC) (Bankr. D. Del. Aug. 16, 2012) [Docket No. 918] (permitting approximately 500 executory contracts and unexpired leases to be assumed and assigned through one motion). Accordingly, the Debtors submit that, to the extent necessary, the Court should grant such waiver here.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

20. To implement the foregoing successfully, the Debtors request, to the extent Bankruptcy Rule 6004 is applicable to the relief requested herein, that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h) and any other applicable Bankruptcy Rule.

Notice

21. Notice of this Motion has been provided to (a) the Office of the United States Trustee for the District of Delaware (Attn: Jane M. Leamy); (b) the counsel to the Committee; (c) the Securities and Exchange Commission; (d) the Internal Revenue Service; (e) the United States Attorney's Office for the District of Delaware; (f) the Department of Justice; (g) the non-Debtor parties to the Rejected Contracts; (h) the Purchasers; and (i) all parties who have requested service of notices in these Chapter 11 Cases pursuant to Bankruptcy

Rule 2002. The Debtors respectfully submit that this notice is sufficient under the circumstances.

No Previous Request

22. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and such other and further relief as the Court may deem just and proper.
